Back to college...

Maitreyi College welcomes all the students and faculty to the college again after a gap of over 22 months. Though we have been in touch throughout and nothing stopped for us now it is time to get back to the normal college life.

Coming to college in full strength and remaining safe is going to be a task but with the help of the following guidelines, we will all be safe and studying/imparting knowledge the way should.

1. Every person entering the college shall cooperate with the security staff that would be checking your temperature.
2. **Wear tight mask**, either N 95, surgical mask, or double cloth mask **covering nose and mouth properly**.
3. Any eating or drinking should be in isolated area and not in group.
4. Do not share your belongings like pen, pencil etc. with anyone.
5. **Wash and sanitize your hands frequently**. Do not touch any part of your face unless your hands are clean.
6. In your free time, sit in the open areas. Maintain physical distancing.
7. Leave college as soon as you finish your classes.
8. **Do not come to college if you have fever, cough & cold.**
9. Those who had covid and are yet to be vaccinated due to medical advisory, are to carry necessary papers every day and produce when asked.

We would strongly urge all of you to follow the above mentioned guidelines strictly. Educate each other the importance of observing these and ensure self-discipline.

Student Counselor Ms. Akanksha Kapoor will be available in college between 11-1 p.m. on Monday, Wednesday and Friday. To book your appointment with her, register with Ms. Ruby, Staff nurse available in the medical room.
