## PRINCIPAL'S MESSAGE

**Prof. Haritma Chopra**

Today, we stand united to commemorate the 57th Annual Day of Maitreyi College, a cherished institution often lovingly referred to as our Kutumb. Each year, this occasion serves as a testament to our shared endeavours and accomplishments. And our achievements are not limited to only academics, Maitreyi College remains committed to holistic development of its students through Initiatives such as skill development programs, cultural societies, entrepreneurship cells and social outreach. We strive to provide students with opportunities to explore their interests and talents beyond the confines of the classroom. Additionally, our commitment to inclusivity and outreach is reflected in our efforts to make the campus accessible and our engagement in various social initiatives. And as a proud representative of this Maitreyi College, I extend a heartfelt welcome to all esteemed guests joining us for this special event.

We are honoured to have our Chief Guest Prof. Balaram Pani, Dean of Colleges, University of Delhi amongst us. Welcome, Sir! We warmly welcome our Guest of Honour, Prof Anu G Agarawal, Treasurer, Governing Body, Maitreyi College and our esteemed Chairperson of the Governing Body, Prof. Vijaya Laxmi Singh, who presides over today's event. Our Chief Guest Prof. Balaram Pani is the Dean of Colleges at the University of Delhi. He is also the Chairman NCWEB, University of Delhi. Under Prof. Pani's leadership as the principal, Bhaskaracharya College of Applied Sciences Delhi University also scaled great heights. As an academic, Prof. Pani has made a distinct mark in the field of chemistry. He has over 50 publications and several projects to his

credit and has supervised numerous Ph.D. scholars. Prof. Pani's research was also honoured with the title "Most Promising Innovation" for the project 'To Explore Potential of Biosimilars as Cost-Effective Therapeutic Products' sponsored by Delhi University Innovation Project. We are grateful that you consented to be amongst us and encourage our young achievers! Prof Pani was awarded the Soul of India Award 2023 in a ceremony at the House of Lords, Parliament of the United Kingdom, in London.

It is a pleasure to have with us as our Guest of Honour, Prof. Anu Aggarwal, Treasurer Governing Body, Maitreyi College. She is a Professor in the Department of Operational Research. Her area of research includes software reliability, data driven marketing, marketing research and marketing analysis. An academic of repute, Prof. Aggarwal has several publications in academic journals, books and other platforms of repute. Among various other projects, she also has to her credit a significant project titled "Role and Usage of Customer Reviews in E-Commerce". Apart from her bright academic work, Prof Agarwal has also made great administrative contributions. We are honoured to have you amongst us.

Presiding over today's event, we have with us Prof. Vijaya Laxmi Singh, our eminent Chairperson Governing Body, Maitreyi College. Prof. Singh was the Director of CPDHE, Centre for Professional Development in Higher Education, Delhi University, from 2010- 2014. Currently, she is a Professor in the Department of History, Faculty of Social Sciences, University of Delhi. Prof. Singh has outstanding research in the domain of Ancient Indian History, Archaeology (Urbanization), Culture and Gender. She has to her credit 6 book publications, about 28 research article publications in peer-reviewed national and international journals and numerous book chapters. Singh's latest publication is the book Kashi Banaras: Sacred and Profane, which was published in 2022. She has also held several important administrative and advisory positions in various government institutions and committees. Prof. Singh is a multifaceted personality. We are proud to have such a dynamic leader amongst us. We welcome you ma'am!

As we complete another academic year it is with absolute faith and immense pride that I state we have successfully tread the path in pursuit of excellence and commitment to pedagogic and cultural accomplishments. In alignment with the vision of the National Education Policy adopted by the University of Delhi, Maitreyi College has been dedicated to prepare students who can contribute to realization of the vision of Bharat. The foundation of NEP 2020 rests on five guiding pillars: Access, Equity, Quality, Affordability and Accountability, which also act as the constant guiding principles for us and are well reflected in the annual activities conducted in our college. The functioning of our college has always been a harmonious and cooperative exercise between the students, faculty and the administrative staff. This year, the college has appointed a total of 89 permanent faculty members across 14 departments to ensure smooth delivery of academic excellence. I extend a hearty welcome to these new members of our family who are attending this annual day for the very first time.

Last academic session we saw the jubilation of getting an A++ accreditation by NAAC, successfully managing the transition to the first year of NEP and inaugurating a new hostel on campus. We achieved many milestones and needed to scale newer heights this year. We carried on with determination in our hearts to align ourselves with the vision for a greater India creating our own programs contributing to national flagship programs such as *Unnat Bharat Abhiyan*, *Sugamya Bharat Abhiyan* and *Viksit Bharat Abhiyan*. The students of Maitreyi College have also made an active contribution in the success of the G20 presidency where one of our students went as part of the Y20 youth representation group. And I say this with absolute confidence that my address will give only a glimpse into the great accomplishments of our students and faculty.

### ***Academic Accomplishments and Excellence***

Maitreyi College continues to uphold its reputation as a beacon of academic excellence, demonstrating consistent growth in scholarly achievements year after year. Our commitment to nurturing intellectual

curiosity and fostering a culture of innovation has led to the production of high-quality research work and outstanding academic results. This academic year, our college has achieved an outstanding pass rate of 94%, with an impressive 84% of students attaining first division honours across all academic disciplines. Heartfelt commendations are extended to the dedicated efforts of our students, faculty and administrative staff, whose unwavering commitment has led us to this achievement. Two students Gargi Singh from B.Sc. (H) Botany and Manju from B.Sc. (H) Maths have made a mark with their exceptional academic success by securing **second positions** in the University of Delhi's final examinations, boasting a stellar CGPA of 9.77 and 9.743, respectively-

- The academic excellence of Maitreyi College students is also reflected in the recognition they have received from the University of Delhi. 160 students from Maitreyi College have been recipients of various national and state scholarships.
- Not only the students, our faculty has also showcased its intellectual vitality by publishing scholarly books and journal papers. Our faculty members have authored 13 impactful books this year and contributed to 90 research papers, The Faculty members have also published 33 book chapters and presented 21 papers at prestigious national and international forums; our faculty has exemplified excellence in academic inquiry. They have also been recognized at a national level with 7 faculty members being awarded prestigious awards and honours in recognition of their academic, social and cultural contribution. I also want to mention that Dr. Lata Vodval, Department of Chemistry was granted an Indian Patent by The Patent Office, Government of India, 2024.
- The achievements and collaborations of the members of our college this year were recognised internationally this year. Dr. Jyotsna Wasan from the Department of Computer Science earned the prestigious **NIH Postdoctoral Visiting Program Award** at the National Library of Medicine, National Institute of Health, Department of Health and Human Services, USA, with an annual value of **\$91,000 USD**. And it is with great pride that I share this news with you that we have also gained a faculty member- we shall have for the first time an **international faculty on board with us as an Adjunct Professor- Prof Huiru Jane Zheng, School of Computing, Belfast, UK**.
- The Department of Political Science, in collaboration with the Jean Monnet Module, organised an international conference on India, Europe and the Global South. The department received mentorship and financial support from a grant sanctioned to it by one of our distinguished alumnae, Dr. Sheetal Sharma, Associate Professor, Centre for European Studies (CES), Jawaharlal Nehru University (JNU) and Chair, Jean Monnet Module, CES, JNU. The Department of Sociology, in collaboration with Ayurgyan Nyas, organised a two day conference on Approach to Mental Health and Well-being Under NEP2020. Mental Health and Internationalisation are two major parameters of NEP which Maitreyi College has aimed to fulfil.
- It is also noteworthy that two students have completed their PhD, while fifteen are currently undertaking their doctoral studies under the guidance of our faculty members from different departments.
- The collaborative efforts of our faculty and students have culminated in the creation of numerous scholarly publications. Noteworthy are the International Bi-annual, Peer-reviewed and Multidisciplinary Research Journal, **Vantage, Journal of thematic analysis, published by Centre of Research, Maitreyi College and Samvedna**, a bi-annual peer-reviewed e-research magazine having an ISSN number that is published by the Internal Complaints Committee. Additionally, our college magazine, **Maitreyi**, holds an ISBN and ten departmental and society newsletters and magazines were also published in this academic session. We gather today to celebrate the collective launch of these publications, marking a significant milestone

in our journey toward academic excellence. I extend my heartfelt congratulations to our students and faculty members.

- Our non-teaching staff also made Maitreyi College proud by defeating Hansraj College in the final match of the annual Dr. Savita Datta Memorial Cricket Tournament Cup. Nine teams participated in the tournament and Maitreyi College, the defending champions, retained the trophy.
- Sports play a pivotal role in fostering physical fitness, mental well-being and teamwork among students, contributing to their holistic development and overall academic success. Additionally, sports instil values of discipline, resilience and sportsmanship, equipping students with essential life skills that transcend the boundaries of the playing field. And I am very delighted to share that our sports teams won a total of 50 medals in different sports at various inter college and university level National championships this year. In addition to that Maitreyi College in collaboration with the embassy of the Federal republic of Germany organised a 6 days football development programme held in February 2024, for advancement of women's football in India which was supported by the Embassy of the Federal Republic of Germany.
- Apart from pursuing academic excellence, the college has also been continually upgrading its infrastructure to support the teaching-learning process as well as the well-being of students. The college has installed 70 CCTV cameras on campus and has been in process of upgrading campus networking for better connectivity. The college hostel has also been a monumental addition to the college campus which houses 102 students.
- The college library has also seen significant advancement with the addition of RFID (Radio Frequency Identification) system introduced to enhance library services such as RFID scanned security at library entrance. The library has also installed Issue/Return kiosks, along with initiating tagging of books and preparing smart cards for library services/users. These significant technological additions will have a positive impact on the students academic performance.

### ***Capacity Building and Skill Development***

- To further nurture and develop students' talents we equip them with practical skills essential for their personal and professional growth. We do this through interdisciplinary pedagogy, co-curricular activities and the development of employability and research acumen. The college collectively offered 24 SEC and 18 VAC courses from the pool of courses approved by the university to our students to give them various choices, in line with the NEP, bridging the gap between theoretical learning and real-world applications. The college also offered 12 short-term courses to the students tailored to meet the target of employability. Out of these, six were curated, designed and delivered by the faculty members, enhancing both their skills and those of the students. In appreciation of these practices, the college also received the **Value-Based Academic Achievement Award 2024**.
- The cultural societies are an important part of the Maitreyi ethos as they create a vibrant environment for the students and give them the required exposure. The different societies of the college bagged a total of 126 prizes in inter-college and inter-university competitions.
- I also want to mention that our talented student, Aditya R., represented DU at the National Youth Festival and bagged a Gold Medal for performing kathakali.
- I want to congratulate and cheer all student teams of the 46 curricular, co-curricular and extra-curricular societies of college for their splendid performances this year. I wish that you carry on this legacy year after year.

- The Students' Union organised the annual cultural festival of Maitreyi College, Rhapsody, with full adherence to university protocols. Maitreyi College has been the first college in the university to strengthen its entry procedure with indigenous process of generating QR code based E-tickets, in collaboration with NSS Maitreyi. The college has also ensured complete privacy of student and guest data with no personal information entering any public domain. The annual festival of Rhapsody is not only an amalgamation of traditional and modern cultural arts but also a coming together of the entire Maitreyi fraternity where the students, faculty members and the non-teaching staff are invited along with their families to join in the annual celebration. The Students' Union also organised a two-day cultural exchange program from 12 February 2023- 13 February 2023, welcoming students from New Zealand and Australia. The concept of diversity in cultures was celebrated through engaging sessions like Warli art, Rangoli-making and spirited folk dances. The event fostered mutual-understanding and amity, creating lasting memories for all the participants. And it was **Artisto**, the Fine Arts Society of the college that conducted the Warli art workshop for exchange students from Australia and New Zealand.
- Along with imparting various skills, Maitreyi College also prepares students to be future professionals. The Centre for Research, the entrepreneurial societies Enactus and Meraki, the Placement Cell and our alumni are crucial to making our students future-ready.
- The Centre for Research (CFR) and the Advisory Committee for Professional Grooming (ACPG) continue to work in tandem and prepare students for research. Thirty faculty-mentored projects were completed in the Summer Internship Program (SIP) 2023-24. Fifty-eight faculty members trained one hundred and eight students as they completed these projects. The CFR also initiated a new **Vocal for Local** program in 2023, focusing on projects involving campus mapping, documentation and similar activities that enrich students' understanding of the campus.
- Another significant achievement of the college this year was that it was selected for the establishment of **Skill Centre Atharvan** with seed funding of Rs. 8 Lakhs (provided by DU)
- The National Cadet Corps (NCC) at Maitreyi College has continued to show its excellence and spirit of service through its active participation in social initiatives and community service. A testament to their remarkable dedication, the Junior Under Officer Navya Baisoya received the DG Medallion and CHM Hanshika Sharma received the ADG recommendation. All the cadets of 2022-2023 received an 'A' grade in their C certificate exams, a hallmark of excellence.
- The preparedness of our students is well reflected in the placements achieved this year. The Maitreyi College Placement Cell organised various activities to bridge the gap between academia and industry.

This year, 277 students registered with the placement cell who were allowed to interact with 103 plus companies that came to Maitreyi for placement during the fare "Envision". A total of 106 students were successfully placed in prominent positions, while 246 were offered internships in this academic session. Xalts offered a package of 20 LPA to our student.
- We focus not simply on helping our students find jobs but also on helping them create jobs by mentoring them in entrepreneurship. Meraki, the entrepreneurship cell, continued to provide a dynamic platform to budding entrepreneurs by taking forward its flagship, Startup Bazaar. The Bazaar was a testament to our students' creative and enterprising skills as it witnessed financial transactions worth lakhs of rupees amongst the college students.

- Enactus Maitreyi, a student-led non-profit organisation, aims to uplift marginalised communities through entrepreneurial action and innovative business practices. Therefore, it practises and promotes **social entrepreneurship**. The beneficiaries of two main Enactus projects, **Project Misbah** and **Project Swarnim**, are economically marginalised and rehabilitated women.
- A startup by an alumnus of Maitreyi college was selected and recognized by the Vice Chancellor of DU and the CEO of the Udit Udhmodya Foundation from among 60 start-ups. It is the first start-up to become operational from the Udhmodaya building.

### ***Eco- entrepreneurship***

- Raising awareness about the environment has been a part of the learning cycle at Maitreyi for several years now. But this year we decided to take a step further and create Eco-entrepreneurs just as we create social entrepreneurs. I take immense pride in mentioning the strides Maitreyi took in eco-entrepreneurship. Three start-up initiatives deserve a special mention. A start-up initiative for the cultivation of mushrooms by the Department of Botany, **“Chatraka: the Mushroom Haven,”** established a functional Mushroom facility of button mushrooms and several types of exotic oyster mushrooms (white, grey, pink, king) in the college for supporting both academic and entrepreneurial causes. **“Kasturi Herbals”**, launched by the Department of Chemistry provides 100% natural and herbal handmade soaps, *ubtans and* face packs and nurtures the students’ entrepreneurship temperament. Under **“Gulistan”**, students make many products from the flowers grain within the college campus. Notable among their products were notepads that were gifted by the Student Union to the teaching faculty. In designing the notepads the students used flower petals and leaves from the gardens on campus. They further generated QR codes with all information about these plants. This exercise reflects a true amalgamation of knowledge, teaching and gratitude on one hand while technology, ecology and entrepreneurship on the other.

