We are proud to have such a dynamic leader amongst us. We welcome you mam!

I think it will be good to say that my address today is a prologue to the magnificent story you will discover in the College Annual Report 2023!

So let me begin by saying that this year has been special because we've witnessed a harmonious symphony of milestones—in India, Delhi University and at Maitreyi College. Our country has been conferred the G20 Presidency, Delhi University continues its notable Centenary Celebrations and at Maitreyi we proudly celebrate the mammoth A++ Grade secured by our college during the recent second NAAC accreditation cycle. Additionally, Maitreyi is all set to throw its doors open to Students-in-Residence on our college campus as the College Hostel becomes operational in the upcoming academic year.

Let the joy of these milestones resound in this hall and let us all join in a huge round of applause!

I believe with each step-up, comes greater responsibility. As the A++ Grade gives us new wings, as an institution, we continue to reinforce certain values that take the college banner still higher. All initiatives in the college are pivoted around certain core values-- Capacity Building, Skill Enhancement, Self-Sustainability and National Integration. And I will share with you a glimpse of the outcomes of this system of values.

Meritorious Academic Achievements

- This year the college witnessed a pass percentage of 97.13%, with over 95.03% students securing first division across all departments. My congratulations to the hard work of students, faculty and

the non-teaching staff whose tireless efforts made this possible!

A special recognition is due here to our student Khushi Wason from B.Com(Programme), who secured first position in University of Delhi final examinations. She had a CGPA of 9.33. A big commendation to her!

- Our students never fail to do us proud. 12 students from different departments of our college, secured a place amongst the top 10 scorers in the final examination of the University of Delhi. My congratulations to them all!
- Our faculty has been actively engaged in research that is both significant and substantial. This year we've had 16 Book Publications, 80 Research Paper Publications, 1 International & 1 National Patents, 26 Book Chapters, and 36 Paper Presentations by our faculty, on both national and international platforms. They have also held important positions of academic merit, have been invited as resource persons and have been part of various FDPs and Refresher Courses. My congratulations to them all!
- Here I'd also like to make a mention of Mrs. Poonam, working in our Library as a Semi Professional Assistant. She has acquired a Ph.D. Degree in Library Sciences from Baba Mastnath University (BMU), Rohtak. Title of her research is- "Use of Social Networking-sites by the Faculty and Research Scholars of Govt. University Libraries of Delhi and Haryana: A Comparative Study." Many congratulations to Mrs. Poonam!
- Now I'd like to thank all those who have instituted awards and freships to provide financial support to our meritorious students. Many of our retired teachers sponsor these awards. It is heartening to note how the *Maitreyi Kutumb* spans way beyond the mere precincts of the college.
- Continuing in this tradition, the joint effort of our faculty and students has also resulted in numerous publications pioneered by the college. It is a matter of pride for us to share that the college has an International Bi-annual, Peer-reviewed and Multidisciplinary Research Journal, *Vantage* and Peer-reviewed E-Research Magazine *Samvedna*, both of which have ISSN numbers and are published in two issues each year. The college magazine *Maitreyi* is published with an ISBN number. Additionally we have 9 newsletters and magazines by the different departments of the college and 3 magazines, one each by the Entrepreneurship Cell, Placement Cell and the Photography Society.

Today, we shall witness a collective launch of all these publications of Maitreyi College. As the college gets prolific in research, it merits an equally large commemoration. My congratulations to the students and faculty members without whom this milestone would not have been possible!

Moments like these are true reminders of the fact that the collaborative and consistent effort indeed bears fruit that is savoury and sweet.

Initiatives for Capacity Building and Skill Enhancement

- "The times they are-a-changing", said a famous musician-poet. Keeping pace with the changing times is mandatory for growth. The present day requires one to be interdisciplinary in ideas and multifaceted in capacities. Keeping in line with this thought, the college initiatives are engineered to make students industry-ready.
- In this regard *Meraki*, the Entrepreneurship-Cell of the college has been doing great work. It

creates opportunities for students, which enable them to work on their passion and explore the potential of converting it into a career opportunity. The college incubates student start-ups, giving them a platform to bring their entrepreneurial ideas to fruition. This year the college started a new initiative--the *Startup Bazaar*-- where students get an opportunity to display their products from their own innovative ventures and generate revenue for themselves. Starting young, students get a flavour of the demands and challenges of entrepreneurship and they learn to navigate situations successfully. The numbers in the Report speak for themselves.

- One of the key abilities for professional competence is the ability to think critically, analyse and innovate. These, and other skills are honed through a wide array of Short-term and Certificate Courses offered by different departments in the college. This year 550 students benefited from such courses.

Additionally, one must note here that it is not just students who benefit from such initiatives, but in the process teachers too become beneficiaries of the same values—that is self-sufficiency and skill-development. Our faculty members design their own Certificate Courses, Short Term Courses that are rolled-out either free of cost or at a subsidised cost. Forming a curriculum to meet the immediate needs of students makes teachers self-sufficient in pedagogy. They not only innovate and collaborate with other institutions but also extensively use ICT to make pedagogy effective. This year 6 such courses were designed by our faculty from the department of Computer Science, Maths, Political Science, Sanskrit and Zoology. From a total of 13 courses this year, 6 were faculty-designed and 7 were collaborative and coordinated courses. 4 language courses were offered in collaboration with the Department of Germanic and Romance Studies, University of Delhi and a course on legal literacy was offered in collaboration with New Delhi District Legal Services Authority (NDDLISA). Along with this, our teachers have also been engaged as resource persons on various academic platforms.

- Thinking of Skill Development and Capacity Building, what also comes to mind is our Centre for Research (CFR) and the allied body Advisory Committee for Professional Grooming (ACPG)) both of which that groom students for research. This year 27 SIPs (Student Internship Projects) and 10 ARPs (Annual Research Projects) were successfully completed. A significant outcome of such intensive training in research is that many of our students have published research articles in various international and national journals of repute.

