

ANNUAL REPORT MAITREYI COLLEGE

CHIEF GUEST

Mr Santosh Kumar Taneja
Chairman, Governing Body
Maitreyi College

ANNUAL DAY
28 JUNE 2021

10.00 AM, Through Webinar

I extend a warm welcome to everyone on this prestigious occasion of the 54th Annual Day of Maitreyi College. We are pleased to have with us today Sh Santosh Kumar Taneja, Chairperson, Governing Body as he joins us in our celebration. I welcome you, Sir, on behalf of the entire Maitreyi Kutumb.

Taneja ji has worked in the public sector for several years till his retirement as Chief Engineer in 2003. He has always harboured a perennial passion for social service, especially in the field of education. His goal has been to make education accessible to the underprivileged in the society. With this aim, he has founded the NGO 'Sankalp' that offers free preparation support and instructions to meritorious students preparing for the UPSC examination. Mr Taneja firmly believes that bureaucracy and the judicial and political structures are of crucial importance to nation-building and that bureaucrats must exhibit the qualities of integrity, compassion and social sensitivity. This initiative that began in a small school in Haryana now has branches all over the country. We applaud your efforts, Sir and I once again extend a warm welcome to you.

Maitreyi College, an integral part of Delhi University's federal structure, came into existence in the year 1967 to impart higher education to women. It is no coincidence that the college bears the name of 'Maitreyi', an eminent scholar and sage of the Vedic period who symbolises an exemplary balance between tradition and modernity. It has been our endeavour to translate these ideals into our educational approach and system to entail holistic gains for our students and faculty. The college emphasises the dissemination of knowledge and the cultivation of personality. We have established a continuous and rounded tradition of achievements in academics, sports, social and cultural activities that now integrate into the very identity of the college.

Despite the challenges posed by the difficult times of the pandemic, Maitreyi College, like preceding years, retained its excellence in academics for this academic session too. A total of 1034 students appeared in the final year examination, and 756 students obtained 1st Division, 192 students obtained 2nd Division, and 30 students obtained 3rd Division. The overall pass percentage remained 93.84%, and nearly all Science Departments achieved a 100% pass percentage in their final year.

Our faculty members continued to earn laurels for the college through their multifaceted achievements in teaching, academics, and other activities.

- Dr Mala Kapur Shankardass received Swaavlabhika Samman Award 2021 for leadership and excellence in Gerontology and Elderly Care at the Women Achievers Fiesta 2021.
- Dr Pardeep Rai, Librarian, Maitreyi College, received recognition as Best Academic Librarian for Gidwani Deshpandey Best Academic Librarian Award.
- Dr Renu Gupta received 'Women Scientist Award (Discipline: Applied Zoology)' at International Conference on "Novel Aspects in Medicine, Allied Sciences and Technologies in Developing New Era-2020", organized by DNA Labs-A Centre for Applied Sciences (DLCAS), Dehradun-U.K. in collaboration with Uttarakhand Science Education and Research Centre (USERC), Department of Science and Technology (DST), Government of Uttarakhand.

In addition to this, our faculty members authored 09 books, contributed 35 chapters in edited collections, and published 42 research papers. I also feel proud to share that once again in this academic year, the expertise of our faculty has been recognised at various national and international platforms. 14 faculty members were invited to deliver talks at various events. 30 faculty members presented their research papers in 11 Conferences, and 24 faculty members developed e-resources/ modules in workshops and short-term courses.

As a college, we provide ample opportunities and platforms to our teachers and students to enhance their knowledge and learning process and inculcate research orientation. This year our college organized:

- 2 International e-Conferences
- 45 International and National Webinars
- 9 National Workshops
- 2 FDPs

The college thus invited 108 esteemed national and international speakers through these conferences, workshops and webinars to enlighten our faculty and students with their knowledge, views and experience.

As the classroom teaching shifted to fully online mode, the department of Computer Science (under the aegis of IQAC) organised a four-week Faculty Training Programme on Google Applications (16 July-14 August 2020) for the entire teaching staff of Maitreyi College and a three-day training cum workshop for non-teaching staff to provide hands-on sessions on how to use the online applications extensively and effectively for teaching-learning process and various administrative tasks of the college. A one-week online national level Faculty Development Programme on 'Digital Pedagogy to Enhance Teaching and Learning Experience' in collaboration with Guru Angad Dev-Teaching Learning Centre under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching was also organised from 15-21 December 2020. The Enabling Unit also conducted an online two-week Faculty Development Program on 'Emerging Accessible Technologies for Teachers in Higher Education' from 20 March- 3 April 2021.

Various departments like Botany, Mathematics and others organised student training programmes to impart knowledge of Google applications, MS Word, MS Excel to students in order to enable them for the online mode of teaching and learning and to make them understand how to attend online classes and upload assignments with ease and confidence. The Zoology Department (under the aegis of IQAC) hosted a national one-week online workshop on 'Web Search, Data Analysis and Presentation Tools' from 22nd-28th July 2020, which provided an opportunity for students from different parts of the country to participate and learn several online tools and techniques.

A three-day International e-Conference on 'Contribution of Modern Poets in Sanskrit Literature' was organised by the Department of Sanskrit, in collaboration with the RBS College, Mau, UP, from 28th-30th November 2020. The total number of participants was 400, and 80 research papers were presented in various technical sessions. The Sanskrit Department also organised a two-week online National Workshop on 'Sanskrit Communication' and a one-week online National Workshop on 'Intensive Sanskrit Grammar'.

A two-day International Webinar on 'Ageing Issues: Indian, Regional and Global Context' was organised by Department of Sociology and IQAC in collaboration with the International Institute on Ageing United Nations - Malta (INIA) and Development, Welfare and Research Foundation, New Delhi on 16th and 17th January 2021. The total number of participants was 513 and the renowned speakers were from International Institute on Ageing United Nations - Malta (INIA); Development Welfare and Research Foundation, New Delhi; Johns Hopkins Bloomberg School; Department of Psychiatry, Lokmanya Tilak Municipal College, Mumbai; Department of Population Policies, IIPS, Mumbai; Policy Research and Advocacy, HelpAge, India and Maitreyi College.