### ***Inclusiveness and Outreach***

Maitreyi College is known for its active initiative towards inclusivity and spirit of equal opportunity. We have introduced more initiatives to ensure that the college continues fostering the spirit of inclusion in all aspects. We have been a Centre for **Special Olympics** for seven years now and this year, we have even signed an MoU with **Special Olympic Bharat** for five years for Basketball and Football. Under this scheme, we offer disabled sports persons infrastructural support, student volunteers and ground men for imparting training sessions with their coaches. It merits a special mention that we are also the only college in the university to include special children in our annual sports festival, Aghaaz.

- We have undertaken several steps to make our campus more accessible. Some initiatives include Google mapping our classrooms and creating QR codes for the location pins. The college has also created a one-point solution app for all information about the college designed by the alumni, students and faculty-the **Uniway App**. As **Sugamya Bharat Abhiyan**, Sugmaya Maitreyi is a part of the Uniway app, which makes all the rooms’ QR codes easily accessible to disabled students. Our commitment to inclusivity goes beyond the campus. The students of Maitreyi College participated as volunteers in the **Divya Utsav**, the first-of-its-kind festival organised in Delhi for the disabled by the Delhi Disability Commissioner. They also volunteered in **the Purple Fest**, a National level festival for the Disabled organised by the Ministry of Social Justice and hosted in the Rashtrapati Bhavan. The team of volunteers from Maitreyi was a part of the core organising committee and singularly responsible for making the festival accessible through QR code generation. They also created an app called **Iway** to help disabled visitors navigate the festival smoothly.

- The Enabling Unit of our college has recorded more than 50 books/chapters/study materials for Print Disabled individuals in the form of e-content. This invaluable resource is freely accessible to those in need, regardless of location. Enabling Unit also provides writer facilities for the UGC-NET Examination to PwD candidates at the Maitreyi College Centre.
- The hard work and dedication of the students of Maitreyi earned an invitation to volunteer for the organisation of the highest literary award in India, the Jnanpith Award Ceremony. Their skills and abilities were specially recognized by the organisers of the event and this is a moment of great pride for the entire Maitreyi College.
- Under the **Unnat Bharat Campaign** our students and faculty members visited Thora Village in Greater Noida and conducted a medical camp in collaboration with Rotaract and Apollo hospitals. More than 200 villagers were made aware of and given health check-ups in this camp. Through such initiatives, the college students do their bit to give back to the society.

### *Gardens on campus*

- The college participated in 14 categories and won 14 significant prizes in the University Annual Flower Show 2024, DU such as, **“Best College Garden in University- Department of Persian Cup”** and **“Flower Show Committee Cup for Best Bottle Garden”**. The college also won prizes in the category of **Rose Garden, Lawn, Greenery and Cleanliness of Campus**. The college participated in the potted plants category for the first time and won several prizes in the category of potted Succulents, potted Herbal Plants, Potted vegetable plants and in the Cacti Section. The hard work of the Malis was appreciated and this year, Sh. Kishan Lal was awarded with the Best Mali award. This year’s highlight was installing a water fountain that added a refreshing ambiance to the garden. A plant-based peacock figurine was also added, giving an elegant touch to the main lawn. This year, several plantation drives were conducted and several herbs, shrubs and trees were added to the college’s rich flora collection. I express my heartfelt gratitude to the entire garden committee and our gardeners for their dedicated hard work throughout the year, making the Maitreyi campus come alive with natural beauty.
- **Prakriti** - the Eco-Club of college initiated **“NUTRIBIOME”**- an organic nutrition garden to educate college students about the sustainable model contributing to food security, to promote nutrition and healthy lifestyle awareness and actions leading to behavioural change of the students. A Government of India sponsored National Workshop was organised by the Environmental Pollution Laboratory (EPL), Department of Environmental Studies, University of Delhi, in collaboration with the Maitreyi Eco-Club -**Prakriti**.
- In recognition of these efforts the college was honoured with the **National Environmental Education and Awareness Award 2023**.
- The college has been active as an NCWEB centre and catered to 1200 young women students on its campus. This year was significant for Maitreyi as the college opened its doors to an additional 2000 students and became a centre for the School of Open Learning. The college now remains active seven days a week, ensuring that the spirit of learning and the vibrancy of young learners graces its campus even on Sundays. The smooth functioning of these centres at the College has received acknowledgment from the University of Delhi. I thank and congratulate the teaching and non-teaching staff of the college for their contribution towards ensuring that our NCWEB centre continues to empower women through accessible and inclusive educational pathways.

- Two of our alumni have cleared the UPSC examination and two students have qualified for the UPPSC which makes the entire institution proud. They are, Harshita Sharma, securing rank 214, a B.Sc (H) Zoology student (2010-2013) and Manisha Janghu, a student of B.Sc. (H) Chemistry (2017-2020) securing rank 247 in the Civil Services Examination, Ms. Swati Yadav, a student of B.Sc. (H) Physics (2013-2016) for securing rank 42 in UPPSC and Manvi Chaudhary, a student of B.Sc. (H) Mathematics (2018-21) securing rank 48 in the UPPSC. We congratulate them on their success and hope they deliver their duties as civil servants to the best of their abilities. I am certain our talented alumni are earning many accolades even though we may have not been able to collate all their remarkable achievements, which will only increase in number as we grow as an institution. I extend my sincerest wishes to our alumni, who continue to make us proud.
- At Maitreyi, we work together as a closely-knit unit. So when it is time for some amongst us to bid farewell, it indeed is a tender moment. The college was deeply saddened to lose one of its valued members, Prof. Renu Gupta, whose sudden demise has left a deep void in the Maitreyi College fraternity.
- Some of our colleagues also retired from service and we always wish them the very best! This year, 4 faculty members and 3 members from the non-teaching staff retired. Dr. Alka B. Vadakan (Department of Botany), Dr. Prachi Baghla (Department of Commerce), Dr. Versha Goel (Department of Zoology) and Dr. Veena Misra (Department of Physics) are the members of the faculty who retired this year. From the non-teaching staff, Mrs. Bimla Devi from the library, Sh. Durga Das and Sh. Jagdish Prasad from the chemistry labs retired. We are grateful for their significant contribution to this institution and wish them the very best in their future endeavours.

While Maitreyi College's achievements continue, I now draw my speech to a close. On this 57th Annual Day, I hope the tradition of academic distinction and holistic development continues to scale even greater heights, reminding us to strive for excellence and embrace the journey of lifelong learning and growth. I'd like to thank the IQAC committee for their hard work in compiling the annual report, the Students' Union convenors and their entire team, the convenors and members of all college committees and the tireless efforts of the non-teaching staff, who have ensured Maitreyi College's continual growth. Our collective efforts have ensured the successful completion of this academic year. I would like to end my address with these poetic words that encompass my sentiments for this institution.

नवागत का हम करें स्वागत करबद्ध करें सत्कार

## प्राचार्या संबोधन

### प्रो. हरित्मा चोपड़ा

हम मैत्रेयी कॉलेज के 57वें वार्षिक दिवस के उपलक्ष्य में एकजुट हैं, यह हम सबका प्रिय संस्थान है जिसे अक्सर प्यार से मैत्रेयी कुटुंब कहा जाता है। प्रत्येक वर्ष यह अवसर हमारे साझा प्रयासों और उपलब्धियों का प्रमाण होता है। हमारी उपलब्धियाँ केवल अकादमिक तक ही सीमित नहीं हैं, बल्कि मैत्रेयी कॉलेज कौशल विकास कार्यक्रम, सांस्कृतिक समाज, उद्यमिता प्रकोष्ठ और सामाजिक पहुंच जैसी नवाचारों के माध्यम से अपनी छात्राओं के समग्र विकास के लिए प्रतिबद्ध है। हम छात्राओं को कक्षा के दायरे से परे अपनी रुचियों और प्रतिभाओं को तलाशने के अवसर प्रदान करने का प्रयास करते हैं। इसके अतिरिक्त, समावेशिता और आउटरीच के प्रति हमारी प्रतिबद्धता परिसर को सुलभ बनाने के हमारे प्रयासों और विभिन्न सामाजिक नवाचारों में हमारी भागीदारी में परिलक्षित होती है। मैत्रेयी कॉलेज के एक गौरवान्वित प्रतिनिधि के रूप में, मैं इस विशेष कार्यक्रम में शामिल होने वाले सभी सम्मानित अतिथियों का हार्दिक स्वागत करती हूँ।

हम अपने मुख्य अतिथि दिल्ली विश्वविद्यालय के डीन ऑफ कॉलेजज प्रो. बलराम पाणि सर को अपने बीच पाकर सम्मानित महसूस कर रहे हैं। स्वागत है, सर ! हम अपने मुख्य अतिथि मैत्रेयी कॉलेज की गवर्निंग बॉडी की कोषाध्यक्ष प्रो अनु जी अग्रवाल और गवर्निंग बॉडी की हमारी सम्मानित अध्यक्ष प्रो. विजया लक्ष्मी सिंह, जो आज के कार्यक्रम की अध्यक्षता कर रही हैं, का हार्दिक स्वागत करते हैं।

हमारे मुख्य अतिथि प्रो. बलराम पाणि दिल्ली विश्वविद्यालय में डीन ऑफ कॉलेजेज होने के साथ साथ एनसीवेब के अध्यक्ष भी हैं। प्रिंसिपल के रूप में प्रो. पाणि के नेतृत्व में, भास्कराचार्य कॉलेज ऑफ एप्लाइड साइंसेज दिल्ली विश्वविद्यालय ने भी महान ऊंचाइयों को छुआ। एक शिक्षाविद के रूप में, प्रो. पाणि ने रसायन विज्ञान के क्षेत्र में एक अलग पहचान बनाई है। उनके नाम 50 से अधिक प्रकाशन और कई परियोजनाएं हैं और उन्होंने कई पीएचडी विद्वानों का पर्यवेक्षण किया है। प्रो. पाणि के शोध को दिल्ली विश्वविद्यालय नवाचार परियोजना द्वारा प्रायोजित 'To Explore Potential of Biosimilars as Cost-Effective Therapeutic Products' ('लागत-प्रभावी चिकित्सीय उत्पादों के रूप में बायोसिमिलर की क्षमता का पता लगाना') परियोजना के लिए "सबसे आशाजनक नवाचार" की उपाधि से भी सम्मानित किया गया। हम आभारी हैं कि आपने हमारे बीच उपस्थित होने और हमारे युवा उपलब्धि प्राप्त करने वालों को प्रोत्साहित करने की सहमति दी ! प्रो. पाणि को लंदन में यूनाइटेड किंगडम की संसद, हाउस ऑफ लॉर्ड्स में आयोजित समारोह में सोल ऑफ इंडिया अवार्ड 2023 से सम्मानित किया गया।

मैत्रेयी कॉलेज की गवर्निंग बॉडी की कोषाध्यक्ष, प्रो. अनु अग्रवाल को हमारे साथ अतिथि के रूप में पाकर खुशी हो रही है। वह ऑपरेशनल रिसर्च विभाग में प्रोफेसर हैं। उनके शोध के क्षेत्र में सॉफ्टवेयर विश्वसनीयता, डेटा संचालित मार्केटिंग, मार्केटिंग रिसर्च और मार्केटिंग विश्लेषण शामिल हैं। एक प्रतिष्ठित शिक्षाविद, प्रो. अग्रवाल ने अकादमिक पत्रिकाओं, पुस्तकों और अन्य प्रतिष्ठित मंचों के लिये प्रकाशन किए हैं। विभिन्न अन्य परियोजनाओं के अलावा, उनके पास "ई-कॉमर्स में ग्राहक समीक्षाओं की भूमिका और उपयोग" नामक एक महत्वपूर्ण परियोजना भी है। अपने उज्ज्वल शैक्षणिक कार्यों के अलावा, प्रो. अग्रवाल ने महान प्रशासनिक योगदान भी दिया है। आपको अपने बीच पाकर हम गौरवान्वित हैं।

आज के कार्यक्रम की अध्यक्षता करते हुए, हमारे साथ मैत्रेयी कॉलेज की गवर्निंग बॉडी की प्रख्यात अध्यक्ष प्रो. विजया लक्ष्मी सिंह हैं। प्रो. सिंह 2010-2014 तक दिल्ली विश्वविद्यालय में उच्च शिक्षा में व्यावसायिक विकास केंद्र, CPDHE की निदेशक थीं। वर्तमान में, वह दिल्ली विश्वविद्यालय के सामाजिक विज्ञान संकाय के इतिहास विभाग में प्रोफेसर हैं। प्रो. सिंह ने प्राचीन भारतीय इतिहास, पुरातत्व (शहरीकरण), संस्कृति और जेंडर के क्षेत्र में उत्कृष्ट शोध किया है। उनके नाम 6 पुस्तक प्रकाशन, सहकर्मि-समीक्षित राष्ट्रीय और अंतर्राष्ट्रीय पत्रिकाओं में लगभग 28 शोध लेख प्रकाशन और कई पुस्तक अध्याय हैं। प्रो. सिंह की नवीनतम प्रकाशन पुस्तक काशी बनारस: पवित्र और अपवित्र है, जो 2022 में प्रकाशित हुई थी। उन्होंने विभिन्न सरकारी संस्थानों और समितियों में कई महत्वपूर्ण प्रशासनिक और सलाहकार पदों पर भी कार्य किया है। प्रो. सिंह एक बहुमुखी व्यक्तित्व हैं। हमें अपने बीच ऐसे बहुआयामी व्यक्तित्व को पाकर गर्व है। हम आपका स्वागत करते हैं मैडम!