Our heart indeed swells with joy as we go over such stellar accomplishments of our dynamic young girls!

- Here I must make a mention of Pragya Narain Shrivastava, a student of B.Sc (P) Life Sciences in our college. She was an international delegate at the Conference at Harvard University and full merit-based scholar under the Harvard Project for Asian and International Relations. Her presence at the Conference was fully funded. Does this not speak volumes about the effort and motivation of our students. My hearty congratulations to Pragya!

Two other students deserve a special mention here. Antra Sharma and Avishi from BA(H) Economics got the Millennium Fellowship for their projects “Strimay” and “Shiksha” respectively. The Millennium Fellowship is a semester-long leadership development program recognized and supported by United Nations Academic Impact and Millennium Campus Network. Many congratulations to Antra and Avishi for the distinctive recognition of their talent!

- They say that success tastes the sweetest when shared. At Maitreyi, we've joined the university-wide Centenary Celebrations by threading together our academic initiatives with the theme 'Expanding Frontiers of Knowledge'. It is a theme befitting the celebration of excellence of an academic institution of global repute. Hence, this year, our Annual International Conference *Equinox* and the research journal *Vantage* were pivoted around the said concept. With a vision to be a world knowledge centre, this theme commemorates the excellence we consistently strive for as a nation, university and college.
- As we expand the frontiers of knowledge, we also commit to enriching the youth with the requisite system of social values. This helps them effectively contribute to the growth of our society and country.

Here I'd like to make a mention of *Nrityakriti*, the Indian Dance Society of our college. The society stood First in a Competition organized by the Delhi University Cultural Council. Their performance of *Karrakattam*, a folk dance of Tamil Nadu, was widely appreciated on forums both national and international. Studying at a University in North India, these young girls closely observed, understood and showcased the culture of the South. This is a fine precedent of the ethos of national integration. This goal is outlined in the National Education Policy (NEP), and we as a college have worked to actualise it.

As student activities showcase the actualisation of the NEP, research efforts by our faculty are also concurrent. Here I'd like to mention Ms. Nupur Chawla, from the Department of English. She presented a paper at the MLA Annual Convention in San Francisco, California. In her paper she discussed the dynamics of an Inclusive Classroom in the context of the NEP. Her paper was selected for inclusion in the Presidential theme at the Convention and it was met with a lot of interest at the global platform. My congratulations to her!

Students of our Fine Arts Society *Artisto* and Photography Society *Vista*, also capture diversity in thought and culture through their artistic presentations. The entire college comes alive with installations of unique visual works by the two societies. These works present students' varied imaginations and interpretations, decorating the college precincts with a vibe that is diverse yet inclusive.

The ethos of inclusivity is also reflected in performances by the Western Music Society *Apollonia* and Indian Music Society *Riyaaz*, and in the mesmerizing dance performances by the Western Dance Society *Zeal* and the Indian Dance Society *Nrityakriti*. The Dramatics Society *Abhivyakti* has also staged performances that bring one's attention to issues of social importance. The college Fashion Society *Galore* brings out social issues through their carefully choreographed acts. Ethos reflected in these performances are carved into carefully chosen words of the Indian Debating Society *Vaachik* and the English Debating Society *Trenchant*.

Such a coming together of Indian tradition with the Western one was witnessed on stage, during the NAAC Peer Team visit to our college. Performances by these cultural societies hinged around the theme 'Inclusivity'. Each of these performances struck a crucial chord with the experts as a fine presentation of one of the key features of the NEP.

- Co-curricular and extra-curricular activities continue to add value to academic pursuits. The result of this is evident in the numbers of the college Placement Cell. This year 218 students got job placements and 171 students got internships in companies of high repute. This number showcases a 147.7% jump in the number of jobs and internships bagged by students this year. My congratulations to the team!

- While the college focuses on skill development and capacity building, an equal emphasis is laid on personal grooming and social responsibility to create well rounded-citizens of tomorrow.

Our college NSS has achieved various milestones one of which is the successful culmination of the Annual Kids Carnival *Navoudit*. The event this year witnessed participation of 2500 children in different stage shows and competitions. Children deprived of basic needs, perform at this event after undergoing a three month training. It is a matter of immense pride that our very own college students are involved in training these children. This is a crucial step towards social responsibility practised by our students.

Our college also has a decisive role in the *Enactus*, a student level non-profit organisation that aims to uplift the marginalised sections of society through entrepreneurial action. *Enactus Maitreyi* has been diligently working towards the fulfilment of this aim. This year they organized various donation drives, and events. *Enactus Maitreyi* was approached by the *Enactus of Jesus and Mary College* to arrange a field visit to Maitreyi College for observing the working of our compost pits. Environment, entrepreneurship, social outreach—no domain is untouched by *Enactus Maitreyi*.

- In Sports, the college hosts various special training programs, unified tournaments in association with the Olympic Baharat. Students team-up with the differently abled athletes for matches and sometimes train together as well. Such practices go a long way in fostering sensitivity and inclusivity.

Along similar lines, the Enabling Unit of the college, does substantial work each year. It generates funds from events, courses, workshops and other initiatives organized periodically. The funding generated thus is used to purchase software, equipment and other infrastructure needed for facilitating the differently abled students, faculty and scholars from outside the college as well. This is a remarkable contribution to the ethos of self-sustainability encouraged by the college.

Students, teachers, departments, different cells and cultural societies of the college work in perfect coordination, while also proving to be self-sustaining in ways more than one.

