## ANNUAL INTERDISCIPLINARY ACADEMIC FEST

“*Avgaahan*” originated from Sanskrit language means: *to immerse, to investigate*. It lends to the academic fest its spirit and essence that aims to provide the participants opportunities to immerse and investigate into various disciplines through innovative and intellectually stimulating activities.

To make this mental exploration diverse and vibrant, all departments of the college have come together to offer extensive events, ranging from Photography, Quiz, Micro-fiction to Case study, Coding and many more.

The unique concept of the festival has in its fold a combination of online and offline competitions conducted by all departments of the college.

The details of the events will be available from 31<sup>st</sup> January, 2019 on college website.