जैसा कि हम एक और शैक्षणिक वर्ष पूरा कर रहे हैं, यह पूर्ण विश्वास और अपार गर्व के साथ है कि हम उत्कृष्टता की खोज और शैक्षणिक और सांस्कृतिक उपलब्धियों के प्रति प्रतिबद्धता के मार्ग पर सफलतापूर्वक आगे बढ़ रहे हैं। दिल्ली विश्वविद्यालय द्वारा अपनाई गई राष्ट्रीय शिक्षा नीति के दृष्टिकोण के अनुरूप, मैत्रेयी कॉलेज उन छात्राओं को तैयार करने के लिए समर्पित है जो भारत के दृष्टिकोण को साकार करने में योगदान दे सकते हैं। राष्ट्रीय शिक्षा नीति (NEP) 2020 की नींव पाँच मार्गदर्शक स्तंभों पर टिकी हुई है: पहुँच, समानता, गुणवत्ता, सामर्थ्य और जवाबदेही, जो हमारे लिए निरंतर मार्गदर्शक सिद्धांतों के रूप में भी कार्य करते हैं और हमारे कॉलेज में आयोजित वार्षिक गतिविधियों में अच्छी तरह से परिलक्षित होते हैं। हमारे कॉलेज का कामकाज हमेशा छात्राओं, शिक्षकों और प्रशासनिक कर्मचारियों के बीच सामंजस्यपूर्ण और सहभागिता अभ्यास रहा है। इस वर्ष, कॉलेज ने अकादमिक उत्कृष्टता के सुचारु वितरण को सुनिश्चित करने के लिए 14 विभागों में कुल 89 स्थायी संकाय सदस्यों की नियुक्ति की है। मैं अपने परिवार के इन नए सदस्यों का हार्दिक स्वागत करती हूँ जो पहली बार इस वार्षिक दिवस में भाग ले रहे हैं।

पिछले शैक्षणिक सत्र में हमने NAAC द्वारा A++ मान्यता प्राप्त करने, राष्ट्रीय शिक्षा नीति (NEP) के प्रथम वर्ष में सफलतापूर्वक प्रवेश करने तथा परिसर में एक नए छात्रावास का उद्घाटन करने की खुशी महसूस की। हमने कई उपलब्धियाँ हासिल कीं तथा इस वर्ष हमें नई ऊंचाइयों को छूना है। हमने अपने दिल में दृढ़ संकल्प के साथ खुद को एक महान भारत के दृष्टिकोण के साथ जोड़ने का काम किया तथा उन्नत भारत अभियान, सुगम्य भारत अभियान तथा विकसित भारत अभियान जैसे प्रमुख राष्ट्रीय कार्यक्रमों में योगदान देने के लिए अपने स्वयं के कार्यक्रम बनाए। मैत्रेयी कॉलेज की छात्राओं ने भी G20 प्रेसीडेंसी की सफलता में सक्रिय योगदान

दिया है, जहाँ हमारे छात्र Y20 युवा प्रतिनिधित्व समूह के हिस्से के रूप में गए थे। मैं यह पूर्ण विश्वास के साथ कहती हूँ कि मेरा संबोधन हमारी छात्राओं और शिक्षकों की महान उपलब्धियों की केवल एक झलक मात्र होगा।

## शैक्षणिक उपलब्धियाँ और उत्कृष्टता

- मैत्रेयी कॉलेज अकादमिक उत्कृष्टता के प्रतीक के रूप में अपनी प्रतिष्ठा को बनाए रखता है, जो साल दर साल विद्वानों की उपलब्धियों में निरंतर वृद्धि दर्शाता है। बौद्धिक जिज्ञासा को पोषित करने और नवाचार की संस्कृति को बढ़ावा देने की हमारी प्रतिबद्धता ने उच्च गुणवत्ता वाले शोध कार्य और उत्कृष्ट शैक्षणिक परिणामों को दिखाया गया है। इस शैक्षणिक वर्ष में, हमारे कॉलेज ने 94% की उत्कृष्ट उत्तीर्ण दर हासिल की है, जिसमें 84% छात्रों ने सभी शैक्षणिक विषयों में प्रथम श्रेणी में सम्मान प्राप्त किया है। हम छात्राओं, शिक्षकों और प्रशासनिक कर्मचारियों के समर्पित प्रयासों की हार्दिक सराहना करते हैं, जिनकी अटूट प्रतिबद्धता ने हमें इस उपलब्धि तक पहुँचाया है। दो छात्राएँ गार्गी सिंह बी.एस.सी. (ऑनर्स) वनस्पति विज्ञान से और मंजू बी.एस.सी. (ऑनर्स) गणित ने दिल्ली विश्वविद्यालय की अंतिम परीक्षाओं में **दूसरा स्थान** प्राप्त करके अपनी असाधारण शैक्षणिक सफलता के साथ अपनी पहचान बनाई है, जिसमें क्रमशः 9.77 और 9.743 का शानदार सीजीपीए है।
- मैत्रेयी कॉलेज की छात्राओं की शैक्षणिक उत्कृष्टता दिल्ली विश्वविद्यालय से प्राप्त मान्यता में भी परिलक्षित होती है। मैत्रेयी कॉलेज की 160 छात्राएँ विभिन्न राष्ट्रीय और राज्य छात्रवृत्तियों की प्राप्तकर्ता रही हैं।
- केवल छात्राएँ ही नहीं, हमारे संकाय ने भी विद्वत्तापूर्ण पुस्तकें और जर्नल पेपर प्रकाशित करके अपनी बौद्धिक जीवंतता का प्रदर्शन किया है। हमारे संकाय सदस्यों ने इस वर्ष 13 पुस्तकें लिखी हैं और 90 शोध पत्रों में योगदान दिया है। संकाय सदस्यों ने प्रतिष्ठित राष्ट्रीय और अंतर्राष्ट्रीय मंचों पर 33 पुस्तक अध्याय और 21 पेपर प्रस्तुतियाँ भी प्रकाशित की हैं; हमारे संकाय ने शैक्षणिक जांच में उत्कृष्टता का उदाहरण प्रस्तुत किया है। उन्हें राष्ट्रीय स्तर पर भी मान्यता मिली है, जिसमें 7 संकाय सदस्यों को उनके शैक्षणिक, सामाजिक और सांस्कृतिक योगदान के लिए प्रतिष्ठित पुरस्कारों और सम्मानों से सम्मानित किया गया है। मैं यह भी उल्लेख करना चाहती हूँ कि डॉ. लता वोडवाल, रसायन विज्ञान विभाग को पेटेंट कार्यालय, भारत सरकार द्वारा 2024 का भारतीय पेटेंट प्रदान किया गया है।
- इस वर्ष हमारे कॉलेज के सदस्यों की उपलब्धियों और सहयोग को अंतर्राष्ट्रीय स्तर पर मान्यता मिली। कंप्यूटर विज्ञान विभाग की डॉ. ज्योत्सना वासन ने नेशनल लाइब्रेरी ऑफ मेडिसिन, नेशनल इंस्टीट्यूट ऑफ हेल्थ, डिपार्टमेंट ऑफ हेल्थ एंड ह्यूमन सर्विसेज, यूएसए में प्रतिष्ठित **एनआईएच पोस्टडॉक्टरल विजिटिंग प्रोग्राम अवार्ड** जीता, जिसका वार्षिक मूल्य \$91,000 यूएसडी है। और यह बहुत गर्व की बात है कि मुझे यह खबर आपके साथ साझा करते हुए खुशी हो रही है कि **हमें एक संकाय सदस्य भी मिला है- पहली बार हमारे साथ एक अंतर्राष्ट्रीय संकाय अनुबद्ध प्रोफेसर - प्रोफेसर हुइरू जेन झोंग, स्कूल ऑफ कंप्यूटिंग, बेलफास्ट, यूकेके रूप में जुड़ेंगे।**
- राजनीति विज्ञान विभाग ने जीन मोनेट मॉड्यूल के सहयोग से भारत, यूरोप और ग्लोबल साउथ पर एक अंतर्राष्ट्रीय सम्मेलन आयोजित किया। विभाग को हमारे एक प्रतिष्ठित पूर्व छात्र, डॉ. शीतल शर्मा, एसोसिएट प्रोफेसर, सेंटर फॉर यूरोपियन स्टडीज (सीईएस), जवाहरलाल नेहरू विश्वविद्यालय (जेएनयू) और चेयर, जीन मोनेट मॉड्यूल, सीईएस, जेएनयू द्वारा स्वीकृत अनुदान से मार्गदर्शन और वित्तीय सहायता मिली। समाजशास्त्र विभाग ने आयुर्ज्ञान न्यास के सहयोग से एनईपी, 2020 के तहत मानसिक स्वास्थ्य और कल्याण के दृष्टिकोण पर दो दिवसीय सम्मेलन का आयोजन किया। मानसिक स्वास्थ्य और अंतर्राष्ट्रीयकरण एनईपी के दो प्रमुख पैरामीटर हैं जिन्हें मैत्रेयी कॉलेज ने पूरा करने का लक्ष्य रखा है।
- यह भी उल्लेखनीय है कि दो छात्रों ने अपनी पीएचडी पूरी कर ली है, जबकि पंद्रह छात्र वर्तमान में विभिन्न विभागों के हमारे संकाय सदस्यों के मार्गदर्शन में अपनी डॉक्टरेट की पढ़ाई कर रहे हैं।
- हमारे संकाय और छात्रों के संयुक्त प्रयासों से कई विद्वत्तापूर्ण प्रकाशनों का निर्माण हुआ है। उल्लेखनीय हैं अंतर्राष्ट्रीय द्वि-वार्षिक, सहकर्मी-समीक्षित और बहु-विषयक शोध पत्रिका, **वैंटेज, विषयगत विश्लेषण की पत्रिका, जो मैत्रेयी कॉलेज के अनुसंधान केंद्र द्वारा प्रकाशित की जाती है और संवेदना, एक द्वि-वार्षिक सहकर्मी-समीक्षित ई-शोध पत्रिका है जिसका आईएसएसएन नंबर है और**

जिसे आंतरिक शिकायत समिति द्वारा प्रकाशित किया जाता है। इसके अतिरिक्त, हमारी कॉलेज पत्रिका, **मैत्रेयी**, एक आईएसबीएन और दस विभागीय और समाज समाचार पत्र और पत्रिकाएँ भी हैं। हम आज इन प्रकाशनों के सामूहिक लॉन्च का जश्न मनाने के लिए एकत्र हुए हैं, जो अकादमिक उत्कृष्टता की ओर हमारी यात्रा में एक महत्वपूर्ण मील का पत्थर है। मैं अपनी छात्राओं और संकाय सदस्यों को हार्दिक बधाई देती हूँ।

- हमारे गैर-शिक्षण कर्मचारियों ने भी वार्षिक डॉ. सविता दत्ता मेमोरियल क्रिकेट टूर्नामेंट कप के फाइनल मैच में हंसराज कॉलेज को हराकर मैत्रेयी कॉलेज को गौरवान्वित किया। टूर्नामेंट में नौ टीमों ने भाग लिया और गत विजेता मैत्रेयी कॉलेज ने ट्रॉफी अपने पास बरकरार रखी।
- खेल छात्राओं के बीच शारीरिक फिटनेस, मानसिक स्वास्थ्य और टीम वर्क को बढ़ावा देने में महत्वपूर्ण भूमिका निभाते हैं, जो उनके समग्र विकास और समग्र शैक्षणिक सफलता में योगदान करते हैं। इसके अतिरिक्त, खेल अनुशासन, लचीलापन और खेल कौशल के मूल्यों को विकसित करते हैं, छात्रों को आवश्यक जीवन कौशल से लैस करते हैं जो खेल के मैदान की सीमाओं को पार करते हैं। और मुझे यह बताते हुए बहुत खुशी हो रही है कि हमारी खेल टीमों ने इस साल विभिन्न अंतर महाविद्यालय और विश्वविद्यालय स्तर की राष्ट्रीय चैंपियनशिप में विभिन्न खेलों में कुल 50 पदक जीते। इसके अलावा मैत्रेयी कॉलेज ने जर्मनी के संघीय गणराज्य के दूतावास के सहयोग से भारत में महिला फुटबॉल को बढ़ावा देने के लिए फरवरी 2024 में आयोजित 6 दिवसीय फुटबॉल विकास कार्यक्रम का आयोजन किया, जिसे जर्मनी के संघीय गणराज्य के दूतावास ने समर्थन दिया।
- शैक्षणिक उत्कृष्टता को आगे बढ़ाने के अलावा, कॉलेज शिक्षण-अधिगम प्रक्रिया के साथ-साथ छात्राओं के कल्याण का समर्थन करने के लिए अपने बुनियादी ढांचे को भी लगातार उन्नत कर रहा है। कॉलेज ने परिसर में 70 सीसीटीवी कैमरे लगाए हैं और बेहतर कनेक्टिविटी के लिए परिसर नेटवर्किंग को अपग्रेड करने की प्रक्रिया में है। कॉलेज छात्रावास भी कॉलेज परिसर में एक उल्लेखनीय वृद्धि है जिसमें 102 छात्राएँ रहती हैं।
- कॉलेज लाइब्रेरी में भी महत्वपूर्ण प्रगति देखी गई है, जिसमें लाइब्रेरी प्रवेश द्वार पर RFID स्कैन की गई सुरक्षा जैसी पुस्तकालय सेवाओं को बढ़ाने के लिए RFID (रेडियो फ्रीक्वेंसी आइडेंटिफिकेशन) सिस्टम को जोड़ा गया है। पुस्तकालय ने पुस्तकों की टैगिंग शुरू करने और पुस्तकालय सेवाओं/उपयोगकर्ताओं के लिए स्मार्ट कार्ड तैयार करने के साथ-साथ इश्यू/रिटर्न कियोस्क भी स्थापित किए हैं। इन महत्वपूर्ण तकनीकी परिवर्धन का छात्राओं के शैक्षणिक प्रदर्शन पर सकारात्मक प्रभाव पड़ेगा।

## क्षमता निर्माण एवं कौशल विकास

- छात्राओं की प्रतिभा को और निखारने और विकसित करने के लिए हम उन्हें उनके व्यक्तिगत और व्यावसायिक विकास के लिए आवश्यक व्यावहारिक कौशल के अवसर उपलब्ध कराते हैं। हम अंतःविषयक शिक्षाशास्त्र, सह-पाठ्यक्रम गतिविधियों, रोजगार और शोध कौशल के विकास के माध्यम से ऐसा करते हैं। कॉलेज ने सामूहिक रूप से हमारी छात्राओं को विश्वविद्यालय द्वारा अनुमोदित पाठ्यक्रमों के पूल से 24 कौशल संवर्धन पाठ्यक्रम (SEC) और 18 मूल्य संवर्धन पाठ्यक्रम (VAC) प्रदान किए, ताकि उन्हें राष्ट्रीय शिक्षा नीति (NEP) के अनुरूप विभिन्न विकल्प दिए जा सकें, जिससे सैद्धांतिक शिक्षा और वास्तविक दुनिया के अनुप्रयोगों के बीच समन्वय स्थापित किया जा सके। कॉलेज ने छात्राओं को रोजगार के लक्ष्य को पूरा करने के लिए तैयार किए गए 12 अल्पकालिक पाठ्यक्रम भी प्रदान किए। इनमें से छह पाठ्यक्रमों को संकाय सदस्यों द्वारा क्यूरेट, डिज़ाइन और वितरित किया गया, जिससे उनके और छात्राओं के कौशल में वृद्धि हुई। इसके प्रोत्साहन में, कॉलेज को **Value-based Academic Achievement Award 2024 (मूल्य-आधारित शैक्षणिक उपलब्धि पुरस्कार 2024)** भी मिला।
- सांस्कृतिक समितियाँ मैत्रेयी लोकाचार का एक महत्वपूर्ण हिस्सा हैं क्योंकि वे छात्राओं के लिए एक जीवंत वातावरण बनाते हैं और नए अवसरों के लिए उनका मार्गदर्शन करते हैं। कॉलेज की विभिन्न समितियों ने अंतर-कॉलेज और अंतर-विश्वविद्यालय प्रतियोगिताओं में कुल 126 पुरस्कार जीते।