- And as the frontiers expand at Maitreyi, the engagement of the *Maitreyi Kutumb* also reaches national and international proportions. As a Principal, I was invited as an Expert at the Leadership Program for the Principals organized by the National Institute of Education and Planning (NIEPA). The positive feedback to the talk garnered a recommendation for our college by the Directorate of Higher Education of Andhra Pradesh. Maitreyi College became a model institution to study the workings of IQAC and other mechanisms of higher education. As a result, 36 principals, of different colleges across Andhra Pradesh, visited our college.
- The College has also made a mark at the global level. This year we hosted 21 students from different universities in New Zealand. They spent two days in the college and also joined us for the Annual Cultural Fest *Rhapsody*. It was a joyous occasion that witnessed cross-cultural interaction amongst students. Further, many of our faculty members also got published internationally and presented papers in Conferences abroad. Dr. Pramod Kumar Singh, from the Department of Sanskrit got a simultaneous teaching position as an Adjust Faculty at the Institute of Advanced Studies, USA. Dr. Smriti Singh, from the Department of English is also slated to present a paper at a conference in Argentina.
- The college accolades don't end here. Our Garden Committee and the gardeners deserve a special mention for their hard work all the year round. The result is evident in the awards they get for the college. In this year's Annual Flower Show of the University of Delhi, Maitreyi College bagged the "Delhi College Cup" for Best Rock Garden, "Janaki Amma Cup" for best border of flowers. We also

won the Second Prize in the 'Lawn' category, Third Prize in the category 'Herbal Garden', and 12 prizes in the cut flower category. I congratulate all our Gardeners for winning these titles for the college.

- At Maitreyi, we work together as a closely knit unit. So when it is time for some amongst us to bid farewell, it indeed is a tender moment. But we always wish our colleagues the very best! This year our 4 faculty members and 3 members from the non-teaching staff retired. Dr. (Mrs.) Surinder Kaur Malhotra (Department of Punjabi), Dr.(Mrs.) Kiran Pandey (Department of Political Science), Dr. (Mrs.) Swapna Ray Jain (Department of Physics) and Dr. Alka Vadakan (Department of Botany). From the non-teaching staff Mrs. Kamlesh Bhalla, Sh. Chamel Singh and Sh. Janam Singh have retired.

We express our gratitude for their significant contribution to this institution and wish them the very best in life ahead.

With this I bring my speech to a close. As we celebrate the tradition of growth and excellence at Maitreyi, on this 56th Annual Day, I wish we keep this fire burning and scale new heights with each passing year. I'd like to thank Students Union Convenors and their entire team, the Convenors of all societies and committees who've worked tirelessly throughout the year along with the equally indispensable support of our non-teaching staff. It is indeed a show collectively run by all!

A befitting parting thought for today is conveyed in this excerpt from a poem by our former Hon'ble Prime Minister Shri Atal Bihar Vajpayee Ji. He wrote,

क़दम मिला कर चलना होगा
बाधाएँ आती हैं आएँ
घिरें प्रलय की घोर घटाएँ,
पावों के नीचे अंगारे,
सिर पर बरसें यदि ज्वालाएँ,
निज हाथों में हँसते—हँसते,
आग लगाकर जलना होगा।
क़दम मिलाकर चलना होगा।

Thank You!

मुझे लगता है कि यह कहना ज्यादा अच्छा होगा कि आज का मेरा संबोधन कॉलेज की वार्षिक रिपोर्ट- 2023 में आपको मिलने वाली शानदार रिपोर्ट की प्रस्तावना मात्र है।

तो मैं यह कहते हुए अपनी बात शुरू करना चाहती हूँ कि यह वर्ष भारत, दिल्ली विश्वविद्यालय और मैत्रेयी महाविद्यालय के लिए एक सामंजस्यपूर्ण सिम्फनी की शुरुआत के रूप में एक मील का पत्थर साबित हुआ है। क्योंकि हमारा देश G20 का प्रतिनिधित्व कर रहा है, दिल्ली विश्वविद्यालय अपना शताब्दी समारोह मना रहा है और मैत्रेयी महाविद्यालय को, हाल ही में नैक मान्यता चक्र के दौरान, A++ ग्रेड प्राप्त हुआ है, जिसका हम बड़े गर्व के साथ जश्न मना रहे हैं। इसके अतिरिक्त मैत्रेयी महाविद्यालय अपने परिसर में रहने वाली छात्राओं के लिए छात्रावास के दरवाजे खोलने के लिए पूरी तरह तैयार है, क्योंकि आगामी शैक्षणिक वर्ष में महाविद्यालय का छात्रावास चालू हो जाएगा।

तो आइए! इन सभी उपलब्धियों की खुशी, हम सब की तालियों की गड़गड़ाहट में शामिल होकर, इस हॉल में गुंजायमान हो।

मेरा मानना है कि हर बड़े कदम के साथ बड़ी जिम्मेदारी आती है। जैसाकि A++ ग्रेड ने हमें नए पंख दिए हैं, एक संस्था के रूप में, हम कुछ ऐसे मूल्यों को सुदृढ़ करते हैं, जो महाविद्यालय के नाम को और भी ऊंचाई प्रदान करते हैं। महाविद्यालय की सभी पहलें - क्षमता निर्माण, कौशल वृद्धि, आत्म-स्वावलंबन और राष्ट्रीय एकीकरण के मूल मूल्यों के इर्द-गिर्द केंद्रित हैं और मैं मूल्यों की इस प्रणाली के परिणामों की एक झलक आपके साथ साझा करूंगी।

