

On 29th Aug Wed from 11.30 to 1.30 pm there will be formal event in the New Auditorium/ Seminar room where there will be presentations by students of Summer Internship Research Project from the Humanities Stream. Mentors please note each project student presenter as a team will get 6 mins by the watch to present and 2 mins for interaction. There will be Chief Guest and special invitees besides teachers and students attending it.

The science stream presentations will take place on 12th Sept. Timings and other modalities will be the same as that on 29th Aug.

All TICs please give names of students attending the program on both days as participants and presenters from your dept by the 27th Aug latest. The names can be forwarded to Research Advisory Committee Members.

Contingency bills for the research project to be submitted by students/departments at the earliest to Radhika. Bills to be duly verified & forwarded by the mentors

Thanks for your consideration and support.