- मैं हर्ष के साथ यह बताना चाहती हूँ कि हमारी प्रतिभाशाली छात्रा आदित्य आर. ने राष्ट्रीय युवा महोत्सव में डीयू का प्रतिनिधित्व किया और कथकली प्रस्तुति के लिए स्वर्ण पदक जीता।
  - मैं कॉलेज की 46 पाठ्यचर्या, सह-पाठ्यचर्या और पाठ्येतर समितियों की सभी छात्रा टीमों को इस वर्ष उनके शानदार प्रदर्शन के लिए बधाई और उत्साहवर्धन करना चाहती हूँ। मेरी इच्छा है कि आप इस विरासत को प्रतिवर्ष बढ़ाएँ।
  - छात्रा संघ ने मैत्रेयी कॉलेज के वार्षिक सांस्कृतिक उत्सव 'रैप्सोडी' का आयोजन विश्वविद्यालय के प्रोटोकॉल का पूर्ण पालन करते हुए किया। मैत्रेयी कॉलेज एनएसएस मैत्रेयी के सहयोग से क्यूआर कोड आधारित ई-टिकट बनाने की स्वदेशी प्रक्रिया के साथ अपनी प्रवेश प्रक्रिया को मजबूत करने वाला विश्वविद्यालय का पहला कॉलेज रहा है। कॉलेज ने छात्र और अतिथि डेटा की पूर्ण गोपनीयता भी सुनिश्चित की है और कोई भी व्यक्तिगत जानकारी किसी भी सार्वजनिक डोमेन में प्रवेश नहीं करती है। रैप्सोडी का वार्षिक उत्सव न केवल पारंपरिक और आधुनिक सांस्कृतिक कलाओं का संगम है, बल्कि संपूर्ण मैत्रेयी कुटुंब का एक साथ एक मंच पर आना भी है, जहाँ छात्राओं, संकाय सदस्यों और गैर-शिक्षण कर्मचारियों को उनके परिवारों के साथ वार्षिक उत्सव में शामिल होने के लिए आमंत्रित किया गया। छात्रा संघ ने 12 फरवरी 2023- 13 फरवरी 2023 तक दो दिवसीय सांस्कृतिक प्रतिदान कार्यक्रम का भी आयोजन किया, जिसमें न्यूजीलैंड और ऑस्ट्रेलिया के छात्रों का स्वागत किया गया। संस्कृतियों में विविधता की अवधारणा को वारली कला, रंगोली बनाने और जोशीले लोक नृत्य जैसे आकर्षक सत्रों के माध्यम से मनाया गया। इस कार्यक्रम ने आपसी समझ और सौहार्द को बढ़ावा दिया, सभी प्रतिभागियों के लिए यह समय अविस्मरणीय रहा। यह कार्यशाला कॉलेज की ललित कला समिति आर्टिस्टो द्वारा आयोजित की गई।
  - विभिन्न कौशल प्रदान करने के साथ-साथ मैत्रेयी कॉलेज छात्राओं को भविष्य के पेशेवर बनने के लिए भी तैयार करता है। रिसर्च सेंटर, उद्यमी समिति एनकटस और मेराकी, प्लेसमेंट सेल और हमारी पूर्व छात्राएं हमारी छात्राओं को भविष्य के लिए तैयार करने में महत्वपूर्ण भूमिका निभाती हैं।
  - रिसर्च सेंटर (CFR) और सलाहकार समिति (ACPG) प्रोफेशनल ग्रूमिंग के लिए मिलकर काम करना सही समझते हैं और छात्राओं को शोध के लिए तैयार करते हैं। समर इंटरनशिप प्रोग्राम (SIP) 2023-24 में तीस फैकल्टी-मेंटर्ड प्रोजेक्ट पूरे किए गए। इनको पूरा करने के दौरान अट्टावन फैकल्टी सदस्यों ने एक सौ आठ छात्राओं को प्रशिक्षित किया। केन्द्रीय शोध केन्द्र (CFR) ने 2023 में एक नया वोकल फॉर लोकल प्रोग्राम भी शुरू किया, जिसमें कैंपस मैपिंग, डॉक्यूमेंटेशन और इसी तरह की गतिविधियों से जुड़ी परियोजनाओं पर ध्यान केंद्रित किया गया, जो छात्राओं की कैंपस की समझ को समृद्ध करती हैं।
  - इस वर्ष कॉलेज की एक और महत्वपूर्ण उपलब्धि यह रही कि इसे 1.5 करोड़ रुपये की सीड फंडिंग के साथ स्किल सेंटर अथर्वण की स्थापना के लिए चुना गया। 8 लाख रुपये (दिल्ली विश्वविद्यालय द्वारा प्रदान किये गये)।
  - मैत्रेयी कॉलेज में राष्ट्रीय कैडेट कोर (एनसीसी) ने सामाजिक पहल और सामुदायिक सेवा में अपनी सक्रिय भागीदारी के माध्यम से अपनी उत्कृष्टता और सेवा की भावना को दिखाया। उनके उल्लेखनीय समर्पण का प्रमाण है कि जूनियर अंडर ऑफिसर नव्या बैसोया को डीजी मेडल और सीएचएम हंसिका शर्मा को एडीजी अनुशंसा मिली। 2022-2023 के सभी कैडेटों को उनकी सी सर्टिफिकेट परीक्षाओं में 'ए' ग्रेड मिला, जो उत्कृष्टता की पहचान है।
  - हमारी छात्राओं की तैयारी इस वर्ष प्राप्त प्लेसमेंट में अच्छी तरह से परिलक्षित होती है। मैत्रेयी कॉलेज प्लेसमेंट सेल ने शिक्षा और उद्योग के बीच सामंजस्य स्थापित करने के लिए विभिन्न गतिविधियों का आयोजन किया।
- इस वर्ष, प्लेसमेंट सेल में 277 छात्राओं ने पंजीकरण कराया, जिन्हें मेले "एनविज़न" के दौरान प्लेसमेंट के लिए मैत्रेयी में आई 103 से अधिक कंपनियों के साथ बातचीत करने की अनुमति दी गई। कुल 106 छात्राओं को प्रमुख पदों पर सफलतापूर्वक रखा गया, जबकि इस शैक्षणिक सत्र में 246 को इंटरनशिप की पेशकश की गई। ज़ाल्ट्स ने हमारी छात्राओं को 20 लाख रुपये प्रति वर्ष का पैकेज दिया।
- हम अपनी छात्राओं को सिर्फ नौकरी खोजने में ही मदद नहीं करते, बल्कि उन्हें उद्यमिता में मार्गदर्शन देकर नौकरी पाने में भी मदद करते हैं। उद्यमिता सेल मेराकी ने अपने प्रमुख स्टार्टअप 'बाज़ार' को आगे बढ़ाते हुए उभरते उद्यमियों को एक गतिशील मंच प्रदान किया है।

'बाज़ार' हमारी छात्राओं की रचनात्मकता और उद्यमशील कौशल का प्रमाण था, क्योंकि इसमें कॉलेज की छात्राओं के बीच लाखों रुपये का वित्तीय लेन-देन हुआ।

- छात्राओं के नेतृत्व वाली गैर-लाभकारी संस्था इनेक्टस मैत्रेयी का उद्देश्य उद्यमशीलता की कार्रवाई और अभिनव व्यावसायिक प्रथाओं के माध्यम से हाशिए पर पड़े समुदायों का उत्थान करना है। इसलिए, यह सामाजिक उद्यमिता का अभ्यास और प्रचार करता है। इनेक्टस की दो मुख्य परियोजनाओं, प्रोजेक्ट मिस्बाह और प्रोजेक्ट स्वर्णिम के लाभार्थी आर्थिक रूप से उपेक्षित, कमजोर और पुनर्वासित महिलाएँ हैं।
- मैत्रेयी कॉलेज की एक पूर्व छात्रा द्वारा शुरू किए गए स्टार्टअप को डीयू के कुलपति और उदित उदमोदय फाउंडेशन के सीईओ ने 60 स्टार्टअप में से चुना और मान्यता दी। यह उदमोदय भवन से परिचालन शुरू करने वाला पहला स्टार्ट-अप है।

## पर्यावरण उद्यमिता

- पर्यावरण के बारे में जागरूकता बढ़ाना मैत्रेयी में पिछले कई वर्षों से सिखाया जाता रहा है। लेकिन इस साल हमने एक कदम आगे बढ़कर सामाजिक उद्यमियों की तरह ही पर्यावरण उद्यमी बनाने का निर्णय किया। मुझे मैत्रेयी द्वारा पर्यावरण उद्यमिता में उठाए गए कदमों का उल्लेख करते हुए बहुत गर्व महसूस हो रहा है। तीन स्टार्ट-अप पहलों का विशेष उल्लेख किया जाना चाहिए। वनस्पति विज्ञान विभाग द्वारा मशरूम की खेती के लिए एक स्टार्ट-अप पहल, "चत्रका: मशरूम हेवन" ने शैक्षणिक और उद्यमशीलता दोनों का समर्थन करने के लिए कॉलेज में बटन मशरूम और कई प्रकार के विदेशी ऑयस्टर मशरूम (सफेद, ग्रे, गुलाबी, किंग) की एक कार्यात्मक मशरूम सुविधा स्थापित की। रसायन विज्ञान विभाग द्वारा शुरू की गई "कस्तूरी हर्बल्स" 100% प्राकृतिक और हर्बल हस्तनिर्मित साबुन, उबटन और फेस पैक प्रदान करती है और छात्राओं के उद्यमशीलता के स्वभाव का पोषण करती है। "गुलिस्तान" के तहत, छात्र कॉलेज परिसर के भीतर फूलों के अनाज से कई उत्पाद बनाते हैं। उनके उत्पादों में उल्लेखनीय नोटपैड थे जिन्हें छात्र संघ द्वारा शिक्षण संकाय को उपहार में दिया गया था। नोटपैड को डिजाइन करने में छात्राओं ने परिसर के बगीचों से फूलों की पंखुड़ियों और पत्तियों का उपयोग किया। उन्होंने इन पौधों की पूरी जानकारी के साथ क्यूआर कोड भी बनाए। यह अभ्यास एक ओर ज्ञान, शिक्षण और कृतज्ञता के सच्चे समावेश को दर्शाता है, जबकि दूसरी ओर प्रौद्योगिकी, पारिस्थितिकी और उद्यमिता को।

## समावेशीपन और आउटरीच

मैत्रेयी कॉलेज समावेशिता और समान अवसर की भावना के प्रति अपनी सक्रिय पहल के लिए जाना जाता है। हमने यह सुनिश्चित करने के लिए और भी पहल की हैं कि कॉलेज सभी पहलुओं में समावेशी की भावना को बढ़ावा देना जारी रखे। हम सात वर्षों से विशेष ओलंपिक के लिए एक केंद्र रहे हैं और इस वर्ष, हमने बास्केटबॉल और फुटबॉल के लिए पांच साल के लिए विशेष ओलंपिक भारत के साथ एक समझौता ज्ञापन पर हस्ताक्षर किए हैं। इस योजना के तहत, हम दिव्यांग खिलाड़ियों को बुनियादी ढांचागत सहायता, छात्र स्वयंसेवक और ग्राउंड मैन प्रदान करते हैं ताकि वे अपने कोच के साथ प्रशिक्षण सत्र प्राप्त कर सकें। यह विशेष उल्लेख के योग्य है कि हम अपने वार्षिक खेल उत्सव, आगाज़ में विशेष बच्चों को शामिल करने वाले विश्वविद्यालय के एकमात्र कॉलेज भी हैं।

- हमने अपने परिसर को और अधिक सुलभ बनाने के लिए कई कदम उठाए हैं। कुछ पहलों में हमारी कक्षाओं की गूगल मैपिंग और लोकेशन पिन के लिए क्यूआर कोड बनाना शामिल है। कॉलेज ने पूर्व छात्राओं, छात्राओं और शिक्षकों द्वारा डिज़ाइन किए गए कॉलेज के बारे में सभी जानकारी के लिए एक-बिंदु समाधान ऐप भी बनाया है- यूनीवे ऐप। सुगम्य भारत अभियान के रूप में, सुगम्य मैत्रेयी यूनीवे ऐप का एक हिस्सा है, जो सभी कमरों के क्यूआर कोड को दिव्यांग छात्रों के लिए आसानी से सुलभ बनाता है। समावेशिता के लिए हमारी प्रतिबद्धता परिसर से परे है। मैत्रेयी कॉलेज की छात्राओं ने दिव्यांगों के लिए दिल्ली में आयोजित अपनी तरह के पहले उत्सव दिव्य उत्सव में स्वयंसेवकों के रूप में भाग लिया। उन्होंने सामाजिक न्याय मंत्रालय द्वारा आयोजित और राष्ट्रपति भवन में आयोजित दिव्यांगों के लिए राष्ट्रीय स्तर के उत्सव पर्पल फेस्ट में भी स्वयंसेवा की। मैत्रेयी के स्वयंसेवकों की टीम मुख्य आयोजन समिति का हिस्सा थी और क्यूआर कोड जनरेशन के माध्यम से उत्सव को सुलभ बनाने के लिए पूरी तरह जिम्मेदार थी। उन्होंने दिव्यांग आगंतुकों को उत्सव को आसानी से नेविगेट करने में मदद करने के लिए आईवे नामक एक ऐप भी बनाया।

- हमारे कॉलेज की समर्थ इकाई ने दिव्यांग व्यक्तियों के लिए ई-कंटेंट के रूप में 50 से अधिक पुस्तकें/अध्याय/अध्ययन सामग्री रिकॉर्ड की है। यह अमूल्य संसाधन जरूरतमंद लोगों के लिए निःशुल्क उपलब्ध है, चाहे वे किसी भी स्थान पर हों। समर्थ इकाई मैत्रेयी कॉलेज सेंटर में दिव्यांग उम्मीदवारों को यूजीसी-नेट परीक्षा के लिए लेखन सुविधाएं भी प्रदान करती है
- मैत्रेयी कॉलेज की छात्राओं की कड़ी मेहनत और समर्पण ने उन्हें भारत के सर्वोच्च साहित्यिक पुरस्कार, ज्ञानपीठ पुरस्कार समारोह के आयोजन के लिए स्वयंसेवक के रूप में आमंत्रित किया। उनके कौशल और क्षमताओं को कार्यक्रम के आयोजकों द्वारा विशेष रूप से मान्यता दी गई और यह पूरे मैत्रेयी कॉलेज के लिए बहुत गर्व की बात है।
- उन्नत भारत अभियान के तहत हमारी छात्राओं और संकाय सदस्यों ने ग्रेटर नोएडा के थोरा गांव का दौरा किया और रोटारैक्ट और अपोलो अस्पताल के सहयोग से एक चिकित्सा शिविर का आयोजन किया। इस शिविर में 200 से अधिक ग्रामीणों को जागरूक किया गया और उनका स्वास्थ्य परीक्षण किया गया। इस तरह की पहल के माध्यम से, कॉलेज के छात्र समाज को लौटाने के लिए अपना योगदान देते हैं।