मेधावी शैक्षणिक उपलब्धियां

- इस वर्ष महाविद्यालय में उत्तीर्ण प्रतिशत 97.13% रहा, जिसमें सभी विभागों में 95.03% से अधिक छात्राओं ने प्रथम श्रेणी प्राप्त की है छात्राओं, संकाय, गैर-शिक्षण कर्मचारियों को मेरी बधाई, क्योंकि उनके अथक प्रयासों और मेहनत से ही यह संभव हुआ है।
- हमारी ओर से बी.कॉम (प्रोग्राम) की हमारी छात्रा खुशी वासन को विशेष सम्मान दिया जाता है, क्योंकि उन्होंने फाइनल परीक्षा में 9.33 सीजीपीए के साथ दिल्ली विश्वविद्यालय में प्रथम स्थान हासिल किया है। मैं उसकी प्रशंसा करती हूँ और कहती हूँ कि हमारी छात्राओं ने पहले ही कॉलेज परिसर के बाहर अपनी जगह बनानी शुरू कर दी है।
- यहां मैं यह भी जोड़ना चाहती हूँ कि हमारे महाविद्यालय के विभिन्न विभागों की 12 छात्राओं ने विश्वविद्यालय की परीक्षाओं में शीर्ष 10 विद्यार्थियों की सूची में स्थान प्राप्त किया है।
- हमारे संकाय सदस्य भी अनुसंधान कार्य में सक्रिय रूप से लगे हुए हैं। इस वर्ष हमारे प्रकाशन कार्य में 16 पुस्तकें, 80 शोध- पत्र प्रकाशन, 1 अंतर्राष्ट्रीय और 1 राष्ट्रीय पेटेंट, 26 पुस्तक अध्याय, शामिल हैं और हमारे संकाय सदस्यों द्वारा राष्ट्रीय और अंतर्राष्ट्रीय दोनों स्तरों पर 36 से अधिक शोध- पत्रों का प्रस्तुतिकरण किया गया। वे महत्वपूर्ण शैक्षणिक पदों पर भी रहे और उनको रेसोर्स पर्सन के रूप में भी आमंत्रित किया गया इसके साथ- साथ वे विभिन्न एफडीपी और रिक्रेशर कोर्स का हिस्सा भी रहे हैं। उन सभी को मेरी बधाई।
- यहां मैं श्रीमती पूनम के नाम का भी उल्लेख करना चाहूंगी, जो हमारे पुस्तकालय में अर्ध-पेशेवर सहायक के रूप में कार्यरत हैं। उसने बीएमयू, रोहतक से पुस्तकालय विज्ञान में पीएच.डी. डिग्री प्राप्त की है। उनके शोध का शीर्षक है- "यूज ऑफ सोशल नेटवर्किंग साइट्स बाय फैकल्टी एंड रिसर्च स्कॉलर्स ऑफ़ द गवर्नमेंट यूनिवर्सिटी लाइब्रेरीज़ ऑफ़ दिल्ली एंड हरियाणा: ए कम्पेरेटिव स्टडी।" श्रीमती पूनम को बहुत- बहुत बधाई।
- यहां मैं उन सभी को धन्यवाद देना चाहती हूँ जिन्होंने हमारे मेधावी छात्रों को वित्तीय सहायता प्रदान करने हेतु पुरस्कार और फ्रीशिप की स्थापना की है। हमारे कई सेवानिवृत्त शिक्षक इन पुरस्कारों को प्रायोजित करते हैं। यह जानकर अत्यंत प्रसन्नता होती है कि कैसे मैत्रेयी कुटुम्ब महाविद्यालय के परिसर मात्र में नहीं बल्कि उससे परे भी फैला हुआ है।
- इसके अलावा, हमारे संकाय और छात्राओं के संयुक्त प्रयास के परिणामस्वरूप महाविद्यालय के कई प्रकाशन हैं। मैं बड़े गर्व के साथ इस बात को साझा कर रही हूँ कि महाविद्यालय में 2 अंतर्राष्ट्रीय शोध पत्रिकाएं 'वांटेज' और 'संवेदना' हैं, जिनके प्रत्येक एक वर्ष में दो अंक प्रकाशित होते हैं। कॉलेज पत्रिका 'मैत्रेयी' आईएसबीएन नंबर के साथ प्रकाशित होती है। इसके अतिरिक्त हमारे पास महाविद्यालय के विभिन्न विभागों द्वारा 9 समाचार पत्र तथा उद्यमिता सेल, प्लेसमेंट सेल और फोटोग्राफी सोसायटी की 3 पत्रिकाएँ भी हैं।

आज हम मैत्रेयी महाविद्यालय के इन सभी प्रकाशनों का सामूहिक शुभारंभ होते हुए भी देखेंगे। जैसे-जैसे महाविद्यालय अनुसंधान के क्षेत्र में उन्नति करता है, यह समान रूप से बड़े स्मरणोत्सव के योग्य हो जाता है। विद्यार्थियों और संकाय को मेरी बधाई, जिनके बिना यह मुकाम हासिल करना संभव नहीं था।

इस तरह के क्षण इस तथ्य की याद दिलाते हैं कि छात्राओं और शिक्षकों, दोनों का सहयोगात्मक और निरंतर प्रयास का फल निश्चय ही स्वादिष्ट और मधुर होता है।

क्षमता निर्माण और कौशल वृद्धि की पहल

- "समय बदल रहा है", एक प्रसिद्ध संगीतकार- कवि ने कहा है। विकास के लिए बदलते समय के साथ तालमेल बिठाना अनिवार्य है। वर्तमान समय में हमें विचारों में अंतःविषयक और क्षमताओं में बहुआयामी होने की आवश्यकता है। इसी सोच को ध्यान में रखते हुए महाविद्यालय ने छात्राओं को उद्योग के लिए तैयार करने की पहल की।
- इस संबंध में महाविद्यालय का उद्यमिता-प्रकोष्ठ 'मेराकी' बहुत अच्छा काम कर रहा है। यह छात्राओं के लिए अवसर पैदा करता है, उन्हें अपने जुनून पर काम करने और उसे रोजगार में बदलने की क्षमता को समझने में सक्षम बनाता है। महाविद्यालय की छात्राएं स्टार्ट-अप को इनक्यूबेट करती हैं, यहाँ उन्हें अपनी उद्यमशीलता को फलीभूत करने के लिए एक मंच मिलता है। हम एक स्टार्टअप 'बाज़ार' भी आयोजित करते हैं, जहाँ महाविद्यालय की छात्राएं प्रत्येक वर्ष अपने लिए राजस्व का अर्जन करती हैं। इससे कम उम्र में ही छात्राओं को उद्यमिता की मांगों और चुनौतियों के बारे में पता चलता है और वे परिस्थितियों को सफलतापूर्वक अपने नियंत्रण में करना सीख जाती हैं। रिपोर्ट में दी गई संख्याएँ इसके बारे में बताती हैं।
- पेशेवर क्षमता के लिए प्रमुख क्षमताओं में से एक है- गंभीर रूप से सोचने, विश्लेषण करने और नया करने की क्षमता। इन और अन्य कौशलों को महाविद्यालय में विभिन्न विभागों द्वारा प्रदान किए जाने वाले शॉर्ट-टर्म और सर्टिफिकेट पाठ्यक्रमों की एक विस्तृत श्रृंखला के माध्यम से पेश किया जाता है। इस वर्ष कुल 436 विद्यार्थी ऐसे पाठ्यक्रमों से लाभान्वित हुए।