Apart from these, our faculty members have been involved in conducting various activities in their respective departments throughout the year. A total of 75 online activities were organised by different departments in this session.

The college continued to accelerate the research-intensive environment and inclination among its students and faculty through the Centre for Research, Maitreyi College, which pivots the college's research profile. 53 projects were carried out in the online mode under the Summer Internship Programme, 2019-2020, with the theme 'COVID-19: Impact and Implications'. A total of 66 faculty members and 155 students were engaged in these projects. Based on the evaluation by external reviewers, selected projects were presented before external jury members and the top three projects were awarded. In addition to this, a total of 13 projects are being funded by the Centre for Research under its 'Annual Research Projects' scheme for 2020. Among these, four projects are interdisciplinary. Most of the annual projects for 2020 fall under the theme 'Personal, Environmental and Social Health'.

Maitreyi College also renewed the MoU with THSTI (Translational Health Science and Technology Institute) under the Science Setu scheme. Under this collaboration, various webinars and student training programs were organised. A collaborative webinar was organised with IISER, Pune, Indian Institute of Science Education and Research and National Centre for Cell Sciences (NCCS) under MANAV-The Human Atlas, an MHRD initiative.

Avgaaan, the international interdisciplinary annual academic fest of Maitreyi College, provides an interdisciplinary platform to undergraduate students through various online competitions. This year too, all the departments of the college floated competitions in online mode and witnessed high participation of students from across the globe. A total of 4831 registrations were received from various universities across the world. A one-day International e-Conference on 'Sustainable Future for Humanity: The New Learning Curve' was also organised under the aegis of Avgaaan 2021 for under-graduate, postgraduate and research scholars wherein 120 papers were presented in 8 technical sessions.

With the objective of enhancing the skill set of students and improving their employability opportunities, the Short Term Courses Committee conducted 14 courses for which approximately 388 students from various courses of different colleges enrolled. Certificate, Diploma and Advanced Diploma courses in Spanish and French and IIRS-ISRO certificate courses (under IIRS Distance Learning Programme) were offered during the session. In addition to these, online Certificate courses in 'Vidhi Gyan' by the Delhi State Legal Services Authority (DSLISA) and Certificate course in '(Meta) Genomics and Bioinformatics' in collaboration with PhixGen Pvt Ltd. (under MoU) were conducted and received enthusiastic participation of students from all over India. 3 International Short Term Online courses were conducted in association with Indian Astrobiology Research Foundation (IARF) with the participation of 25 (COP+26, International Climate Action Course), 22 (Rio+ United Nations Water Action Course) and 18 students (International Plant Wealth Initiative; IPWI) respectively. Besides the courses, new avenues were explored by inviting experts for webinars. In total, 1691 students completed various skill enhancement certificate courses conducted by the Short Term Courses Committee, Maitreyi College Departments and NSS.

During the session, the Placement Cell brought in 65 companies offering jobs to 270 registered students. 75 students appeared for interviews, with the average salary offered to be ₹4.8 lakh. The highest salary of ₹15 LPA was accepted by 4 students of the college. The recruiters of the session were DE Shaw Group, MedicFibres, Bajaj Capital, Amazon, and many more. Over 220 companies offered more than 120 unique internship profiles. Of these, 90 profiles were paid with an average stipend of ₹5,097. The highest stipend of ₹30,000 was offered by BayMax and Pick My Work.

At the end of the session 650 students registered from different colleges across the city in Envision 3.0, the annual internship and job fair. 200 students from Maitreyi managed to find the internships of their choice. The highest stipend (₹25,000) during the fair offered by Eigo Paathshala was accepted by 2 students. The stipend range for the fair was between ₹3,000 to ₹25,000.

The NSS team, in collaboration with Sahaja Yoga, conducted a ten-day short term course on 'Balancing Body, Mind and Soul' with 1250 participants from all over India. The overall objective of this course was to enhance concentration, productivity and harmonise energy for balanced professional and personal life. The team also organized a Christmas special donation drive for underprivileged children, an international webinar on 'Musical Meditation', a webinar on International Yoga Day, a two-day webinar on 'Women Health Awareness Program' in collaboration with YFS NGO and a national webinar on 'COVID-19 Second Wave: Precautions and Vaccinations'. NSS also organised three major outreach activities-'AAP KI MAITREYI', an education initiative that organises online classes for students from Class 1 to 5 to engage them with some knowledgeable and exciting activities; UMANG' 20 a seven-day Diwali Mela based on the theme 'Unleash Your Creativity' and the 'DHYAN INITIATIVE'-meditation classes once a week for a month to build inner immunity.

NCC cadets participated in 'Tree Plantation Pakhwada' from 13-28 July 2020. A blood donation camp was organised by Gp C headquarter, NCC, on 11 June 2020 to help COVID patients. Cpl Vanshika was selected for the RDC camp and Cdt Eshika was selected for PM rally, cultural programme.

Maitreyi College is a participant in the MHRD project of Unnat Bharat Abhiyan, inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an inclusive India. The college has adopted the five villages of Gautham Budha Nagar- Jewar Bagar, Bhabhokara, Maangraoli, Thora and Melwa Gopalgarh for the same.

The Enabling Unit of the college works in many directions by organising various webinars in collaboration with different societies. The Enabling Unit, in association with NSS organised a national webinar on 'COVID-19: Issues with Family'

and another webinar 'Disability: Teaching and Learning Accessibility during COVID-19', in collaboration with Indian Library Association (ILA), organised by Equal Opportunity Cell (EOC). EOC also renewed the Writer and Reader's Bank for session 2020-2021, which was developed as per new examination policy of Delhi University for Persons with Disabilities. The Enabling Unit in collaboration with the School of Indic Studies, Institute of Advanced Science is organising a three-month skill development Certificate course on 'Applications of Digital Tools in Teaching and Learning Indian Languages' from 17th April 2021- 17th July 2021.