## परिसर में उद्यान

- कॉलेज ने 14 श्रेणियों में भाग लिया और दिल्ली विश्वविद्यालय वार्षिक पुष्प प्रदर्शनी 2024 में 14 महत्वपूर्ण पुरस्कार जीते, जैसे कि- "विश्वविद्यालय में सर्वश्रेष्ठ कॉलेज उद्यान- पर्शियन कप विभाग" और "सर्वश्रेष्ठ बोटल उद्यान के लिए पुष्प प्रदर्शनी समिति कप"। कॉलेज ने गुलाब उद्यान, लॉन, हरियाली और परिसर की स्वच्छता की श्रेणी में भी पुरस्कार जीते। कॉलेज ने पहली बार गमले में लगे पौधों की श्रेणी में भाग लिया और गमले में लगे रसीले पौधे, गमले में लगे हर्बल पौधे, गमले में लगे सब्जी के पौधे और कैक्टस अनुभाग में कई पुरस्कार जीते। मालियों की कड़ी मेहनत की सराहना की गई और इस वर्ष श्री किशन लाल को सर्वश्रेष्ठ माली पुरस्कार से सम्मानित किया गया। इस वर्ष का मुख्य आकर्षण एक जल फव्वारा था जिसने बगीचे में एक ताज़ा माहौल जोड़ा। मुख्य लॉन को एक सुंदर स्पर्श देते हुए एक पौधे-आधारित मोर की मूर्ति भी जोड़ी गई। इस वर्ष, कई वृक्षारोपण अभियान चलाए गए और कॉलेज के समृद्ध वनस्पति संग्रह में कई जड़ी-बूटियाँ, झाड़ियाँ और पेड़ जोड़े गए। मैं पूरे वर्ष भर समर्पित परिश्रम करने वाली समस्त उद्यान समिति और मालियों के प्रति हार्दिक आभार व्यक्त करती हूँ, जिनके प्रयासों से मैत्रेयी परिसर प्राकृतिक सौंदर्य से जीवंत हो उठा है।
- कॉलेज के इको-क्लब प्रकृति ने "न्यूट्रीबायोम" नामक जैविक पोषण उद्यान की शुरुआत की, जिसका उद्देश्य कॉलेज की छात्राओं को खाद्य सुरक्षा में योगदान देने वाले दीर्घकालिक मॉडल के बारे में शिक्षित करना, पोषण और स्वस्थ जीवन शैली के प्रति जागरूकता को बढ़ावा देना और छात्राओं के व्यवहार में बदलाव लाने वाली गतिविधियों को बढ़ावा देना है। दिल्ली विश्वविद्यालय के पर्यावरण अध्ययन विभाग की पर्यावरण प्रदूषण प्रयोगशाला (ईपीएल) ने मैत्रेयी इको-क्लब-"प्रकृति" के सहयोग से, भारत सरकार द्वारा प्रायोजित राष्ट्रीय कार्यशाला का आयोजन किया गया।

इन प्रयासों के सम्मान में कॉलेज को राष्ट्रीय पर्यावरण शिक्षा और जागरूकता पुरस्कार 2023 से सम्मानित किया गया।

- कॉलेज NCWEB केंद्र के रूप में सक्रिय रहा है और अपने परिसर में 1200 युवा छात्राओं को शिक्षा प्रदान करता रहा है। यह वर्ष मैत्रेयी के लिए महत्वपूर्ण रहा क्योंकि कॉलेज ने अतिरिक्त 2000 छात्राओं के लिए अपने दरवाजे खोले और स्कूल ऑफ ओपन लर्निंग का केंद्र बन गया। कॉलेज अब सप्ताह के सातों दिन सक्रिय रहता है, जिससे यह सुनिश्चित होता है कि सीखने की भावना और युवा शिक्षार्थियों की जीवंतता रविवार को भी इसके परिसर को सुशोभित करती है। कॉलेज में इन केंद्रों के सुचारू संचालन को दिल्ली विश्वविद्यालय से मान्यता मिली है। मैं कॉलेज के शिक्षकों और गैर-शिक्षण वर्ग के कर्मचारियों को उनके योगदान के लिए धन्यवाद और बधाई देती हूँ। जिससे यह सुनिश्चित होता है कि हमारा NCWEB केंद्र सुलभ और समावेशी शैक्षिक मार्गों के माध्यम से महिलाओं को सशक्त बना रहा है।
- हमारे दो पूर्व छात्राओं ने यूपीएससी परीक्षा पास की है और दो छात्राओं ने यूपीएससी के लिए स्वयं को योग्य सिद्ध किया है, जिससे पूरा संस्थान गौरवान्वित है। बीएससी (ऑनर्स) केमिस्ट्री की छात्रा मनीषा जांघू ने 247वीं रैंक हासिल की है और बीएससी (ऑनर्स) जूलॉजी (2010-2013) की छात्रा हर्षिता शर्मा ने सिविल सेवा परीक्षा में 214वीं रैंक हासिल की है, बीएससी (ऑनर्स) फिजिक्स (2013-2016) की छात्रा सुश्री स्वाति यादव ने यूपीपीएससी में 42वीं रैंक हासिल की है और बीएससी (ऑनर्स) गणित (2018-21) की छात्रा मानवी

चौधरी ने यूपीएससी में 48वीं रैंक हासिल की है- हम उनकी सफलता पर उन्हें बधाई देते हैं (और उन्हें सराहना का प्रतीक देना चाहते हैं) हम आशा करते हैं कि वे अपनी क्षमताओं के अनुसार सिविल सेवक के रूप में अपने कर्तव्यों का निर्वहन करेंगे। मुझे यकीन है कि हमारी प्रतिभाशाली पूर्व छात्राएं बहुत प्रशंसा अर्जित कर रही हैं, भले ही हम उनकी सभी उल्लेखनीय उपलब्धियों को एक साथ नहीं रख पाए हों, लेकिन जैसे-जैसे हम एक संस्थान के रूप में विकसित होंगे, उनकी संख्या में और वृद्धि होगी। मैं अपनी पूर्व छात्राओं को अपनी हार्दिक शुभकामनाएं देती हूँ, जो हमें गौरवान्वित करती रहती हैं।

मैत्रेयी में, हम एक साथ मिलकर एक इकाई के रूप में काम करते हैं। इसलिए जब हममें से कुछ लोगों को विदाई देने का समय आता है, तो यह वास्तव में एक कोमल क्षण होता है। लेकिन हम हमेशा अपने सहयोगियों को शुभकामनाएं देते हैं। इस वर्ष, हमारे 4 संकाय सदस्य और गैर-शिक्षण स्टाफ के 3 सदस्य सेवानिवृत्त हुए। डॉ. अलका बी. वदकन (वनस्पति विज्ञान विभाग), डॉ. प्राची बागला (वाणिज्य विभाग), डॉ. वर्षा गोयल (प्राणी विज्ञान विभाग) और डॉ. वीना मिश्रा (भौतिकी विभाग)। कॉलेज को अपने एक मूल्यवान सदस्य, प्रो.रेणु गुप्ता को खोने का भी दुख है, जिनके आकस्मिक निधन ने मैत्रेयी कॉलेज विरादरी में एक गहरी खाई पैदा कर दी है। गैर-शिक्षण कर्मचारियों में, हमारे पास लाइब्रेरी से श्रीमती बिमला देवी, रसायन विज्ञान प्रयोगशालाओं से श्री दुर्गा दास और श्री जगदीश प्रसाद थे। हम इस संस्थान में उनके महत्वपूर्ण योगदान के लिए आभारी हैं और उनके भविष्य के प्रयासों के लिए उन्हें शुभकामनाएं देते हैं।

मैत्रेयी कॉलेज की उपलब्धियाँ जारी हैं, अब मैं अपना भाषण समाप्त करती हूँ। इस 57वें वार्षिक दिवस पर, मैं आशा करती हूँ कि शैक्षणिक विशिष्टता और समग्र विकास की परंपरा और भी अधिक ऊँचाइयों को छूती रहे, जो हमें उत्कृष्टता के लिए प्रयास करने, आजीवन सीखने और विकास की यात्रा को अपनाने की याद दिलाती रहे। मैं वार्षिक रिपोर्ट संकलित करने में उनकी कड़ी मेहनत के लिए आंतरिक गुणवत्ता आश्वासन समिति (IQAC) छात्र संघ संयोजकों और उनकी पूरी टीम, कॉलेज की सभी समितियों के संयोजकों, सदस्यों और गैर-शिक्षण कर्मचारियों के अथक प्रयासों के लिए धन्यवाद देना चाहती हूँ, जिन्होंने मैत्रेयी कॉलेज की निरंतर वृद्धि सुनिश्चित की है। हमारे सामूहिक प्रयासों ने इस शैक्षणिक वर्ष के सफल समापन को सुनिश्चित किया है। मैं अपने संबोधन को इन काव्यात्मक शब्दों के साथ समाप्त करना चाहूँगी जो इस संस्थान के प्रति मेरी भावनाओं को दर्शाते हैं:

नवागत का हम करें स्वागत करबद्ध करें सत्कार  
शिक्षण और संस्कृति का संगम मैत्रेयी प्रांगण का आधार,  
देश की प्रगति से महाविद्यालय कर रहा कदमताल।  
निरंतर ऊपर उठ रहा  
मैत्रेयी का चमकता भाल  
कदम कदम पर यहाँ पनपते कौशल और संस्कार  
तदर्थ का स्थायित्व, सुविधाओं का विस्तार,  
शोध का प्रसार, उन्नति की बयार  
वसुधैव कुटुंबकम् और मानवता हैं अपने उद्गार  
आओ मिलकर रचें हम एक नया इतिहास  
बन जाए शिक्षा का एक स्वर्णिम संसार...

## COLLEGE ACTIVITIES

### DEPARTMENTS

#### Department of Botany

The department continued to flourish and added another impactful academic year with the collective efforts of students, faculty and staff in academic and extracurricular activities. The highlight of the current academic year was the addition of nine new permanent faculty members. Another achievement in the cap of the department is the Mushroom Cultivation facility, established for cultivation of button mushrooms and several types of the exotic oyster mushrooms (white, grey, pink, king). The facility promoted skills training and is maintained by the students and faculty members. It is now being promoted as a start-up initiative, “**Chatraka: the Mushroom Haven**”.

The academic session began with an **Orientation program** in August for the students of B.Sc. (Hons.) Botany and B.Sc. Life Sciences I yr. The students were welcomed warmly and advised about the course framework, faculty members and facilities of the department. An event “**Know Your Department**” that included interdisciplinary activities for the first-year students was organized by the department in collaboration with the departments of Zoology and Chemistry. The freshers interacted with their seniors as well as among themselves through some fun activities that included ‘**Nature’s Photography- Maitreyi through lens**’ and ‘**Extempore-ChitTalks to unfold, engage & explain**’. The **live telecast session of Chandrayaan-3 Mission** was organized for students on 23<sup>th</sup> August, 2023 to witness India’s remarkable milestone of Chandrayaan-3 Mission landing on the south pole of the moon successfully. A **one-month summer training program** was organized to establish the **Mushroom Cultivation Facility** in the college from 28th July to 29th August, 2023 to establish a functional Mushroom facility for supporting both academic and entrepreneurial causes. **Blossom, the Botanical Society** held the **student council elections** on 13<sup>th</sup> September, 2023. A **Digital Logo Making Competition** was organized on 27th October 2023 which garnered a significant number of entries including the winning design which served as the inspiration for the new logo of **The Blossom Society**. A **Career counseling session “ Life Sciences and Beyond: Building a fulfilling Career”** was delivered by **Mr. Ratneshwar Thakur**, a Molecular Biologist, a dedicated Science communicator and writer at the National Institute of Plant Genome Research (NIPGR), New Delhi. Mr. Ratneshwar discussed various job opportunities in which a Science student can make a good career. An **International workshop on Intellectual Property Rights (IPR)** was organized on 27th October, 2023 in hybrid mode. The workshop included a technical session and a hands on session. In the technical session **Dr. Ambika Rajendran**, Senior Scientist (Plant Breeding), Soybean Unit, Division of Genetics, ICAR and **Dr. Umesh Kumar Singh**, Assistant Professor, SIS, Institute of Advanced Sciences, USA delivered invited lectures on types of IPR, patents, procedure for patent application, post patent compliances, IPR laws, academic and legal consequences of plagiarism etc. In the hands-on session, students were given practical exposure to various freely available anti-plagiarism softwares and online patent checking tools.

A workshop on “**Fashion Footprints: Unraveling the Environmental Consequences of Fast Fashion**” was organized in collaboration with the Department of Environmental Sciences on 31st January, 2024. The workshop comprised a lecture by esteemed guest speaker **Prof. Vandana Mishra** from Department of Environmental Studies, University of Delhi. Lecture was followed by video screenings on the textile industry and an exhibition showcasing different types of fabrics. The **Annual fest of Blossom, “Pallav 2024”** was organized on 7th March 2024 which included a diverse range of cultural programs featuring four distinct performances by students

of the Department. The fest consisted of a series of themed competitions including **Open-Mic Mirage, Rang-Tarang: Botanical Rangoli, Trash Art, and Scavenger Hunt**. The Department coordinated the event “**Flora-de-Canva**” for the preliminary round as part of the **International Interdisciplinary Academic Festival “Avgaahan”**. The final round involved Poster-Mania with the theme “**Essentiality of Plants on Earth**”. A seminar on “**Wildlife Hazard Management**” was organized on 3rd April 2024 to foster an understanding of wildlife hazards on Airports especially, aircraft collisions with birds. The speaker **Mr. Rohit Kumar Baldodia**, Manager In-charge, Wildlife Hazard Management, IGI Airport, discussed the role of citizens in implementing effective prevention measures. Experiential learning was implemented via several educational trips and visits which reinforces the concepts. Students visited **District Park, Hauz Khas, New Delhi** to learn the technique of **vermicomposting**. The visit to the **Mahatma Gandhi Institute for Combating Climate Change (MGICCC)** included a one-day training program on “**Biodiversity and Greening for Sustainable Development**” with lectures by Dr. Anil Kumar, Ex-Director of Department of Environment, Government of Delhi and Dr. Narendra Kumar, Director, Swalamban (An NGO). Visits were also organized to India-Africa Friendship Rose Garden; Rail Museum; Department of Botany, University of Delhi; Yamuna Biodiversity Park; Aravalli Biodiversity Park; BioNest Facility, South Campus, University of Delhi; Yakult Danone India Pvt. Ltd.; Centre for Conservation and Utilization of Blue Green Algae, ICAR, New Delhi, Centre for Genetic Manipulation of Crop Plants (CGMCP), University of Delhi South Campus, Tissue Culture & Cryopreservation Facility at National Bureau of Plant Genetics Resources, ICAR, New Delhi. Students found these visits very informative and purposeful.