इसके अतिरिक्त, यहाँ यह ध्यान रखना चाहिए कि इस तरह की पहल से न केवल छात्राओं को लाभ मिलता है, बल्कि आत्मनिर्भरता और कौशल-विकास के मूल्यों की इस प्रक्रिया में शिक्षक भी लाभान्वित होते हैं। हमारे संकाय सदस्य अपने स्वयं से प्रमाणपत्र पाठ्यक्रम, अल्पावधि पाठ्यक्रम तैयार करते हैं जो या तो निःशुल्क या रियायती दरों पर शुरू किए जाते हैं। तत्काल आवश्यकता को पूरा करने के लिए एक पाठ्यक्रम बनाना शिक्षकों को शिक्षण शास्त्र में स्वावलंबी बनाता है। वे न केवल अन्य संस्थानों के साथ नवाचार और सहयोग करते हैं बल्कि शिक्षण कार्यप्रणाली को प्रभावी बनाने के लिए आईसीटी उपकरणों का व्यापक रूप से उपयोग करते हैं। इस वर्ष कुल 12 कोर्स में से 6 सर्टिफिकेट और शॉर्ट टर्म कोर्स संकाय द्वारा डिज़ाइन किए गए। इसके साथ ही हमारे शिक्षकों को विभिन्न शैक्षणिक मंचों पर रिसोर्स पर्सन्स के रूप में भी नियुक्त किया गया है।

- कौशल विकास और क्षमता निर्माण के बारे में सोचते हुए, हमारे अनुसंधान केंद्र (सीएफआर) और पेशेवर ग्रूमिंग के लिए संबद्ध निकाय सलाहकार समिति (एसीपीजी) भी दिमाग में आता है, जो छात्रों को शोध के लिए तैयार करता है। इस साल 27 एसआईपी (स्टूडेंट इंटरशिप प्रोजेक्ट) और 10 एआरपी (एनुअल रिसर्च प्रोजेक्ट) सफलतापूर्वक पूरे किए गए। अनुसंधान में इस तरह के गहन प्रशिक्षण का एक महत्वपूर्ण परिणाम यह है कि हमारी कई छात्राओं के शोध लेख प्रतिष्ठित अंतरराष्ट्रीय और राष्ट्रीय पत्रिकाओं में प्रकाशित हुए हैं।

हमारा दिल वास्तव में खुशी से झूम उठता है जब हम अपनी ऊर्जावान युवा लड़कियों की ऐसी शानदार उपलब्धियों को याद करते हैं।

- मुझे यहाँ महाविद्यालय के बी.एससी. (प्रोग्राम) लाइफ साइंसेज कोर्स की छात्रा प्रज्ञा नारायण श्रीवास्तव का जिक्र अवश्य करना चाहिए। वह एशियाई और अंतरराष्ट्रीय संबंधों के लिए हार्वर्ड परियोजना के तहत एक अंतरराष्ट्रीय प्रतिनिधि और पूर्ण योग्यता आधारित अध्ययता थीं। यह पूरी तरह से वित्तपोषित सम्मेलन था क्योंकि इसमें किए गए सभी खर्चों को शामिल किया गया था। क्या यह हमारे छात्रों के प्रयास और प्रेरणा के बारे में नहीं बताता? प्रज्ञा को मेरी हार्दिक बधाई।

यहाँ दो अन्य छात्राओं के नामों का उल्लेख करना आवश्यक है। बी.ए. (विशेष) इकोनॉमिक्स, तृतीय वर्ष की अंतरा शर्मा और अविशी को मिलेनियम फेलोशिप क्रमशः उनकी परियोजनाओं "स्त्रिमय" और "शिक्षा" के लिए मिला। मिलेनियम फेलोशिप 'संयुक्त राष्ट्र शैक्षणिक

प्रभाव' और 'मिलेनियम कैंपस नेटवर्क' द्वारा मान्यता प्राप्त एवं समर्थित एक सेमेस्टर-लॉन्ग लीडरशिप डेवलपमेंट प्रोग्राम है। अंतरा और अविशी की प्रतिभा को विशिष्ट पहचान मिलने पर दोनों छात्राओं को बहुत-बहुत बधाई।

- कहते हैं कि सफलता को साझा करने से उसका स्वागत अधिक मीठा हो जाता है। हम मैत्रेयी से 'ज्ञान की सीमाओं का विस्तार' थीम के साथ अपने शैक्षणिक प्रयासों को एक साथ पिरोकर विश्वविद्यालय स्तर पर मनाए जाने वाले शताब्दी समारोह में शामिल हुए हैं। यह एक विश्वविख्यात शैक्षणिक संस्थान की उत्कृष्टता के अनुकूल है। इसलिए इस वर्ष हमने अपने वार्षिक अंतर्राष्ट्रीय सम्मेलन 'एकुइनोक्स' और शोध पत्रिका 'वांटेज' को उक्त अवधारणा के आस-पास ही केन्द्रित रखा। विश्व ज्ञान केंद्र बनने के लक्ष्य के साथ, यह थीम उस उत्कृष्टता का स्मरण कराता है, जिसके लिए हम लगातार एक राष्ट्र, विश्वविद्यालय और महाविद्यालय के रूप में प्रयास करते हैं।
- जैसा कि हम ज्ञान की सीमाओं का विस्तार करते हैं, हम युवाओं को सामाजिक मूल्यों की अपेक्षित प्रणाली से समृद्ध करने के लिए भी प्रतिबद्ध हैं। इससे उन्हें हमारे देश और समाज के विकास में प्रभावी योगदान देने में मदद मिलती है।