The Health and Hygiene Committee played a significant role in this unprecedented time by creating awareness about health issues among students, faculty and staff through several webinars in the academic year 2020-2021.

The Enactus team, through their project Misbah, provided aid to rescued sex workers by teaching them candle making through online training sessions and enabled them to become financially independent. The other online initiatives taken by Enactus include 'Online Mental Wellness' and 'Social Media Awareness on Grave Issues'.

The College released two research publications (e-journal and e-research magazine) and 10 e-magazines/ newsletters in 2020-2021, out of which 4 were new additions. The departments of Botany (Vitti), Chemistry (Chemzone), Commerce (ComAspire), Economics (Neeti), English (Dialectic), Hindi (Maitreyikriti), Maths (Convergence), Placement Cell (The Chronicle), Sociology (Sociologue: Aao Baat Karein) and Zoology (Iridescence) showcased their creative and research skills through their respective magazines/ newsletters. Samvedana, a bilingual e-Research magazine with contributions from teachers, students and scholars from national and international horizons is published by the Internal Committee for Complaints of the college. The Centre for Research, Maitreyi College initiated a peer-reviewed, open access, multidisciplinary and biannual e-journal 'Vantage: Journal of Thematic Analysis' last year, which provides a platform to publish original articles/ research papers based on a particular theme.

Our students have shown their utmost dedication to accommodate and acclimatise with the uncertainties caused by the pandemic and keep up with their enthusiasm towards extra-curricular activities. This is witnessed by their exceptional accomplishments in cultural and extra-curricular fields also. The online annual cultural festival Rhapsody was again a resounding success and witnessed widespread participation from colleges from across Delhi.

Members of different societies like Riyaz, the Music society; Nrityakriti, the Dance society; Vista, the Photography society; Artisto, the Fine Arts society and Zeal, the Western Dance society came up with innovative ideas not only for organising various kinds of events and competitions in this session but also participated in numerous competitions organised at national level and won many accolades.

- Abhivyakti, the Theatre society secured the title of 'Most Ensemble Production' and award for Star Actor at Black Box Theatre Festival organized by Janki Devi Memorial College in collaboration with Create room for Artist and won an award for Best Actor at Udghosh (Lal Bahadur Shastri Institute of Management).
- Galore, the Fashion society of Maitreyi College bagged first position in the annual fest of Lady Irwin College, University of Delhi and received the titles of Best Female Model and Best Attitude on Stage in the annual fest of Sri Aurobindo College, University of Delhi.
- Trenchant, the English Debate society, bagged several titles, including Best Delegate, High Commendation, Special Mention at various competitions and conferences and won the Short Story Writing competition hosted by DCAC, University of Delhi.
- Vaachik, the Hindi Debate society, created history by winning all the three positions in the debate organised by Shaheed Bhagat Singh College (evening), University of Delhi and won 1st and 2nd positions in the debate organised by Maharaja Agrasen College, University of Delhi.

Our college has a very close-knit alumni association. During the year, Maitreyi Alumni Association had diverse events where our alumni interacted with the students. However, parents also came forward and shared their experience and delivered motivational lectures for the first time. The alumni association organized one-week International workshop on 'Expand Your Horizon and Outlook: An Initiative towards De-stressing and Personality Development'. The workshop was organized to help students de-stress and stay motivated in these unprecedented and uncertain times. The Alumni Association also organised e-Sannidhya 2021, the Annual Alumni Meet on to bring together alumnae, faculty and students, albeit virtually and celebrated their mutual association with the Maitreyi kutumb.

Maitreyi is one of the very few colleges that have taken the initiative to compute the carbon footprint to identify key sources of GHG emission and opportunities to reduce those emissions. In continuation, the Carbon Footprint for 2019-2020 was estimated for the college. Our alumni Ms Neha Kaul, Consultant and Sustainability Lead at an esteemed environment consulting organization, helped with the estimations. She is a certified professional on GRI Standards of Sustainability from GRI, Amsterdam.

Maitreyi College is proud of its well-established Sports Centre and Facility dedicated to promoting Netball among young and enthusiastic girls of our country. This facility named as 'Pragati' imparts physical ability training and techniques for playing netball in India. The centre organised the 33rd Junior National Netball camp for women from 10-22 February 2021. Our students also participated and were selected for various events:

- 3 students were selected for the All-India Junior Netball Championship held at Telangana and secured Silver Medal.
- 4 students were selected for the All-India Senior National Softball Championship held at Kota, Rajasthan.
- 2 students were selected for the All-India Netball Senior National Championship held at Chattisgarh.

The Department of Physical Education also organised an online Yoga session for Special Olympic players and for Sports' Students on every Friday and Saturday from September 2020- March 2021.

The Non-Teaching Staff of our college organised the first Dr Savita Dutta T-20 Cricket Tournament in the month of February 2020 in the college premises. A total of 10 teams with 150 players of Delhi University colleges' non-teaching staff participated in the tournament. The Maitreyi Team won the tournament.

I feel privileged to share that the efforts of the college towards expanding its infrastructure are now reaching fruition. We have been given possession of the building in the New Science Block, which also provides a major boost to the number of rooms that would be now available for classes and academic purposes. The Girls Hostel is also complete and ready for possession.

Our college was once again recognised this year for its verdant gardens and lawns in the University Annual Flower show held on 5 March 2021. The collective hard work of the team of our Malis and teachers who worked tirelessly during these difficult times resulted in the college earning laurels in all the categories the college had applied for. This year the College won laurels with eight prizes, including Best Herbal Garden Meenakshi Gopinath Cup, which the college won for the first time. We also won the Best Garden Persian Cup and 2nd prizes for Lawn, 'Clean and Green Campus', 'Border of Flowers' and 'Trees, Shrubs and Climbers'. Besides beautiful gardens, maintaining vermicomposting facilities, production of manures and recycling of paper are some of the common environment-friendly practices undertaken by our students and teachers.

Throughout the year, our students work for different societies, department activities, various research projects, extracurricular and co-curricular activities in addition to academic engagements. The college initiated a recognition 'All Rounder Student Achiever' award last year from each course to encourage the students. A total of 26 students have been awarded the same for this academic session.