The academic year concluded with the farewell of B.Sc (Botany) Hons and B.Sc Life Science students. The event included mesmerizing performances by students and experiences shared by the outgoing batch.

## Department of Chemistry

The Department has experienced another fruitful academic year characterized by a blend of academic excellence and extracurricular engagement. This success is attributed to the collaborative efforts of students, faculty, and staff. Noteworthy achievements include the addition of six new permanent faculty members, enriching the department’s academic prowess and contributing to its vibrant intellectual environment.

An essential aspect of the academic calendar was the **Orientation program** conducted on August 17, 2023, aiming to acquaint first year Bachelor of Science (Hons.) Chemistry and Physical Science students with the curriculum, departmental activities, and research opportunities. Enriching the academic experience, the department organised educational excursions for the students of Chemistry (Hons.) and B.Sc. (Prog.) Life Sciences to visit **CSIR-National Physical Laboratory (CSIR-NPL)**, New Delhi on August 21 and October 4 & 10, 2023. The visit not only provided insights into cutting edge research but also emphasised the importance of technological literacy and scientific curiosity among students. In line with its commitment to environmental sustainability and technological innovation, the department organized a visit to the Mahatma Gandhi Institute for Combating Climate Change, GNCT Delhi to attend a training program on **Renewable Energy Technologies and Waste to Energy** on September 18 & 21, 2023. It helped sensitise participants to energy issues and foster practical solutions to address climate change challenges. Two faculty along with 69 students attended the International Workshop at CSIR-National Physical Laboratory on **Advanced Materials Challenges and Standardization Need for Net Zero Technologies**” on 10<sup>th</sup> October 2023.

In addition to academic endeavours the department actively promoted international exposure and career guidance through webinars and seminars. The webinar on **Avenues of Studying Abroad** followed by a talk on the topic, **Polymers What, Why and Where?** by Prof. Seema Agarwal from the department of Chemistry, University

of Bayreuth on the importance of polymers was an enriching experience for students. The department's commitment to fostering informed discourse on scientific and ethical issues was evident in events such as the **Debate competition** on ethical experimentation on animals and the National Science Day celebration on February 28, 2024.

The culmination of the academic year was marked by the department's annual festival, "**CHEMSOPHY**" on March 06, 2024 featuring a myriad of events ranging from the Rafia Memorial Lecture to academic competitions and cultural performances. Eminent guest speaker Prof. Seema Garg from Amity University delivered a lecture on "**Photocatalytic Nanomaterial for Environmental Remediation**" The second volume of department magazine, "Chemzone" was released.

The department of Chemistry at Maitreyi College, University of Delhi, has demonstrated excellence in both academic and extracurricular spheres, fostering a dynamic learning environment conducive to holistic development. The departmental start-up "**Kasturi Herbals**" was launched with an aim to provide 100% natural and herbal handmade soaps, *ubtans* and face packs. The start-up nurtured the entrepreneurship temperament in the students.

### Department of Commerce

The departmental activities were organized by **Excelsior**, Commerce Society. Several **seminars** were organized this year, offering an enriching blend of knowledge, insights, and networking opportunities. Covering diverse topics from career exploration to navigating the student's path from college campus to the corporate world and even an opportunity for the students to transcend beyond global boundaries to pursue higher studies, each session equipped students with practical skills and valuable perspectives. These seminars transcend traditional learning, fostering meaningful connections and encouraging collaboration among participants. As students navigate their academic journey, Excelsior remains dedicated to providing a dynamic platform for growth, empowerment, and community-building. The seminars were organized by the renowned institutions like Canam Study Abroad, Aecc Global, Plaksha, Si-uk Institute, Top 1 percent etc. Excelsior continues to curate an array of dynamic webinars this year, delving into compelling topics such as "**Unlocking IELTS Success**" and "**Exploring Global Education Opportunities.**" Hosted via Google Meet and Zoom platforms, these virtual sessions have garnered enthusiastic participation and positive feedback from attendees. Serving as a beacon of guidance in navigating the complexities of the modern world, these webinars empower students with invaluable insights on adapting to change and pursuing their aspirations amidst stiff competition. As we remain committed to fostering growth and enlightenment, these webinars stand as testament to our dedication to providing holistic education beyond the classroom. Glimpsing into the realm of marketing innovation, "**Market Rajneeti 4.0**" sparked excitement, drawing over 150 eager participants. Proudly supported by Cornitos, MaySay Beauty, and Flake Beverages, the event unfolded in three captivating rounds, each a testament to creativity and ingenuity.

**COMFESCO'24**, the annual fest of the commerce department, witnessed a vibrant gathering of students from Delhi University, igniting a spirited exchange of ideas and talents. With five captivating events, the occasion unfolded into a spectacle of intellect and creativity, leaving an indelible mark on all participants.

Excelsior also curated an enchanting **Open Mic** spectacle on Diwali Mela, showcasing a kaleidoscope of talents that transcended collegiate boundaries. As poetic verses danced in the air and melodies stirred the soul, the audience was spellbound by the symphony of self-expression. Complementing the artistic showcase, a diligently set up game stall beckoned with whimsical challenges like "**Meme Charades**" and "**Diwali's Hidden Wonders,**"

enticing participants on a tour of laughter and discovery. Through this harmonious fusion of creativity and engagement, the Diwali Mela of 2023 left an indelible mark of celebration.

Excelsior proudly inaugurated the Commerce Department Alumni Talk Series - **LEGACY INSIGHTS**, inspired by Benjamin Disraeli's profound words: "The legacy is the memory of a great name and the inheritance of a great example." This initiative aims to bridge the gap between past and present, providing students with invaluable insights and real-world perspectives from esteemed alumni. Through engaging dialogues and shared experiences, this series not only honors the rich legacy of our institution but also empowers students to learn from the journeys of those who have walked the path before them. Former office bearers of Excelsior were invited as the alumni for the series. Coming from diverse backgrounds, they offered mentorship, their personal experiences of their transition from campus to the corporate world and invaluable networking opportunities to the students.

The departmental Farewell - **Dastaan'24**, held on April 30, 2024, was a heartfelt tribute to departing seniors, celebrating their unique personas. The opening speech set a reflective tone, followed by captivating performances by juniors, poignant poetry readings and soulful melodies stirred emotions, while interactive games fostered camaraderie. Faculty accolades and the Miss Outgoing competition added to the event's allure, culminating in heartfelt farewells and wishes for future endeavors.

### Department of Computer Science

The 2023-2024 Department of Computer Science had an amazing session with a variety of creative and educational activities. The department actively contributed to improving the academic environment by promoting collaboration and formal international linkages. The Department appointed **Prof. Huiru Jane Zheng**, Theme Leader of Data Analytics and Systems in AI Research Centre at **Ulster University, United Kingdom** as **Adjunct Faculty of Maitreyi College** and initiated an Memorandum of Understanding in October 2023 to conduct academic programs for joint research and training activities, educational exchanges of mutual interest catalyzing internationalization of education.

Each month, the Department collaborates with the student society **Ilustrado** to provide a variety of cultural and intellectual activities. On 28th July 2023, the department in collaboration with Department of Economics and Commerce organized a workshop on **"e-Filing of ITR"** to acquaint the teaching and non teaching staff members of the college with the e-filing of ITR and specially Empowering Women in Financial Literacy.

On 18th August 2023, **"Know your Department"** event was organized by the department for the freshers' batch of 2023-24 to familiarise them with the department, including seniors and peers and an exposure to the Industry by experts to acquaint them with emerging technologies. On 23rd August 2023, live screening of the launch of **"Chandrayaan 3"** was organized by the department to witness this momentous occasion together. There were pre-launch discussions, a live telecast and also an interactive session.

**"Ganesh Chaturthi"** was celebrated with great enthusiasm from September 10-12, 2023. The cherished tradition promoted a sense of unity and responsibility among the students. The department then organized a 30-hours short term course on **"Introduction to Python Programming"** from 5 August - 23 September, 2023. All the faculty members of the department acted as the resource persons. A **Student Development Programme - Canva Workshop** was organized by the students of the department (October 9-16, 2023) who acted as instructors and volunteers.

On the occasion of **Dussehra & Cyber Jaagrookta Diwas** (24 October 2023), a quiz **"Cybersecurity Awareness"** was organized under the aegis of IQAC. The main purpose of this quiz was to warn everyone about **"The New**

**Age Ravana** – the cyber threats. The department under its **TechnoUpdate 3.0** initiative successfully organized the second round of a 30 hours certificate course on **“ICT Tools & Application”** in hybrid mode. Faculty members created eContent and conducted online live sessions to solve doubts.

The student society of the department, **Ilustrado**, organized a seminar on 10th October 2023 on **“Digital Marketing”** in coordination with IIDE. The seminar featured Mr. Akash Gogri from IIDE as the speaker. **Ilustrado**, organized an online digital rangoli making competition from 10-15 November 2023, titled **“E-mandala”** showcasing the artistic prowess of university students. This innovative event provided a platform for participants to express their creativity in a digital realm. In collaboration with **Arena Multimedia**, **Ilustrado** organized a workshop on **AVGC (Animation, Visual Effects, Gaming, and Comics)** on 15th February 2024. The workshop commenced with an inaugural ceremony, followed by informative sessions and practical demonstrations by industry experts. Participants were introduced to various software tools and techniques used in animation, visual effects, gaming, and comics creation. Participants gained valuable knowledge, practical skills, and inspiration to pursue careers in AVGC. The **E-Waste Collection Drive** was also organised by **Ilustrado** from 7 to 27 February 2024 for responsible disposal of electronic waste within the college community. ### **HORIZON- THE PLACEMENT CELL**

Throughout the academic year 2023-2024, the **Placement Cell** of Maitreyi College orchestrated a remarkable array of activities aimed at bridging the gap between academia and industry. With a total of 253 internships on offer, the cell diligently facilitated opportunities for 196 selected students to gain invaluable real-world

experience. The internship ranges from the shortest period of one week up to 12 months in paid and unpaid stipend. Students were able to get the stipend of up to Rs. 3000 for 2 month internships, Rs. 20000 for 3 months and Rs. 19000 for 6 months paid internships. Unpaid internships of 12 months period were also offered by prominent organisations. Students enthusiastic for learning and serving the society also joined the internship. As the year progressed, the focus shifted towards securing full-time employment for graduating students, with 58 job openings in 2024. Impressively, 82 students were successfully placed in prominent positions, reflecting the effectiveness of the college's career guidance and support systems. Noteworthy among the recruiting companies were De Shaw and Xalts offering an attractive package of 20.0 LPA to 21.5 LPA. Ms. Hanshika Khanna, a student of B.Com Programme was hired by Xalts. Understanding the calibre of students, companies like Deloitte, PWC, Crowe and Lenskart offer an average package of 4 LPA to 6 LPA. Moreover, the placement cell didn't limit itself to traditional recruitment drives alone; it also organised a diverse range of seminars and webinars, totaling 25 events, including 9 webinars, 15 seminars and 1 Workshop. These events served as invaluable platforms for students to interact with industry experts, gain insights into emerging trends, and enhance their professional skills. The tireless efforts of the placement cell ensured that Maitreyi College students were well-equipped to navigate the competitive landscape of the job market, empowering them to embark on successful career journeys beyond academia.

### **ENABLING UNIT**

The **Enabling Unit**, in collaboration with the NSS Committee, organised Astitva to promote inclusivity on 18th April, 2024. The Enabling Unit of our college has recorded more than 50 books/chapters/study materials for Print Disabled individuals in the form of e-content. This invaluable resource is freely accessible to those in need, regardless of their location. Furthermore, students, researchers, and teachers are encouraged to contribute their expertise to further enrich this content creation process. The Enabling Unit provides printing facilities to all its members and students. The Enabling Unit also provides writer facilities for the UGC-NET Examination to PwD candidates at the Maitreyi College Centre. Dr. Pramod Kumar Singh, Dr. Jyoti Singh, Mr. Yogesh Chaurasia, and Dr. Smriti Singh have assisted PwD students in the admission process this year as well. Fee concessions have been provided to PwD students as per Delhi University's earlier guidelines. Dr. Pramod Kumar Singh, as Coordinator of the Enabling Unit, has represented our college in many seminars, conferences, meetings, and workshops related to various disabilities and social issues from time to time at DU as well as at different colleges, universities, institutes, and NGOs. Ms. Smriti Singh of the Enabling Unit represented our college in many areas of government and private sectors. She has organised many programs in the area of disability in collaboration with other institutions.

### **MERAKI, THE ENTREPRENEURSHIP CELL**

**Meraki**- the E- Cell of Maitreyi college is a place which provides the blooming ideas of the students a platform to convert them into market products. On August 16, 2023, Meraki orchestrated a vibrant showcase of student innovation through the Startup Bazaar. This event, pulsating with entrepreneurial energy, provided a dynamic platform for budding entrepreneurs to exhibit and sell their diverse array of products. From intricately crafted jewellery to evocative folk art paintings, from mesmerizing resin art to charming hand-painted tote bags, and not to forget the delectable assortment of desserts including cupcakes, brownies, muffins, and cookies, the bazaar was a cornucopia of creativity. The footfall was impressive, as enthusiastic students flocked to explore the innovative offerings. Consequently, student entrepreneurs reaped a bountiful harvest of revenue, reflecting the event's resounding success. Their feedback reverberated with positivity, underscoring the impact and significance

of the Startup Bazaar as a thriving hub of entrepreneurial activity within the college community. On August 19, 2023, Meraki once again unfurled the canvas for entrepreneurial expression with another edition of the Startup Bazaar. Despite a slightly subdued turnout compared to the previous event, the bazaar retained its essence as a nucleus of creativity and enterprise. The stalls showcased an eclectic mix of products, from elegant jewellery to captivating paintings, and from trendy hand-painted tote bags to intricate mehendi designs. However, the lower footfall translated into relatively modest revenue for student entrepreneurs, eliciting feedback that was, albeit, below average. Nonetheless, the event stood as a testament to resilience, demonstrating that even amidst challenges, the spirit of entrepreneurship perseveres, and every opportunity serves as a stepping stone towards success.