यहां मैं हमारे महाविद्यालय की इंडियन डांस सोसाइटी 'नृत्याकृति' का उल्लेख करना चाहती हूँ। दिल्ली विश्वविद्यालय सांस्कृतिक परिषद द्वारा आयोजित एक प्रतियोगिता में यह सोसाइटी प्रथम स्थान पर रही। तमिलनाडु के लोक नृत्य, करकट्टम के उनके प्रदर्शन को राष्ट्रीय और अंतर्राष्ट्रीय दोनों मंचों पर व्यापक रूप से सराहा गया। उत्तर भारत के एक विश्वविद्यालय में पढ़ने वाली इन युवा लड़कियों ने दक्षिण की संस्कृति को करीब से देखा, समझा और प्रदर्शित किया। यह राष्ट्रीय एकता के लोकाचार की एक बेहतरीन मिसाल है। इस लक्ष्य को राष्ट्रीय शिक्षा नीति (एनईपी) में रेखांकित किया गया है, और एक महाविद्यालय के रूप में हमने इसे साकार करने का कार्य किया है।

जैसाकि छात्राओं की गतिविधियां राष्ट्रीय शिक्षा नीति के यथार्थ-करण को प्रदर्शित करती हैं, हमारे संकाय द्वारा किया गया अनुसंधान सम्बन्धी प्रयास भी समवर्ती है। यहां मैं अंग्रेजी विभाग से सुश्री नूपुर चावला का उल्लेख करना चाहूंगी जिन्होंने सैन फ्रांसिस्को, कैलिफोर्निया में एमएलए, वार्षिक सम्मेलन में एक पेपर प्रस्तुत किया। अपने पेपर में उन्होंने एनईपी के संदर्भ में एक समावेशी कक्षा के बारे में चर्चा की। उनके पेपर को कन्वेंशन में प्रेसिडेंशियल थीम में शामिल करने के लिए चुना गया और इसे वैश्विक मंच पर बहुत प्रशंसा मिली। उनको भी मैं बधाई देती हूँ।

- हमारी फाइन आर्ट्स सोसाइटी 'आर्टिस्टो' और फोटोग्राफी सोसाइटी 'विस्टा' की छात्राएं भी अपनी कलात्मक प्रस्तुतियों के माध्यम से विचार और संस्कृति में विविधता को दर्शाते हैं। पूरा महाविद्यालय दोनों सोसाइटियों के अद्वितीय कार्यों के साथ जीवंत हो उठता है। ये सभी कार्य छात्राओं की विविध कल्पनाओं और व्याख्याओं को प्रस्तुत करते हैं, ये महाविद्यालय के परिसर को अपनी कलाकृतियों से सजाते हैं जो विविध होकर भी समावेशी होती हैं।
- समावेशिता का लोकाचार वेस्टर्न म्यूज़िक सोसाइटी 'अपोलोनिया' और इंडियन म्यूज़िक सोसाइटी 'रियाज़' के प्रदर्शनों में तथा वेस्टर्न डांस सोसाइटी 'ज़ील' और इंडियन डांस सोसाइटी 'नृत्याकृति' द्वारा मंत्रमुग्ध कर देने वाली नृत्य प्रदर्शनियों में भी परिलक्षित होता है। ड्रामाटिक्स सोसाइटी 'अभिव्यक्ति' ने भी अपने प्रदर्शनों में सामाजिक महत्त्व के मुद्दों को उठाकर ध्यान आकर्षित किया है। महाविद्यालय की फैशन सोसाइटी 'गैलोर' के प्रदर्शनों की कोरियोग्राफी बहुत ही प्रभावपूर्ण होती है और यह उन प्रदर्शनों के माध्यम से सामाजिक मुद्दों को सामने लाती है। इन प्रदर्शनों में परिलक्षित लोकाचार को हिंदी वाद-विवाद सोसाइटी 'वाचिक' और अंग्रेजी वाद-विवाद सोसाइटी 'ट्रेंचेंट' ने अपनी सावधानीपूर्वक चुने गए शब्दों के माध्यम से उकेरा है।
- हमारे महाविद्यालय में नैक पीयर टीम के दौरे के दौरान मंच पर पश्चिमी परंपरा के साथ भारतीय परंपरा का मेल देखा गया। इन सांस्कृतिक सोसाइटियों ने अपने प्रदर्शन का आधार 'समावेशी' विषय और उसके इर्द-गिर्द रखा। इनमें से प्रत्येक प्रदर्शन ने एनईपी की प्रमुख विशेषताओं में से एक की एक अच्छी प्रस्तुति दे कर विशेषज्ञों के साथ एक महत्वपूर्ण संबंध बनाया।

- सह-पाठ्यक्रम और पाठ्येतर गतिविधियाँ निरंतर अकादमिक कोशिशों में मूल्यांकों को जोड़ना जारी रखती हैं। इसका नतीजा महाविद्यालय की प्लेसमेंट सेल की संख्या में साफ दिख रहा है। इस साल करीब 218 छात्रों को प्लेसमेंट और 171 छात्रों को उच्च प्रतिष्ठित कंपनियों में इंटरशिप मिली। यह संख्या इस वर्ष छात्रों द्वारा प्राप्त की गई नौकरियों और इंटरशिप की संख्या में 147.7% की वृद्धि दर्शाती है। टीम को मेरी बधाई!