This year the college also successfully completed the process of faculty promotions. A total of 108 faculty members accomplished their promotions. 49 faculty members have been promoted to stage II, 42 to stage III, and 17 have been promoted to Associate Professor. I extend my congratulations to all promoted faculty.

The college bid farewell to Dr Renuka Kashyap (Botany), Dr Neelima Rani (Physics), Dr Suman Gupta (Commerce), and Dr Mala K. Shankardass (Sociology). Our non-teaching staff Sh Jageshwar (Gardener), Sh Ram Bahadur (Gardener) and Sh Ram Chander (Lab Asstt) superannuated after completing their service tenure.

On behalf of the entire Maitreyi fraternity, I pay homage to Dr Balmiki Prasad of the History Department, who lost his life battling Coronavirus and to Sh Jagat ji from the Botany Lab, who succumbed to health complications. We, as a college, will always stand by their families.

I would especially like to mention our non-teaching faculty and commend them for their tireless efforts and services that enable the college to function smoothly. We proudly look at all of you as the supporting pillars of our organisation.

I want to extend my warm gratitude to our Chief Guest Sh Santosh Kumar Taneja, Chairperson, Governing Body for gracing today's occasion and giving us his valuable time. We are sincerely grateful to the entire Governing Body and applaud their active involvement and enthusiastic contributions to the college.

I also thank my teaching and non-teaching staff and students for their cooperation and support in organising this function. Let us all pledge to continue our dedicated efforts and valuable contributions to take Maitreyi College to even greater academic, social and cultural heights and distinctions.

I would like to once again thank and congratulate all the teaching and non-teaching staff for their commendable efforts and achievements towards adapting and evolving the teaching and learning process during these challenging times and enabling the smooth functioning of the college. It is with great pride that we conclude the 2020-2021 session on a highly positive note.

COLLEGE ACTIVITIES

BOTANY DEPARTMENT

The determination and team spirit of students, faculty and staff in overcoming the current challenges has culminated the year 2020-2021 into yet another successful year for the Department of Botany. Under the aegis of Blossom, The Botanical Society, four national-level online competitions were conducted viz. Poster making; e-Newspaper/ clipping; Essay writing and Animated videos to commemorate World Environment Day (5th June 2020) and World Oceans Day (8th June 2020) on the theme 'Rejuvenating Nature Amid Covid Crisis'. Virtual elections for the post of Blossom office bearers were also conducted on 22nd August 2020. Competition for designing the 'Logo' and coining a 'Slogan' for the Botany

Department and Blossom Society was held in October 2020. As the activities gained momentum, a photography contest on the theme of 'Winter's Tale' was held in December 2020- Jan 2021.

Keeping pace with building academic skills Ms Nikita Goel and Ms Shallu Gaur from third-year were selected for a ten-day training under the Science Setu program (a collaboration with THSTI, Faridabad) 'Shadow the Scientist' from 4th-13th January 2021. An online inter-college Biological Science Quiz competition was organised on 13th February, 2021. An inter-college e-JAM competition was organised on 20th February 2021. The theme of the competition was 'Biodiversity conservation: safeguarding all species'. In April, an inter-college quiz on 'Intellectual Property Rights' was organised and coordinated with Dr Elangbam Geetanjali, Miranda House and Dr Lebin Thomas, Hans Raj College. A virtual visit to the probiotic company 'Yakult-Danone' was organised by the department for the students of Botany (H) third year as an orientation to the training in Industrial and Environmental Biotechnology.

The first-year students were warmly welcomed in the virtual 'Orientation Programme' on 18th November 2020. A presentation highlighting the career opportunities after pursuing botanical studies, a virtual tour of the college premises and Botany Department laboratories, and a short training on Google Classroom- the online classroom platform were also organized. 'Blossom' organized for the first time a virtual Fresher's Party and Miss Fresher's Contest in four rounds from 25th January to 5th February 2021 with great fervor and enthusiasm. The First-year and second-year students enthusiastically bid a virtual farewell for the outgoing batch on 30th April 2021.

The Department published its first eNewsletter, 'Vitti', Dr P Kavita led the pioneer editorial team as the Chief Editor, and a team of enthusiastic students from all the three years serving as editorial members (Editorial Head-Ms Aayushi Gupta, Creative Head-Ms Jyoti Singh).

CHEMISTRY DEPARTMENT

The Chemistry department undergraduate students successfully completed a two-month Summer Internship Project from 25th May to 25th July 2020. The department's faculty, namely, Dr Gita B Narula, Dr Ramesh Kumari, Dr Hema Bhandari, Dr Kiran Soni, Dr Gazala Ruhi, Dr Navneet Kishore, Dr Swarndeep Kaur, Dr Shivalika and Dr Geetika Bhasin mentored these projects.

A virtual orientation-cum-interactive session was organized on 19th November 2020 to welcome all the freshers and apprise them about the Chemistry Department and its activities. The Chemistry Department organized an international event, 'Trash to Treasure'-An event on IUPAC Global Women Breakfast Day on 9th February 2021. Students presented their creative and innovative ideas about the utilization of trash in the best out of the waste competition through a virtual meet through power point presentations. The Annual Chemistry Fest 'Chemsophy 2021' was organized on 18th-19th February 2021. Around 150 students from different colleges participated in virtual lab run, Paper Presentation, Chem-Quiz and Poster Making competition through virtual meet and made this event a great success. The department also organized the Chemistry Quiz and Case Study Competition online events under the Annual Interdisciplinary Academic fest 'Apgaahan' in February 2021.

On the occasion of National Science Day, an online Inter college competition on the theme 'Chemistry in Everyday Life' was organized on 7th March 2021. On International Women's Day, a slogan writing competition was organized on 17th March 2021. Farewell for the outgoing students was organized through Google meet on 24th April 2021. These events throughout the year have enriched the presentation skills, critical thinking and systemic and innovative approach of our students.