On September 4, 2023, Meraki facilitated an enlightening session featuring Dr. Ravinder Kaur, who illuminated various avenues for student startups. Dr. Kaur's insights shed light on the plethora of opportunities available through initiatives like the UDHMODYA Foundation, fostering a culture of entrepreneurship within the University of Delhi. October 13, 2023, witnessed yet another triumphant iteration of the Startup Bazaar, where student entrepreneurs flourished against the backdrop of a bustling marketplace. The event featured an enticing array of stalls, offering everything from delectable treats to trendy fashion accessories, captivating artworks, and personalized gifts. The positive feedback echoed the sentiment of success, affirming the Startup Bazaar as a cornerstone of entrepreneurial endeavours within the college ecosystem. Fast forward to October 21, 2024, and the spirit of entrepreneurship continued to soar high at Maitreyi College with another exhilarating edition of the Startup Bazaar. The diverse assortment of stalls beckoned students with an irresistible blend of culinary delights, cosmetic indulgences, artisanal crafts, and trendy accessories. The event culminated in a crescendo of success, as student entrepreneurs basked in the glow of positive feedback and substantial revenue, once again affirming the enduring legacy of entrepreneurial spirit within the college community. Beyond the bustling marketplace, Meraki also enriched the entrepreneurial landscape through a series of engaging initiatives. A captivating webinar on February 9, 2024, featuring Ms. Meenal Goel, offered invaluable insights into fostering an entrepreneurial mindset, drawing from personal anecdotes to inspire the next generation of innovators. On February 26, 2024, a thought-provoking seminar in collaboration with Unacademy unravelled the quintessential traits of entrepreneurship, emphasizing self-belief, task prioritization, adaptability, mutual support, and authenticity as indispensable pillars of success. The session also delved into the nuances of effective study habits, underscoring the importance of clarity of purpose, unwavering focus, and adherence to core principles in academic pursuits. As March unfolded, Meraki's flagship event, Entrescope'24, captivated participants with a multifaceted extravaganza encompassing stimulating competitions and enlightening panel discussions. The enthralling case competition challenged participants to embark on a journey of strategic problem-solving and innovation, while the panel discussions offered invaluable insights from industry stalwarts on diverse topics ranging from education and entrepreneurship to digital marketing. Among the luminaries gracing Entrescope'24 were stalwarts like Nishkarsh Arora, whose insightful session illuminated the path to entrepreneurial success through innovative marketing strategies and a passion for innovation. Similarly, Ms. Aakriti Rawal's captivating narrative offered a glimpse into the realm of high-stakes entrepreneurship, recounting her journey from the corridors of college to the glitzy stage of Shark Tank, where her brand, House of Chikankari, earned accolades and acclaim. In essence, Meraki's relentless pursuit of fostering entrepreneurship has not only enriched the college experience but has also nurtured a vibrant ecosystem of innovation and creativity, empowering students to chart their own path towards success in the ever-evolving landscape of entrepreneurship.

## ENACTUS

**Enactus** Maitreyi, a student-led non-profit organisation, aims to uplift marginalised communities through entrepreneurial action. It promotes social and economic development through innovative business practices. Enactus Maitreyi's two projects, Project Misbah and Project Swarnim were showcased in many stalls at various institutions. The beneficiaries of Project Misbah are rescued sex workers and for Project Swarnim, we are aiming for women in slum areas to achieve financial independence. The stalls were exhibited in many Universities and Colleges such as Manipal University, Jaipur on 5th September 2023 where we gained media attention from Rajasthan Tak and Aaj Tak, at Hindu College on 3rd November 2023, Vivekananda Institute of Professional Studies on 21st and 22nd November 2023, Bennett University on 2nd February 2024, IIT Delhi on 3rd and 4th February 2024, NSUT College from 7th to 9th March. At Maitreyi College itself, stalls were held during Freshers Event on 13th October, 2023, Dandiya Event on 21st October, Rhapsody 24 on 4th and 5th April 2024. Outside the student realm, Enactus Maitreyi had a stall at the Australian Embassy on 24th November, 2023 and Australian High Commission on 1st March, 2024. All these stalls helped the members improve negotiation skills through sales and for networking and exposure. Enactus Maitreyi also held a visit to Little Seeds NGO on 25th November, 2023 where we had an art workshop with underprivileged children. This engagement enhanced our sense of accountability, steadfastness, and authenticity in professional endeavours. Many field visits were organised to engage with potential beneficiaries such as the field visit to Shanti Sahyog Foundation on 18th January 2024, visit to All India Artisans Craft Association, Delhi on 24th February 2024, visit to Shakuntala Poddar Welfare Foundation on 28th February 2024 and a visit to Special Arts India on 6th March 2024. Seminars were also organised, like Seminar on "Roadmap after Graduation" by Mr. Manan Puri, Seminar on Indian MBA with Career Valley providing valuable insights for career decisions in MBA education as well as a Webinar on "3 Cs to Ace Interviews". These interactive events provided networking opportunities to our college students. Throughout the year, Enactus Maitreyi has also organised competitions such as a Declamation Competition at Sparkles 23 on 6th November 2023 and a Competition during Rhapsody 24 on 5th April 2024 named AdVenture, a pitch deck competition. Parikrama 24, Maitreyi College's Annual Enactus Fest, which showcased innovation and social impact on 12th April, 2024, featured many competitions and also hosted 18 stalls, including Enactus Maitreyi's own stall. The event was a great success, promoting positive change and community engagement.

## HEALTH AND HYGIENE COMMITTEE

The **Health and Hygiene** Committee organised a health camp in collaboration with Max Smart Speciality Hospital and Rotary Club further demonstrating the dedication to promoting holistic well-being within the college community. By offering free health check-ups and encouraging blood donation, these camps not only addressed immediate health needs but also fostered a culture of preventive healthcare and community solidarity.

NSS Maitreyi's annual fest, Astitwa '24, stands out as a remarkable celebration of inclusivity, creativity, and community spirit. Held on 18th April 2024 at the University of Delhi, the event brought together over 1000 enthusiastic participants from across Delhi University, fostering a vibrant atmosphere of camaraderie and engagement. The fest, organised in collaboration with the Enabling Unit and Health and Hygiene, showcased a diverse range of activities and initiatives aimed at promoting social welfare and empowerment. The presence of esteemed Chief Guests including Dr. Mathew Varghese and the Ambassador of Cyprus along with Dr. Santhosh George added prestige to the event and underscored its significance in promoting equality and inclusivity. Astitwa '24 commenced with inspiring speeches, felicitations, and a captivating performance by students with Down syndrome, symbolising the fest's commitment to embracing diversity and celebrating the talents of all individuals. Informative sessions on the Uniway App launch, QR entry system, and a workshop on 'Gender Bone

Nutrition and Exercise’ provided valuable insights and knowledge to the attendees, empowering them with practical skills and information.

### **INTERNAL COMMITTEE**

The **Internal Committee** of Maitreyi College organized lectures by our esteemed alumna Mrs. Suman Aggarwal, Founder and Chairperson of ‘Samarth India Foundation’ and Mrs. Ramanjeet Kaur, Founder of ‘Skills Alley’, aimed at raising awareness among our students and employees about the Vishakha guidelines, POSH act, and the legal position in India regarding sexual harassment of women at the workplace. Additionally, a one-day inter-college festival, Adamyra was organised to provide a platform for college students to showcase their talents and creativity, while also promoting the important message of the IC.

### **GARDEN COMMITTEE**

Maitreyi college campus has a rich collection of trees, shrubs and herbaceous plants that add a green and aesthetic ambience to the college premises. Throughout the year, the **Garden Committee** comprising a dedicated group of Malis, teachers and student volunteers were involved in the upkeep and improvement of the college gardens. The college participated in the University Annual Flower Show 2024 with all the enthusiasm and fervour as always. The hard work of the Malis was appreciated with the college receiving many prizes. Most significant were “Flower Show Committee Cup for Best Bottle Garden and “Best College Garden in University- Department of Persian Cup”. The college also won prizes in the category of Rose Garden, Lawn, Greenery and Cleanliness of Campus. The college participated in the potted plants category for the first time and won several prizes in the category of potted Succulents, potted Herbal Plants, Potted vegetables plants and in Cacti Section. This year Sh. Kishan Lal was awarded with the Best Mali award. The highlight of this year was the installation of a water fountain that added a refreshing ambience to the garden. A plant based peacock figurine was also added, giving a vibrant and elegant touch to the main lawn. A waste plastic bottle collection drive was conducted and the collected plastic wares were later used for creating beautiful planters placed on attractive stands in the main garden. Like every year, this year too several plantation drives were conducted and several herbs, shrubs and trees were added in the rich flora collection of the college.

### **DRAVYA, THE FINANCE AND INVESTMENT CLUB**

Dravya, the Finance and Investment Club of Maitreyi College is committed to fostering academic excellence and practical skill development among students.

On August 24, 2023, Dravya conducted its orientation, highlighting Dravya’s mission and vision. It concluded with a vibrant Q&A session which made attendees energized and excited about the club’s opportunities.

A webinar on personal finance and consumer behavior by Mr. Sindhu Biswal provided practical strategies to counter cognitive biases in financial decisions, emphasizing the fusion of financial literacy and consumer psychology.

### UNNAT BHARAT ABHIYAN (UBA)

**Unnat Bharat Abhiyan**, along with the NSS unit of Maitreyi College had conducted a campaign on digital awareness on 29th July 2022, in the Jewar village of Uttar Pradesh. The session was conducted with the students ranging from 3rd class to 8th class. Interactive campaigning was held, with the help of charts, wall painting and the volunteers communicating with the students regarding digital literacy, its importance in today’s time, also introducing them to the usage and applications of various online platforms.

Unnat Bharat Abhiyan Networking for National Atma Nirbhar Technological Intervention Program (UNNATI) was organized on 17th March, 2023 in IIT Delhi. Two faculty members, Dr. Gazala Ruhi from Chemistry Department and Ms Anjali Yogi from Political Science Department attended the program. It was an initiative to showcase the knowledge-based solutions which resulted from the amalgamated approach of the institutions through their students and faculty to solve the problems of the primary stakeholders, the villagers (with the help of gram sabha of villages).

Students of Chemistry Hons., working on Annual Research Project, entitled “Sustainable Nano Polymeric Composites/Hybrids for Wastewater Treatment” visited Mangroli village of Gautam Buddha Nagar on 22nd

March 2023. The research students collected water samples from different areas of the village. Samples were collected from the village pond, handpump, a few houses, and Jal Minar. Students used water testing kits for onsite testing of water. They also interacted with villagers to discuss water-related problems, any health issues or water-borne diseases, the water purification systems they are using etc. It was a good learning experience for the students of the department.

Maitreyi College, collaborated and organized a one-day educational trip to two villages of Gautam Buddha Nagar; Mangroli and Melwa Gopalgarh on 1st March 2023. . The visit to the school ( Ucch Prathamik Vidyalay, Jewar, Gautam Buddha Nagar District) was interesting and the team interacted with the children. The students got information that the village has an open drainage system where the collection of water breeds various disease-carrying pathogens. The interaction with villagers hinted that they are unaware of the health problem that may be caused due to the disposal of waste to water bodies, In the second village Melwa Gopalgarh where the students visited a local school (Prathamik Vidyalay, Gopalgarh). In essence, NCC Maitreyi College stands as a testament to the power of youth empowerment and community engagement. By upholding the values of discipline, service, and excellence, Maitreyi NCC continues to inspire generations of young leaders to strive for greatness and make meaningful contributions to society. As a prestigious organization, it remains steadfast in its commitment to shaping the leaders of tomorrow and leaving a lasting legacy of honour and integrity.

### **NATIONAL SERVICE SCHEME**

**NSS** Unit of Maitreyi College, conducted several events during the session of 2023-24. NSS Maitreyi's Swachata Hi Sewa 2023 campaign was a comprehensive endeavour that truly embodied the spirit of service and environmental stewardship. The campaign's multifaceted approach, encompassing activities like cleanliness drives, plastic collection, awareness seminars, and health camps, showcased a holistic commitment to community well-being and sustainability.

The cleanliness drives, both on-campus and in collaboration with the wider community, not only raised awareness about the importance of maintaining a clean environment but also actively involved volunteers in hands-on efforts to improve hygiene standards. The emphasis on segregating waste into degradable and non-degradable categories demonstrates a responsible approach towards waste management, aligning with the principles of sustainable living.

The plastic collection drive was a proactive step towards addressing the pervasive issue of plastic pollution. By engaging students in the collection and recycling of plastic waste, the campaign not only promoted environmental consciousness but also instilled a sense of responsibility for plastic management among the college community. The substantial participation and collection achievements underscored the effectiveness of the initiative in mobilizing collective action for environmental protection. The "Ek Tareekh Ek Ghanta" initiative exemplified the campaign's commitment to grassroots engagement and community mobilization. By organizing a dynamic rally and undertaking cleanliness tasks in public spaces, volunteers demonstrated proactive citizenship and leadership in promoting cleanliness and environmental awareness. The collaboration with various stakeholders, including

the Students' Union, NSS, and NCC, further amplified the impact of the initiative, fostering a culture of collective responsibility for environmental stewardship. Beyond environmental initiatives, NSS Maitreyi also spearheaded awareness campaigns on critical social issues like clubfoot awareness, menstrual hygiene, and mental health. These initiatives reflect a holistic approach to community service, addressing not only physical but also social and psychological well-being. The collaboration with external organizations and experts underscores the campaign's commitment to leveraging resources and expertise for maximum impact.

Project Amrit initiative showcased the unwavering commitment of NSS Maitreyi, in collaboration with the Student Union, towards environmental conservation and community engagement. Taking place at Chhat Ghat, ITO bridge, Delhi, on 25th February 2024, the project aimed to make a tangible difference in the cleanliness and upkeep of the environment.

### **TRENCHANT, THE ENGLISH DEBATING SOCIETY**

**Trenchant**, the English Debating Society of Maitreyi College, takes a fearless stance, to express informed opinions. Its three wings, namely, the Parliamentary Debate Wing (PD), the Model United Nations Wing (MUN) and the Creative Writing Wing (CW), conduct activities to train the members with a wide variety of skills. The main objective of Trenchant is to incorporate a sense of responsibility, resistance, and readiness in all its members in order to prepare them for their future. We also collectively try to ingrain in them the values, ethics, and principles of life. The year commenced with vigour as all three wings undertook offline training and online review sessions during weekends. The two debating wings (MUN and PD) held interactive and challenging discussions and debates in their respective formats. The Creative Writing wing partook in meetings that were not just imaginatively out-of-the-box, but also strengthened its grey matter as it took to competitive reporting under MUN competitions as IP (the International Press Corporation).

AAKHYAN- A Turncoat Debate Competition (12<sup>th</sup> August 2023), Trenchant (The English Debating Society) and Vachik (The Hindi Debating Society) of Maitreyi College in collaboration with Students’ Union organized an Online

Turncoat Debate competition named 'Aakhyan' in view of Independence Day centered around the theme of 'Inclusive Development'. The entire event was conducted in two rounds. Debaters received the motions for each round a day in advance. The debating format required the participants of both rounds to speak for and against the motion given to them. Round One was held on August 7, 2023 and required each registered participant to submit a 3-minute video entry, speaking on the topic. The speeches then underwent evaluation and a handful of exceptional entries were chosen to proceed to the Final Round. Round Two was conducted on an online platform (Google meet) on August 12, 2023 and the motion was 'This House Believes That India should prioritize self-reliant policies over Foreign Direct Investment to foster economic growth.' The Final Round was initiated with an introduction of the esteemed Judges, after which the participants were addressed directly and motivated by the judges themselves, paving the way for commencement of the debate.