महाविद्यालय कौशल विकास और क्षमता निर्माण पर तो ध्यान केंद्रित करता ही है साथ ही छात्रों को कल के विकसित नागरिक बनाने के लिए उनके व्यक्तिगत विकास और सामाजिक जिम्मेदारी पर भी समान जोर दिया जाता है।

महाविद्यालय की एनएसएस ने भी विभिन्न उपलब्धियों को हासिल किया है, जिनमें से एक वार्षिक किड्स कार्निवल नवोदित का सफल समापन है। इस वर्ष के आयोजन में विभिन्न स्टेज शो और प्रतियोगिताओं में 2500 बच्चों की भागीदारी देखी गई। बुनियादी जरूरतों से वंचित बच्चे तीन माह के प्रशिक्षण के बाद इस कार्यक्रम में प्रस्तुति देते हैं। यह बेहद गर्व की बात है कि हमारे अपने महाविद्यालय की छात्राएं इन बच्चों को प्रशिक्षण देने में शामिल हैं। यह हमारी छात्राओं द्वारा सामाजिक जिम्मेदारी की दिशा में एक अभ्यास के रूप में एक महत्वपूर्ण कदम है।

हमारे महाविद्यालय में 'इन्वैटस' की भूमिका भी अत्यंत महत्वपूर्ण है, यह विद्यार्थी स्तर का एक गैर-लाभकारी संगठन है, जिसका उद्देश्य उद्यमशीलता की प्रक्रिया के माध्यम से समाज के हाशिए पर रहने वाले वर्गों का उत्थान करना है। इस उद्देश्य की पूर्ति के लिए 'इन्वैटस मैत्रेयी' पूरी लगन से काम कर रहा है। इस वर्ष उन्होंने विभिन्न दान अभियान और कार्यक्रम आयोजित किए। 'इन्वैटस जीसस एंड मैरी' महाविद्यालय ने कम्पोस्ट पिट्स के काम का अवलोकन करने के लिए 'इन्वैटस मैत्रेयी' महाविद्यालय से एक क्षेत्रीय भ्रमण की व्यवस्था करने के लिए संपर्क किया था। पर्यावरण, उद्यमशीलता, सामाजिक पहुँच- 'इन्वैटस मैत्रेयी' से कोई भी क्षेत्र अछूता नहीं है।

- खेलों में, महाविद्यालय 'ओलंपिक भारत' के सहयोग से विभिन्न विशेष प्रशिक्षण कार्यक्रमों, एकीकृत टूर्नामेंटों की मेजबानी करता है। विद्यार्थी मैच के लिए दिव्यांग एथलीटों के साथ टीम-अप करते हैं और कभी-कभी एक साथ प्रशिक्षण भी लेते हैं। इस तरह के अभ्यास संवेदनशीलता और समावेशिता को बढ़ावा देने में महत्वपूर्ण भूमिका निभाते हैं।

इसी तरह महाविद्यालय की समर्थ इकाई भी हर साल पर्याप्त काम करती है। यह समय-समय पर आयोजित कार्यक्रमों, पाठ्यक्रमों, कार्यशालाओं और अन्य पहलों के माध्यम से धन का अर्जन करती है। इस प्रकार अर्जित धन का उपयोग महाविद्यालय से बाहर के दिव्यांग छात्रों, शिक्षकों और विद्वानों की सुविधा के लिए आवश्यक सॉफ्टवेयर, उपकरण और अन्य बुनियादी ढाँचे की खरीद के लिए किया जाता है। आत्म-संवहनीयता के लोकाचार में महाविद्यालय का प्रोत्साहन एक उल्लेखनीय योगदान है।

इस प्रकार महाविद्यालय के विद्यार्थी, शिक्षक, विभाग, विभिन्न प्रकोष्ठ एवं सांस्कृतिक सोसाइटी पूर्ण समन्वय से कार्य करते हुए अनेक प्रकार से स्वावलंबी सिद्ध होते हैं।

- और जैसे-जैसे मैत्रेयी में ज्ञान की सीमाओं का विस्तार होता है, वैसे-वैसे मैत्रेयी कुटुम्ब का जुड़ाव भी राष्ट्रीय और अंतर्राष्ट्रीय स्तर पर बढ़ने लगता है। प्राचार्य के रूप में, मुझे राष्ट्रीय शैक्षिक योजना और प्रशासन संस्थान (एनआईपीए) द्वारा आयोजित प्राचार्यों के लिए 'नेतृत्व कार्यक्रम' में एक विशेषज्ञ के रूप में आमंत्रित किया गया था। वार्ता की सकारात्मक प्रतिपुष्टि प्राप्त होने पर आंध्र प्रदेश के उच्चतर शिक्षा निदेशालय से एक अनुशंसा प्राप्त हुई। मैत्रेयी महाविद्यालय आईक्यूएसी के कामकाज और उच्च शिक्षा के अन्य कार्यों की प्रक्रिया का अध्ययन करने के लिए एक आदर्श संस्थान बन गया है। परिणामस्वरूप, आंध्र प्रदेश के विभिन्न महाविद्यालयों के 36 प्राचार्यों ने हमारे कॉलेज का दौरा किया।