COMMERCE DEPARTMENT

Commerce society, Excelsior, organised an online orientation for the fresh batch of students in which the students were introduced to the commerce faculty. A video was played giving a virtual tour of the college to these students.

The commerce society organised several webinars with the objective of exposing our students to various career options and familiarise them with practical situations in commerce and industry. An event called 'Market Rajneeti' was organised over two days on Google meet in which about 60 teams from all over the University of Delhi participated. The best three teams were rewarded with cash prizes and gift hampers.

The annual fest, COMFESCO, was organised in virtual mode. There were four academic and two non-academic events in it. More than 500 students participated, out of which 18 winners were declared in various events. Our collaborators were BSE for 'Stock Bazar' and ISBF for 'Hackathon'.

COMPUTER SCIENCE DEPARTMENT

At the outset of COVID and the move to work and teach remotely in 2020, both teaching and non-teaching staff of the Department of Computer Science played an active role to provide support to the college in adopting e-tools and capabilities. The aim was to give hands-on sessions on how to use these online google applications, which they would use extensively to do teaching and administrative tasks due to the adverse situations of Covid-19 in upcoming semesters. Illustrado, Society of Computer Science department, organised an online webinar on 'Competitive Coding and Placement Preparation for Software Development' with the organisation Prep Bytes on 29th August 2020. Illustrado conducted another revitalizing webinar session by Ms Natasha Singh on 31st October 2020, guiding students on the career they choose, the relationships they have, the people they choose.

Faculty members of the department, Dr Manju Bhardwaj, Dr Veena Ghuriani, Dr Shikha Badhani, Dr Jyotsna Talreja Wassan, and Ms Rupali Ahuja, designed e-content for one week online national level faculty development programme (FDP) on 'Digital Pedagogy to Enhance Teaching and Learning Experience' in association with Guru Angad Dev-Teaching Learning Centre (GAD-TLC) of MHRD, Shri Guru Tegh Bahadur Khalsa College, University of Delhi under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching from 15th-21st December 2020.

ECONOMICS DEPARTMENT

Arthaneeti, the Economics Society, touched new heights this year with the continuous engagement of students in academic and co-curricular activities. Knowledge sharing sessions were held every Saturday. Students from the department had discussions over various topics like 'Why are there so few women in Economics', 'Farm Bill', 'Future of Indo-US relation', 'Reservation should be limited to helping weaker section economically', 'Disinvestment of PSU' and a many other economics related topics. Along with this, Arthaneeti's mentorship program was also introduced to help the newcomers cope up with the college dynamics. The month ended off with an exhilarating departmental orientation for 1st-year students and a movie screening of 'A Beautiful Mind' thereafter.

Alumnae speaker sessions started in January and continued every month. It was started by Ms Banerjee followed by Ms Bhavya Tyagi, Ms Devangana Jha, Ms Smriti Saini, Ms Gauri Aggarwal, and Ms Vedanta Dhaneja. The month ended with a week-long freshers. Arthaneeti wholeheartedly welcomed first years. Neeti's weekly blog was also introduced around this time. Arthaneeti took many initiatives this year. This helped in fostering a thriving environment in the college for students to grow beyond academics.

ENGLISH DEPARTMENT

English Department conducted various programmes and received tremendous response from the participants. 'Dhiti' hosted the first departmental event for the academic session 2020-21 under its 'Annual Lecture Series'. Dead Poets Society (DPS) meet was on 21st November. The total number of attendees for the event was 60.

On 31st January, Dhiti hosted its Freshers'21 to welcome the incoming batch to the Department. Vaishnavi was chosen as Miss Freshers'. She also received a prize gift of INR 1000 from the college. In its bid to give first-hand research experience to its students, Dhiti organized its annual Student Seminar on 27th February 2021, where research avenues and papers were written, explored, and presented. The theme for this year was 'Dystopian Fiction'. Like all events this session, the student seminar was also held online. A few of our ex-students who are now working professionals or pursuing masters were also present, making the total number of participants 57. Dhiti, the English Literary Association of Maitreyi College, organised Ekphrasis, 2021, the Annual Literary Festival on 6th March, with participants from all across the country. Ms Mausami Singh, Deputy Editor, India Today group, graced the occasion and launched *Dialectic*, the Annual Newsletter of the Department of English.

On 30th April 2021, Dhiti, the English literary society of Maitreyi College, organized a farewell party to bid adieu to the batch of 2021. With the limited possibility offered by the virtual mode, the second-year students managed to make it a personal and memorable affair.

HINDI DEPARTMENT

In an unprecedented pandemic situation, the Hindi Department tried its best to convert challenges into opportunity by organizing various programs through virtual mode for the overall development of students who were confined to their homes. The departmental literary society 'Hindi Sahitya Sangam' organized Hindi Diwas on 14th September 2020. To

celebrate Rashtra Bhasha Hindi, to create a better understanding and importance of the Hindi language amongst students, the department organized two competitions Swa-Rachit Kavita Paath and Slogan Writing. The students from Hindi honours, as well as students from other disciplines, also participated. This programme aimed to unleash the talent of the students regarding the Hindi language and writing. An online orientation programme was organised on 19th November 2020 for freshers where departmental activities, internal assessment and other activities related to students were discussed. The department also organized an orientation programme on 20th November 2020 for B.A. (Prog.) students to provide valuable information like choosing the Hindi language and discipline papers taught by the Hindi department. An online welcome programme was organised on 1st February 2021 for Freshers titled 'Navmallika'. The Hindi Department initiated this programme by selecting Miss Hindi titled Navmallika through a competition. Kumari Sheetal was selected as the first Navmallika.

The Department published its 4th edition of the Hindi e-magazine 'Maitreyikriti'. Vaachik, the Hindi debating society of the Hindi Department, organised its first online debate competition on 14th August 2020. A virtual alumni meet of the college was held on 3rd April 2021 in which poetess Ms Mamta Kumari, an alumna of Hindi Department, was invited.

HISTORY DEPARTMENT

The History Department organised all the events virtually in the academic year 2020-2021. Every year the session begins with a movie screening. After the screening of the movie, there was a panel discussion with the cast and crew of the movie.

The department organized seminars, webinars, workshops and a number of guest lectures. The Department conducted its first-ever 'Online Heritage Walk Series'. A documentary, 'Agra Fort-The Monument Transcending Time' was made by the History Department students of batch 2021 as a part of this series. The screening of it was held on 2nd November 2020. The documentary offered a detailed description of the history of the Agra Fort. The Department conducted an orientation programme for the new batch of 2020-21 on 19th November 2020 and the election for the department's post of treasurer on 16th January 2021. This year the department organised an online photography competition titled 'Reflections-Online Photography with Abstract' under 'Avgaahan'-the annual academic fest of Maitreyi College.

The department organised the screening of a documentary entitled 'Meeting Gorbachev' on 23rd March 2021. The documentary splendidly covered Gorbachev's era in detail that helped to understand one of the most significant phases of world history, i.e., the collapse of the USSR, one of the world's two superpowers.

MATHEMATICS DEPARTMENT

The Department of Mathematics, Maitreyi College, organized various academic activities and webinars on different topics during the year 2020-21 to facilitate the overall development of students.

The Student Development Program (SDP) was organized for the first time to impart knowledge of different computer software, which are essential for the students in day-to-day life. Lectures were given on various technical contents like Google applications, MS Word and MS Excel. It was conducted from 22nd-27th July 2020. The department society 'Gradient' and students from all three years organized a surprise event for their faculty members, an Online Teachers' Day, on 5th September 2020. The Mathematics Society, Gradient arranged an online screening of the movie 'Shakuntala Devi' (on the life of Shakuntala Devi, popularly known as the 'Human Computer') via Google Meet on 2nd October 2020. Afterwards, a virtual quiz-Movie Manthan was also conducted on 28th October 2020. The election for the student council of the department for the academic year 2020-21 was conducted for the first time on an online platform through Google classroom on 12th September 2020. This year has been challenging yet productive as it witnessed active participation from students and faculty members in various activities organized by the department. Their efforts have turned this year into a great success.

PHYSICS DEPARTMENT

Dr Savita Datta Memorial Lecture was organised on 30th September 2020, in which Prof Dinesh Singh, Chancellor, K. R. Mangalam University (former VC of University of Delhi) addressed the participants. The participants from various colleges and departments of University of Delhi and other state universities also witnessed the glorious life of Late Dr Savita Datta in the form of a slide show. The department keeps motivating the students by inviting distinguished alumni to interact with them. The departmental orientation day was organized for the first-year students on 19th November 2020

over a virtual platform. The newly admitted students were introduced to all the faculty members and given a virtual tour of the department and the lab facilities, lab staff, first-semester syllabus and library facilities.

All the faculty members kept themselves updated by participating in more than thirty national and international webinars/e-conferences during the entire academic year. The physics society of the college, SCINTILLATIONS, organised QUEST 21-the departmental fest on 22nd April 2021 over a virtual platform and included six interesting competitive events (quiz, poster making competition, PowerPoint presentation, self-composed poetry, story-telling and treasure hunt). Undergraduate students from various colleges of Delhi and other states took part in large numbers and got a chance to showcase their talents.

POLITICAL SCIENCE DEPARTMENT

The Political Science department of Maitreyi College encourages students to explore politics within and between countries, historical and contemporary study of political thought and Global South, political economy, public policy and gender. Different meaning of political and international, the processes that shape choices are analysed. Amidst the Covid-19 pandemic, the department maintained student-expert-teacher interaction regularly and organized various programmes along the lines of Maitreyi College's vision of achieving excellence. RES-PUBLICA, the society of the department, organized an online screening and interactive session, 'Samvidhan: The making of the constitution of India'. It looked at the various debates in the constituent assembly that went into the making of the constitution. An online lecture by Prof C.S.R Murthy 'India in the United Nations Security Council: Permanently Non-Permanent Member' was also organized. All enrolled students and faculty members maintained an excellent academic record, immensely contributed to the department, and represented the college at various levels.

PUNJABI DEPARTMENT

In the wake of the Covid-19 pandemic and the consequent closure of universities, the Department of Punjabi, besides teaching, organised various academic and literary activities through virtual mode with the motive of overall development of students. To welcome the First-Year students, an orientation programme was organised on 19th November 2020 and information regarding internal assessment and the departmental activities were provided to them.

In order to foster the writing skills of students, an Inter-College essay writing competition on the topic 'Guru Nanak Dev Ji da Jeevan Darshan: Kirt Karo, Naam Japo te Vand Chhako' was organised on 12th December 2020 on Google Meet. In addition, the department also organized an orientation programme, fresher's Party and farewell for Sanskrit Honours students.

SOCIOLOGY DEPARTMENT

The Department of Sociology began its semester activities with the film screening and discussion held on 23rd September 2020. The department used the Kaleidoscope concept as a metaphor to grasp the complex dynamics of the practices and

arrangements of our social reality. A total of seven events on different subthemes were conducted between September and November 2020. Each event was looked at as a kaleidoscope turn and was held online via the Google Meet and Zoom applications. The Department also conducted an orientation for its freshers on 19th November 2020 to brief the students about their course, internal assessment, timetable, syllabus, department, vision, activities, and functioning.

The Department started the next semester (January-May) with the freshers' welcome, which was organised on 2nd February 2021. An online farewell to bid goodbye to the batch of 2021 was organized on 3rd May 2021 via Zoom App and was attended by the students of all three years of the department and the faculty.

The department also released the first volume of its annual e-magazine, Sociologue: Aao Baat Karein, on the 3rd May 2021. Until last year Sociologue was published as a bi-annual newsletter. The theme of the first volume is Kaleidoscope: Negotiations between the Old and the New. The department is also proud to share that an edited volume titled 'Sociological Reflections on the Covid-19 Pandemic in India: Redefining the Normal' (eds. Gopi Devdutt Tripathy, Anurita Jalan and Mala Kapur Shankardass) has been announced by Springer Nature and is expected to be released by June 2021. This is a joint endeavour of the department with a chapter by most members of the department and comprises the proceedings of the National Webinar titled Home and World in a Pandemic: Redefining the Normal organised by the Department of Sociology, Maitreyi College, University of Delhi in collaboration with Department of Sociology, Cotton University, Guwahati, Assam held on 7th May 2020.

ZOOLOGY DEPARTMENT

The Department of Zoology has organized many events throughout the academic year 2020-2021 via digital platforms to ensure students' uninterrupted learning and holistic development. The department organized international webinar series, a one-week online workshop and a certificate course. A virtual tour to 'Aravalli Biodiversity Park' was also organized to enhance the understanding of biodiversity.

The Department conducted online elections to select office bearers of 'Chrysalis'-the Zoological Society of Maitreyi College in August 2020. In an extension to this contentful e-learning 'Chrysalis' organized an online webinar on 'Butterflies-Life, Defense Mechanisms and Survival' on 12th September, 2020, to celebrate the occasion of Big Butterfly Month-India September 2020. The students organized teacher's Day celebration to express their appreciation and gratitude towards their teachers. An online intercollege science quiz competition, 'Quizzard', was conducted on 31st October 2020 to test participants' knowledge on various scientific topics. As the prevailing pandemic had delayed the beginning of the new session, an online orientation program was held on 19th November 2020. Virtual fresher's party was hosted by the senior students of the Department of Zoology on 9th January 2021 to welcome first-year students. The annual fest-'Zoophoria' 21-was organized by Chrysalis from 1st-2nd March 2021. Students from different colleges of various universities participated in various activities (Decibels and Pixels, Pictures Cue, Rat Race, *Libro de Arte*) conducted during the event. An online farewell was also organized in April 2021 for final year students to reminisce about their journey and wish them luck for their future endeavours.

The Department of Zoology also launched its first e-magazine, 'IRIDESCENCE', on 20th February 2021. The hard work of students and the editorial board was much appreciated for making this e-magazine a reality.

LIBRARY

The College Library acquired 744 books during 2020-2021. It subscribes to 57 Journals, including popular magazines, and a collection of 23 Newspapers in the library. CENTRE FOR RESEARCH

The Centre for Research (CFR), formally instituted in 2019, is dedicated to catering to faculty and students' immense passion for research. The major flagship programmes under CFR include Summer Internship Programme and Annual Research Projects. This year the orientation programme was organized on 4th March 2021, which was attended by a considerable number of students as well as mentors, especially the fresher students. With the classes switching to online mode during the Covid-19 pandemic period, the zeal to research while struggling with the pandemic and lockdowns did not die in faculty and students alike. This was evident from the whopping 53 projects that were carried out under the Summer Internship Programme, 2019-2020. The theme of the Summer Internship Programme 2019-2020 was ‘COVID-19: Impact and Implications’. All the projects were carried out in online mode.

A total of 66 faculty members and 155 students were engaged in these projects. Based on the evaluation by external reviewers, selected projects were presented before external jury members on 7th, 9th and 10th October 2020. The project titled ‘The COVID-19 crisis: A case for Universal Basic Income’ from the commerce department was judged the best project among the Computer Science, Commerce and Economics departments in the presentations on 7th October 2020. On 9th October, the project ‘The Sociological Study of Mental Health of Students during COVID 19 Pandemic’ from the Sociology department bagged the first prize among English, Political Science, Punjabi and Sociology departments. On the last day of presentations, 10th October 2020, a project titled ‘COVID-19 and Comorbidities’ from the Zoology department was judged the best project among Mathematics, Botany, Chemistry, Physics and Zoology departments. A new venture, ‘Annual Research Projects’, was initiated from January 2020 by the Centre for Research, keeping in mind the enthusiasm and zeal shown by faculty and students alike for pursuing research activities throughout the year. The Centre for Research is funding 13 projects under its ‘Annual Research Projects’ scheme for 2020. Among these, four projects are interdisciplinary. Most of the annual projects for 2020 fall under the theme ‘Personal, Environmental and Social Health’.

The Centre for Research publishes a biannual peer-reviewed multidisciplinary e-journal 'Vantage: Journal of Thematic Analysis'. The journal publishes original research papers as well as review papers, book reviews, perspectives, research communications and invited articles. The aim of the journal is to publish articles that contribute significantly to the body of knowledge on a specific theme. The theme for the April 2021 issue was 'Covid-19, Impact, Implications and Path Ahead'.

ENACTUS

Enactus Maitreyi's journey has been very enriching in the year 2020-2021. With families suffering from the Covid-19, we ensured that we contribute in the best and the most precautionary way to help people feel mentally and physically well. We aided rescued sex workers through our project Misbah by teaching them candle making through online training sessions. We overcame the hurdles and ensured that they are financially independent. Enactus Maitreyi's success would have been indispensable without its beneficiaries and the team members. Enactus Maitreyi took some initiatives in the session 2020-2021, which comprises- 'Online Mental Wellness Sessions: these sessions were organized keeping in mind the turmoil these challenging times have made us go through. We went live on Instagram with mental health professionals from popular organizations like Fortis, The Psyk life organization, Sukoon and Ministry of Social Justice and Empowerment. Jingle Competition: amidst the pandemic, Enactus Maitreyi organised a fun competition, The Jingle Jungle, to celebrate Misbah's first anniversary. All participants were required to write a jingle for winning our Misbah candles. The winner got a free Misbah candle. Launch of our new spotify range: Diversified into a new range of candles for every mood. The label can be scanned for mood specific playlists. For instance, Fantasy, a vanilla-scented candle, had soothing songs as a playlist. Weave A Vision: On account of Independence Day, we conducted an open competition for everyone who has a perspective on this global pandemic. Vast Sales: Irrespective of the pandemic, we sell products worth 45000 rupees (approximately). We were able to provide monthly income to our beneficiaries. Launch of Diwali Range: We launched aesthetic boxes of tealight candles called 'Noor' and coloured containerless star-shaped candles called 'Luminos' during Diwali. Social Media Awareness on Grave Issues: We used our social media reach to educate our viewers over the issues like-Women struggles; LGBTQ Community and acceptance; Mental Health awareness; Covid do's and don'ts, Helping The Covid Positive Families. Deeply disturbed by the condition of people due to the covid-19 pandemic we decided to lend a helping hand by posting updates and stories on various topics of importance like-Home remedies; Home isolation; Precautions for primary caregivers; ways to increase oxygen levels; Foods to avoid; Plasma donation etc. Enactus Maitreyi believes in making a change irrespective of the harsh times.

GARDEN

Maitreyi College was recognized for its verdant garden and lawns in the University Annual Flower show on 5th March 2021. The collective hard work of the team of our malis and teachers who worked relentlessly during these difficult times resulted in the college earning laurels in all the categories the college had applied. This year, the college won laurels with eight prizes viz., Best herbal garden in the University-Meenakshi Gopinath Cup; Best Garden in the University-Department of Persian cup; Second prizes in Lawn, 'Clean and Green Campus', 'Border of Flowers' category, 'Trees, Shrubs and Climbers'; third prize in Rose Garden; and highly recommended in the rock garden. To make the best use of resources, an initiative to provide faculty and staff with fruits such as Amla growing in the college garden has been started and will soon be extended by providing vegetables and medicinal plants grown organically on the campus on a need basis.

Stanzin Thinles and Riya Mariam Varghese aced their skills and the competition. Another event in the fest was an online Chime, Solo instrument competition through Google meet on 19th April 2021. All the participants were excellent, but the ones who caught hold of our hearts were Soumya Biswajit playing Sitar, Saarah Roy with a guitar solo and Utkarsh on keys. An online AcaHella, ACAPELLA competition was also conducted through Google meet on 20th April 2021. This event was the special appearance of Indian cricketer Priyam Garg. The team Echo from Jesus and Mary College and the team Dhvani from Lady Irwin College won all our hearts close to perfection harmonies and assembled multiple voices at once. This year, too, we took part in many competitions all across the nation and not only participated but also secured the seat to the final round. The Various performances are
 - Group cover song Memories by Maroon 5
 - Group performance by freshers 2020, a Christmas special.
 - Duet cover of the song Thinking out loud by Ed Sheeran
 - Group performance of the song put your head on society shoulder.
 - Duet performance for the song my life goes on.

RIYAAZ-THE INDIAN MUSIC SOCIETY

RIYAAZ, is a group of young music enthusiasts who delve into finding peace and tranquillity by reaching out to every possible genre of Indian Music. RIYAAZ holds its interactive registrations for a week to hunt for fresh talents by organizing annual auditions, which were held in the month of November-December. The society took part in all the college events by singing 'Ganesh Vandana'. RIYAAZ also performed in collaboration with 'Nrityakriti' -The Indian Dance Society of Maitreyi College'. RIYAAZ organizes its annual fest 'SWAROTSAV', wherein students participate from all over India. In this event, we invite all the colleges from University of Delhi to participate and show their beautiful and melodious classical compositions.

'SWAROTSAV' consists of different components. This year, we had two of them: AAROHI (Indian classical/ Light solo competition) and SWARAGINI (Indian Instrumental Competition). The external judge for the event was Ms Swomya Gurucharan.

TRENCHANT-THE ENGLISH DEBATING SOCIETY

'No matter what people tell you, words and ideas can change the world.' -Robin Williams

Trenchant is the English Debating Society of Maitreyi College, with three wings; the Parliamentary Debate Wing (PD), the Model United Nations Wing (MUN) and the Creative Writing Wing (CW).

Since the primary mode of communication has shifted online, our members have been able to access a much greater variety of competitions, both nationally and internationally. With utmost pride, we share that our adjudicators have displayed stellar performances and have bagged Adj Breaks at various tournaments, including the Miranda House PD, IITD-PD, JDMC PD, and Royal Rhetorics. Trenchant has also marked its presence in countless Parliamentary Debates conducted by reputed universities worldwide, where senior and fresher teams have made a valuable impression within the debating circuit. Our members were invited to be a part of Executive Boards at several conferences such as SGND Khalsa, St. Xaviers, Kanpur International etc. Moreover, our delegates have successfully bagged Best Delegate, High Commendation, Special and Verbal Mention at many conferences like the KIIT MUN, St. Stephens MUN, Provectus etc. Creative Writing has also not failed to mark, with members winning at various competitions, including the Short Story Writing competition hosted by DCAC and having also bagged the second position at Avgaaahan and the Eximious fest.

We started the 'Sunday Social' initiative, highlighting important topics such as climate change, feminism, cyberbullying, and more in our Instagram posts. We have started 'The Ones to Know' initiative on our Instagram stories, wherein we highlight the important work done by women in their respective fields.

Our members have shown their utmost dedication towards society through regularly attending sessions, accommodating with the uncertainties caused by the pandemic, or bagging numerous laurels. It is with great pleasure that we conclude the 2020-21 session on a highly positive note.

VAACHIK-THE HINDI DEBATING SOCIETY

The society aims to train students to express their independent, logical and analytical opinions through the Hindi Language on the subject and improve their communication skills based on the facts and figures. This society, having 17 students, has set up new horizons of success in the year 2020-2021 by winning 11 first, 8 second and 9 third prize in state as well as national Debate, Poem, Slogan and Essay Writing competitions.

Vaachik created History by winning all the three (I, II and III) positions in the debate organised by Shaheed Bhagat Singh College (evening), University of Delhi on 11th February 2021. Our team also bagged I and II positions in a debate organised on 22nd March 2021 by Maharaja Agrasen College, University of Delhi. Vaachik society of Hindi Department along with Students' Union of the College, organized for the first time an online debate competition on 14th August 2020 titled 'Aatm Nirbhar Bharat Vartmaan Samay Ke Avashyakta Hai' on the occasion of Independence Day. There was an overwhelming response to this debate competition as more than 100 students registered themselves from all over India. After screening, only 27 participants were shortlisted. We also organised two auditions through virtual mode on 11th October 2020 and 10th January 2021 for the selection of our college students who wanted to join Vaachik Society.