FRAYED FABLES – An on-the-spot Creative Writing Competition (4<sup>th</sup> April 2024), Frayed Fables was an on-the-spot creative writing competition held on the first day of Rhapsody, the annual fest of Maitreyi College. The theme was 'bittersweet bond of memories'. The competition aimed to encourage writing while exploring the theme of difficult relationships throughout history and fiction and discover new talent. The participants were assigned characters or personas from different categories and creative pieces had to be written from the perspective of the said persona, revolving around the relationship the characters shared. The competition was judged by professors of Maitreyi College, Dr. M Tianla and Ms Krishangi Singh who graced the competition with their illuminating presence. Participants were judged on originality and creativity, creative use of language, relevance to theme, and congruence.

SASHAKT – A Conventional Debate (5<sup>th</sup> April 2024), Sashakt was a Conventional Debate Competition organised on 5th April, 2024 under Rhapsody, the annual fest of Maitreyi College. The participants registered in teams and the motion for the debate was given a day in advance. The motion for the debate was, "This House Prefers a world where parenting is a choice rather than a norm." The participants went on to give thoroughly engaging speeches, truly capturing the essence of the motion and its relevance in status quo. On October 18<sup>th</sup> 2023, Trenchant also organised an EXHIBITION DEBATE, open for the students of Maitreyi college. This was done to bring awareness within the college and ensure that people understand the different formats of debating done under Trenchant. The event saw an enthusiastic participation from the members of the society who showcased their debating and adjudicating skills in front of newly inducted members and students of the college.

### **VACHIK, THE HINDI DEBATING SOCIETY**

Vachik, meaning verbaliser, is The Hindi Debating Society of Maitreyi College. 'Vachik' is one of the renowned societies in the DU Debating Circuit. The Society was established in 2018 and despite being relatively new, on top of experiencing the lockdown, the members have been achieving a lot, the achievements are not limited to Delhi University, but the students have bagged positions in many Competitions conducted by Ministries, National & International Institutions. As debaters, we learn the expression of thoughts and analysis according to the need. We enthusiastically discuss different ideas and events. This ensures that we grow together as better human beings. At Vachik, we believe in teaching the right approach to anything, be it the topics or life. We at Vachik teach our students about the art of argumentation, where students learn to speak backed with logic and knowledge. Vachik organised five competitions in the session (2023-2024), AAKHYAN- A Turncoat Debate Competition- (12th August, 2023), Aakhyan was a turncoat debating competition organised on 15 August, 2023 on behalf of 'Azadi ka Amrit Mahotsav', under Students' Union, in collaboration with Trenchant - The English Debating Society of Maitreyi College. This competition aimed at knowing the skill of presenting the content of both the sides - for and against, in a given frame of time that too in a single speech. The competition was held in 2 levels - Level 1 and 2. Those who qualified level 1, participated in level 2. We witnessed some of the best talents for the same. VANI-FRESHER'S PARLIAMENTARY DEBATE TOURNAMENT-(20-21 October, 2023), Vachik organised its Second Edition

of annual freshers' Parliamentary Debate Tournament under the third edition of its Annual Freshers' Series - Vani. It helps the newcomers develop in the most suitable environment. The tournament took place between 30 teams. The top eight teams qualified for the knockout matches. The Tournament comprised 52 matches in total. It was a learning experience for all the members and participants. VIDUSHI MAITREYI SMRITI PARLIAMENTARY DEBATE TOURNAMENT- (8-9th March, 2024) Vachik organised its first edition of its UG Parliamentary Debate Tournament. It was an initiative to pay tribute to great philosopher Vidushi Maitreyi, on whom our college is named. It is one of the esteemed competitions in Debating Circuit and we experienced extremely enthusiastic and talented participants from different colleges. The tournament comprised 55 matches. The competition was held for 2 days and both the days were very enriching and everything was smoothly organised. DRISHTIKON- (4-5th April, 2024), Vachik organised two competitions under its Flagship annual event, Drishtikon held under Rhapsody- The Annual Cultural Fest of Maitreyi College. A Conventional Debate Competition (4th April, 2024), This competition was organised to get different insights of the proposed motion. This also gave opportunity to all the orators to showcase their skills and use their creative mind to form unique arguments. The competition was judged by some of the most renowned debaters of the Debating Circuit. A Self Composed Poetry Competition (5 April, 2024), This competition was sponsored by Micon - a community which supports budding poets. This provided a platform to all the new poets. It was a very thrilling, exciting and enriching experience for all the participants and organising students.

### **VISTA, THE PHOTOGRAPHY SOCIETY**

**Vista**, the photography society, had an eventful and fruitful year wherein we not only conducted intra-society activities such as numerous photowalks to various places in Delhi, such as Chandni Chowk, Yamuna Ghat and Safdarjung's Tomb to name a few, and monthly themes wherein all members click photos based on a single theme- which we then post on our Instagram account as well as showcase in our society magazine, along with the continuation of our on campus interview and photography series called The Maitreyi Show. We also released yet another Annual edition of our society magazine, Bokeh- both online, and in hardcopy during Rhapsody. In addition to this, we also expanded the activities outside of college and our society by collaborating with societies from other colleges on photo walks such as Panache- the fashion society from Ramanujan and Galore- Maitreyi's fashion society, and we organised 4 inter-college competitions in this year wherein we saw a combined participation of 200+ photography enthusiasts in our events.

To name them, we held Liberation 23, an online photography competition under Azadi ka Amrit Mahotsav, Mirth'23 during the Diwali Mela Sparkles which was an offline event, and 2 competitions under Rhapsody- Memoir, offline on the spot photography and Shutter Stories, online photo story competition. Along with this, we also held our annual exhibition, Lamhe, and 2 stalls wherein we display and sell our members' work in the form of polaroids, prints and postcards. Last but not the least, we are also currently working on a short film in collaboration with the college's film making society, Filmesque, that is currently in production. Alongside all these society events, our members also enthusiastically volunteered to cover 20+ college events throughout the year and participated in 50+ competitions throughout the year throughout DU, both online and offline, and won 6 awards.

### **ZEAL, THE WESTERN DANCE SOCIETY**

**Zeal**, The Dance Society provides students an opportunity to become a better dancer by providing them training in various dance techniques through workshops conducted by professionals. The Society is growing stronger and more confident every year with the intention of incorporating new dance forms in its productions. It strives

to help each member embrace the therapeutic benefits of dance, build self-esteem, confidence, creativity and self-discipline, and to reveal, nurture and create opportunities for the talents and abilities that may exist. At the beginning of the season, Zeal organized two auditions and a dance workshop. The auditions, held on 26<sup>th</sup> August 2023 and 19<sup>th</sup> September 2023. Zeal also successfully hosted their annual group dance competition - Match The Beat 2024 under Rhapsody. It gathered numerous registrations and had participation from 13 teams from many different Delhi University colleges. Through the session of 2023-24 Zeal Dance Society of Maitreyi college has participated in around 17 fests and more to come. The names of all the fests Zeal has attained positions hitherto, IMS Ghaziabad, 2<sup>nd</sup> POSITION; Shri Aurobindo College, 1<sup>st</sup> POSITION; Delhi College of Arts and Commerce (Departmental fest), 2<sup>nd</sup> POSITION; Kalindi College, Special Mention; PGDAV College, 3<sup>rd</sup> POSITION; Sri Venkateswara College, 3<sup>rd</sup> POSITION; Dyal Singh College, 3<sup>rd</sup> POSITION.

### ACHIEVEMENTS CELL

The **Achievements Cell** saw outstanding achievements from all three wings. The Parliamentary Wing put forward a spectacular performance throughout the academic year. Our members brought laurels to the society by breaking till finals several times as a debater. This year the PD wing focused equally at adjudication and the members were able to bring several adjudicator breaks which helped in the expansion of our society's influence in the DU circuit and beyond. Members participated in reputed tournaments organised by Hindu College, NSUT, DDUC, IIT (ISM), SRCC and many more. The Model United Nations wing had a staggering year, succeeding at receiving positions at most competitions they participated in. The aspiring young diplomats added to the pride of the college with 3 Best Delegate Awards, 3 High Commendation, 7 Honourable Mentions and several special and verbal mentions at conferences organised by reputed colleges of Delhi University included KMC, SBS, JMC, SVC and several independent organisations like Ortus and Invictus.

The Creative Writing Wing further helped trenchant feel much more strong as a society and added several feathers to our hat. Our writers secured several first, second and third positions in writing competitions organised by various institutions and colleges including Gargi College, ARSD college, DTU, KMC, and independent contests organised by private bodies. Additionally, members of the CW wing also participated in Internal Press as Journalist and won Best Journalist and Special Mention awards. In conclusion, this academic year for trenchant was a leap towards forming an inclusive debating society which has potential to grow into the society that caters to the passions and ambitions of budding debaters and writers of this college. Through our commitment to excellence, we have not only honed the art of persuasive argumentation but also cultivated a community where ideas are celebrated and challenged in the form of beacons of poetic pieces and other writing formats. As we reflect on our achievements, we will continue to champion the power of dialogue and exchange, inspiring the next generation of leaders and thinkers to engage thoughtfully and vehemently in shaping the future.

### MARKETRICKS, THE MARKETING SOCIETY

**Marketricks**, The Marketing Society successfully organized 'MARKETRICKS' featuring 4 episodes, covering diverse themes from career development in Marketing to risk management, professional qualifications, and personal narratives. Each session, led by expert speakers Gagan Singh, Subhashish Nath, Puneet Malhotra, Susheel Prabhakar and Ms. Moksha Agarwal engaged attendees with valuable insights, fostering a positive and empowering atmosphere. These events were well-received, attracting over 50 to 90 participants, highlighting the society's commitment to enriching discussions and professional development opportunities. Marketricks, as part of 'Azadi ka Amrit Mahotsav' organized a successful online event in August 2023 celebrating cultural diversity

through various marketing strategies. The event highlighted how products can transcend political borders by resonating with the diverse preferences of India's regions, emphasizing the crucial link between effective promotion and audience preferences for widespread acceptance. Marketricks also conducted its recruitment drive with the goal of introducing Marketricks to the 1<sup>st</sup> year students, expanding the society's membership and fostering a sense of camaraderie among its members. Marketricks, as part of Maitreyi College's 'Diwali mela Sparkles 2023', hosted 'Markival-Yeh Diwali Marketing Wali', a cultural event with 20 competing teams. Marketshastra, organized by Marketricks as part of Maitreyi College's Rhapsody '24 on 4th April 2024 featured two exhilarating marketing battles: Markiverse and Screen Clash. Markiverse delved into Business Creativity and Strategy, blending innovative thinking into a cosmic journey of "CREATEGY" in both preliminary and grand finale phases. Screen Clash immersed participants into the world of OTT movies and series, challenging them to create captivating multimedia experiences. These events showcased talent, creativity, and competitive spirit, leaving a remarkable impact on the marketing landscape. Marketricks also published their monthly issues of "MARKTIMES-Annual Magazine of Marketricks" successfully.

### **EESHAAN (ईशान) the North East Cultural Society**

**EESHAAN** is The North-East Cultural Society of Maitreyi College. It was set up in the year 2023, The word **EESHAAN** "ईशान" (in Sanskrit) symbolises the north-eastern direction and is considered to be the most auspicious direction. **ईशान** welcomes all students who want to contribute and bring forth India's indigenous and traditional skills from different parts of the hills and the plains.

The Eeshaan volleyball team in collaboration with Shyama Prasad College delivered an outstanding performance in NESSDU sports that won them the first prize in Volleyball, for which they were commended in the ceremony. Eeshaan scored another gold medal in arm wrestling by second year sociology honours student Kago Monya.

**ईशान** Organised its first Cultural fest on 26th April 2024. Starting with a lamp lighting and inspiring words from Prof. Haritma Chopra, Principal Maitreyi College underlining the unity in diversity between the cultures of northeast India and the rest of India. Mr. Ginmunlal Khongsai, Convenor of the society, was the next to address the crowd, who delivered an impactful speech with delightful humor about the similarities in the differences of conduct of north-east Indians and the entirety of India, that received much cheers from the audience.

There were a number of shows which included dancing, singing, presentations by the respective state representatives, story telling, debunking the myths about Northeast and ended with a beautiful attire show. The students of the northeast society performed their award winning 'Seven Sister's Dance' that fetched them first prizes in both Atmaram Sanatan Dharma college and Maharaja Agrasen College among many others, displaying the varying dance forms and the state costumes of the 7 states. The state representatives of all Northeast states and Ladakh presented an informative virtual tour outlining the various cultures and specialties of their states, that was followed by various cultural performances including songs, dances and storytelling.

The event came to an end with an ethnic walk of every participating student. The event was a success with attendance of over 80 participants, and several notable faculty members including Prof. Ritu Dhingra Convenor IQAC who also took part in the Ethnic Walk and wished the best of luck to the Eeshan family.

## Maitreyi College Hosts Sanskrit Week Extravaganza in Collaboration with Sanskrit Bharati Delhi Prant

New Delhi  
The Department of Sanskrit at Maitreyi College orchestrated a grand celebration of Sanskrit Week in partnership with Sanskrit Bharati Delhi Prant. This momentous event, spanning from August 27, 2023, to September 4, 2023, featured a series of cultural festivities. Traditionally, Sanskrit Week commences every year, globally celebrated on the auspicious day of Shrawan, during which Indians across the world commemorate festivals such as Rakshabandhan, Shrawan Upakarma, and Yajnopavit Sanskar with utmost devotion.

Under the astute guidance of Principal Prof. Haritma Chopra, the Sanskrit Department's students and professors curated a diverse range of cultural programs. These included the Sanskrit signature campaign, Sanskrit

dhyaevakya pronunciation, Sanskrit shloka recitation competitions, and insightful presentations exploring the philosophical, social, and scientific dimensions of Indian festivals. The audience for these events comprised students from various academic disciplines within the college.

The inaugural day of Sanskrit Week saw Dr. Sushil Kumar, the Prant Mantri of Sanskrit Bharati Delhi, and coordinator Mr. Ansh Kumar sharing valuable insights regarding career prospects in Sanskrit. Dr. Pramod Kumar Singh, a distinguished faculty in the Sanskrit Department at Maitreyi College and Secretary General of CISR, also provided students with practical tips for creating online content in Sanskrit.

In the closing session held today, students and faculty members from the department enthusiastically participated, drawing accolades from Dr. Sushil Kumar, the Department TIC. This initiative, aimed at promoting Sanskrit, received high praise for the commendable efforts put forth by college students. Their passion and keen interest in unraveling the scientific intricacies of Sanskrit were truly remarkable.

**Fashion: Footprints Unravelling the Environmental Consequences of Fast Fashion**

**Do You Know?**

- The quick production of fast fashion uses a lot of energy, water, and other chemicals used in fabric treating and dying damage ecosystems, pollute water supplies, and endanger human health.
- Due to the throwaway culture of fast fashion, 85% of clothing made is landfilled in 1 year.

Why you should register?

- Students will grasp the health and environmental issues linked to fast fashion.
- This workshop offers a fresh perspective on understanding the practices and policies necessary for the sustainable use and production of fashion clothing.