- महाविद्यालय ने वैश्विक स्तर पर भी अपनी पहचान बनाई है। इस वर्ष हमने अपने वार्षिक सांस्कृतिक उत्सव 'ऐप्सोडी' के दौरान न्यूजीलैंड के 21 छात्रों की मेजबानी की। ये हमारे वार्षिक सांस्कृतिक उत्सव 'ऐप्सोडी' में भी शामिल हुए और इन्होंने दो दिन महाविद्यालय में बिताए। यह एक खुशी का अवसर था जिसने विद्यार्थियों के बीच सांस्कृतिक- आदान- प्रदान करने का अवसर प्रदान किया। इसके अलावा, हमारे कई संकाय सदस्यों ने भी विदेशों में आयोजित सम्मेलनों में पत्र प्रस्तुत किए और उनके कार्य का अंतरराष्ट्रीय स्तर पर प्रकाशन हुआ। संस्कृत विभाग से डॉ. प्रमोद कुमार सिंह को एक साथ इंस्टीट्यूट ऑफ एडवांस स्टडीज, यूएसए. में अनुबंधक प्रोफेसर के रूप में शिक्षण पद मिला। अंग्रेजी विभाग की डॉ. स्मृति सिंह भी अर्जेंटीना में एक सम्मेलन में पेपर प्रस्तुत करने वाली हैं।
- महाविद्यालय की उपलब्धियाँ यहीं समाप्त नहीं होती। साल भर कड़ी मेहनत करने वाले हमारे माली और हमारी उद्यान समिति विशेष रूप से उल्लेखनीय हैं। उनको मिलने वाले पुरस्कार इसका प्रत्यक्ष प्रमाण हैं। मैत्रेयी महाविद्यालय ने सर्वश्रेष्ठ रॉक गार्डन के लिए "दिल्ली कॉलेज कप", बेस्ट बॉर्डर ऑफ़ फ्लावरर्स के लिए "ज्ञानकी अम्मा कप" जीता। हमने लॉन श्रेणी में दूसरा पुरस्कार, 'हर्बल गार्डन' श्रेणी में तीसरा पुरस्कार और कट फ्लावर श्रेणी में 12 पुरस्कार जीते। महाविद्यालय के लिए इन पुरस्कारों को जीतने पर मैं अपने सभी मालियों को बधाई देती हूँ।
- मैत्रेयी में हम एक-दूसरे के साथ मिलकर एक इकाई के रूप में काम करते हैं। इसलिए इसलिए जब हममें से कुछ के लिए विदा लेने का समय आता है, तो वास्तव में वह क्षण कोमल और भावुक कर देने वाला होता है। लेकिन हम अपने सहयोगियों को असीम शुभकामनाएं देते हैं। इस साल हमारे 4 संकाय सदस्य - डॉ. (श्रीमती) सुरिंदर कौर मल्होत्रा (पंजाबी विभाग), डॉ. (श्रीमती) किरण पाण्डेय (राजनीति विज्ञान विभाग), डॉ. (श्रीमती) स्वप्ना रे जैन (भौतिकी विभाग) और डॉ. अल्का वडकन (वनस्पति विज्ञान विभाग) और 3 गैर शिक्षण कर्मचारी- श्रीमती कमलेश भल्ला, श्री चमेल सिंह और श्री जनम सिंह सेवानिवृत्त हुए हैं।

इस संस्था के लिए उनके महत्वपूर्ण योगदान के लिए हम उनके प्रति आभार व्यक्त करते हैं और उनके सुखद भावी जीवन की कामना करते हैं।

- इसी के साथ मैं अपनी बात समाप्त करती हूँ। लेकिन मैं ये मानकर अपनी बात खत्म करूंगी कि जैसे मैत्रेयी में हम इस 56वें वार्षिक दिवस पर विकास और उत्कृष्टता की परंपरा का जन्म मना रहे हैं, मेरी इच्छा है कि भविष्य में भी हम इस जोश को बनाए रखें और हर बीतते साल के साथ नई ऊंचाइयों को छूएं। मैं छात्र संघ संयोजक और उसकी टीम एवं सभी सोसाइटियों के संयोजक को धन्यवाद देना चाहती हूँ जिन्होंने गैर शिक्षण कर्मचारियों के बराबर सहयोग से पूरे वर्ष अथक परिश्रम किया है। वास्तव में यह हमारे सामूहिक प्रयास का फल है। तो आइए! उपलब्धियों की इस परंपरा को जीवित रखने के लिए हम सब एक नई उर्जा के साथ कदम मिलाकर चलें, मुझे इस समय भारत के पूर्व के माननीय प्रधानमंत्री अटल बिहारी वाजपेयी द्वारा लिखी पंक्तियां याद आ रही हैं, उन्होंने लिखा है-

क़दम मिला कर चलना होगा
बाधाएँ आती हैं आँ
घिरें प्रलय की घोर घटाएँ,
पावों के नीचे अंगारे,
सिर पर बरसें यदि ज्वालाएँ,
निज हाथों में हँसते-हँसते,
आग लगाकर जलना होगा।
क़दम मिलाकर चलना होगा।

धन्यवाद।

THE 1ST WORLD DISABILITY CONFERENCE (WDC)
(An International Interdisciplinary Conference)

On
CONTEMPORARY INTERVENTIONS IN DISABILITY DISCOURSE

organized by
Enabling Unit, Maitreyi College, University of Delhi

In collaboration with
Divyang Employees Welfare Association (DEWA), India

Schedule: June 27-29, 2022
Mode: Hybrid*

MOTTO: *Shree vaan bhadrā (VIEWING EVERYONE WITH AN EQUAL EYE)*

Disability is an inevitable part of evolved societies. Without including individuals of diverse backgrounds and capacities, to become a successful social setup. With the RPwD Act 2018 and new Education Policy 2020, more attention is to be focused on understanding the differently abled and issues concerning them, as they occupy the social margins. In short, to make society inclusive and barrier free, we need to be sensitive to the unique position of different so called. Hence, the significance of considering and discussing questions of importance to the differently abled.

itionally, with time we are confronted with new challenges. There is an urgent need for us to devise new ways of dealing with them. As a society progresses, the benefits of these developments do not reach all sections of society equally. Another context contributing to the barrier faced by the differently abled. The gap is not merely social but has its roots in socio-economic, psychological, and emotional. This highlights that concerns of the differently abled are inextricably linked with other issues such as gender, economics, environment and health. Scholars and experts, in respect to this, need to adopt an interdisciplinary approach and emerge perspectives on disability. This conference is one in a form where interventions from different disciplines are welcome.

It is an interdisciplinary conference open to students, research scholars, faculty members, social workers, professor chairs, health workers, engineers, lawyers, and others) and independent researchers. Abstracts in both Hindi / English are welcome. We invite papers that may be guided by but not limited to the following topic:
