ANNUAL DAY,  
JUNE 16, 2020

11.00 AM  
Through Webinar

‘Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great.’

My dear colleagues and students, I extend a warm welcome to everyone on this prestigious occasion of the 53<sup>rd</sup> Annual Day of Maitreyi College. We are pleased to have with us today as our Chief Guest, Prof. Balaganapathi Devarakonda, Chairperson, Governing Body who joins us in our celebration.

Prof. Balaganapathi Devarakonda is presently Professor & Head, Department of Philosophy in the University of Delhi. He has many publications in the areas of Political Philosophy and Contemporary Understanding of Indian Philosophy. A few of his acclaimed publications include *Hobbesian Philosophy Still Sways* (2011), *Globalisation, Multiculturalism and the International Order* (edited), *Proceedings of the 8th International Congress of Social Philosophy* (2009) and *Social and Political Philosophers of Modern Andhra* (2006). Prof. Devarakonda also holds positions of relevance in multiple organizations and constituted bodies associated with academics and research. He is the Editor-in-Chief of *International Journal of Applied Ethics* and has contributions to various other national and international journals and publications. He is a Member of the Committee constituted by UGC in 2018, New Delhi for drafting ‘Learning Outcomes based Curriculum Framework’ (LOCF) for Philosophy, Member (Chancellor’s nominee) in Board of Management, Mohan Lal Sukhadia University, Udaipur, Member in Research Project Committee of Indian Council of Philosophical Research, New Delhi, Governing Body Member (Nominee of University of Delhi), Bhagini Nivedita College and Chief Advisor for Centre for Ethics and Values, Ramanujan College, University of Delhi

Maitreyi College, an integral part of Delhi University’s federal structure, came into existence in the year 1967 to impart higher education to women. It is no coincidence that the college bears the name of ‘Maitreyi’, an eminent scholar and sage of the Vedic period who symbolized an exemplary balance between tradition and modernity. It has been our endeavour to translate these ideals into our education system and represent the best of both the worlds - material and spiritual. In this college, we not only lay emphasis on the dissemination of knowledge but also on the cultivation of personality. We have established a continuous and rounded tradition of achievements in academics, sports, social and cultural activities that have become integrated to the very identity of our college.

Maitreyi College, like preceding years, retained excellence in academics, this year too. A total of 1099 students appeared in the final year Examination and 641 students obtained I Division, 315 students obtained II Division and 54 students obtained III Division. The overall pass percentage was 91.9%. Nearly all Science Departments achieved 100% pass percentage in their final year.

Our faculty members continued to earn laurels for the college through their multi-faceted achievements in teaching, academics and other activities:

- ◆ Dr. Prachi Bagla from Commerce Department received the *Best Teacher Award* from the Government of NCT of Delhi.
- ◆ Dr. Mala Kapur Shankardass from Sociology Department received the *International Rosalie S. Wolf Memorial Award in Elder Abuse* from International Network for Prevention of Elder Abuse, as recognition and honour for her contribution on rights of older people.
- ◆ Dr. Pardeep Rai, Librarian, Maitreyi College, received *ASIALA Innovative Librarian Award 2020* from Asian Library Association, for his innovative library services.
- ◆ Dr. Renu Gupta from Zoology Department received *International Innovative Researcher of the Year in Ciliate Biology* award from Research Under Literal Access Awards in 2019, for her innovative research.
- ◆ Dr. Pramod Kumar Singh from Sanskrit Department received *Excellence Award for in Service Teachers (45 Years or Below)* from University of Delhi for his outstanding service and contribution to academic activities.

Dr. Pramod Kumar Singh was also awarded *Prof. S.N Dubey Gold Medal* for securing highest marks in M.A. (Philosophy) from UPRTOU, Allahabad.

- ◆ Dr. Geeta Pandey from Hindi Department received *Aacharya Chanakya Shikshavid Samman 2019* for her outstanding service as an educator from Fun 2 Learn Institute.
- ◆ Dr. Mamta Dhawan from Hindi Department was awarded *Tilka Manjhi National Award* for excellence in writing and social work from Ang Madad Foundation.

Besides this, our faculty members authored 09 books, contributed 11 chapters in edited collections, wrote 38 popular articles and published 51 research papers.

To promote advanced research in academics, our college also organized:

- ◆ 2 National level conferences
- ◆ 2 Symposia
- ◆ 2 Seminars
- ◆ 8 Workshops
- ◆ 1 Faculty Development Program.

To enrich the pool of the knowledge, the College invited 61 dignitaries and experts from various fields to enlighten faculty and students with their views and interact to further enhance the institution's cultural, social and educational values.

A one day National Conference on 'Biotechnology in present Era: Impact on Human Life and Environment' was organized on 23rd August, 2019 in collaboration with the Department of Biotechnology (DBT), Govt of India (under the CTEP program of DBT). The inaugural session was attended by a galaxy of eminent personalities. The Vice Chairman of UGC, Prof. Bhushan Patwardhan was the Chief Guest. Prof. Patwardhan applauded the experience at Maitreyi college stating, 'Maitreyi is a model college with vibrant faculty, creative and imaginative students and collaborative education.'

Botany Department organized an Interdisciplinary National Conference on 'Intellectual Property Rights: Prospects and Challenges' on 22-23 October, 2019 with a vision to highlight the potentials of intellectual property rights to both faculty as well as students. Prof. Rekha Chaturvedi, Patent Consultant and Registered Patent Agent (formerly IPR Chair Professor, Delhi University) and Dr Meenakshi Munshi, Advisor, Scientist 'G', Department of Biotechnology, Govt. of India were the Chief Guest and Guest of Honour respectively, for the event. A total of 125 delegates across different colleges and universities of India participated in this event.

Internal Quality Assurance Cell (IQAC), Maitreyi College, organized a NAAC sponsored two-day National Seminar on November 5-6, 2019 to provide a platform for discussion on identification, sustenance, promotion and institutionalization of best practices that are integral to improving the academic and administrative performance of the institution. Several eminent speakers and experts addressed the participants discussing the practices that aim to facilitate the creation of a learner-centric environment which are a must for quality education and faculty involvement. In the key note address Prof. V.S Chauhan, Chairman, NAAC, spoke at length about the necessary reforms required in the contemporary education system to inculcate the spirit of enquiry in students and role of teachers in mentoring students to think and innovate. The seminar also included two highly interactive panel discussions. The students enthusiastically talked about the Summer Internship research projects and the skills and expertise they acquired conducting the research work. They also talked about innovative practices adopted by them and the events they organized to serve the community and address important issues like gender equity, and environmental consciousness.

The expertise of Maitreyi faculty is recognized at various National and International platforms. Eighteen faculty members have delivered invited talks in 42 events and sixty faculty members have presented their research papers in 62 Conferences.

Since its inception in the year 2018 under the aegis of Maitreyi Research and Incubation Centre, giant strides have been taken by the 'Centre for Research' at Maitreyi college, to achieve its objective of promoting a research friendly environment in the college and to provide opportunities to students and faculty to delve into research questions and perspectives. Under the Summer Internship Program 49 Faculty members and 95 students were involved in 23 research Projects (16 from sciences and 7 from, social sciences and humanities). One of the summer internship project carried out in the last academic year (2017-2018) was also published in a peer reviewed international journal, setting an excellent precedence. A new venture, 'Annual Research Projects' was initiated from January, 2020 by the Centre for Research keeping in mind the enthusiasm and zeal shown by faculty and students alike for pursuing research activities throughout the year. The theme of annual projects is 'Personal, Environmental and Social Health' and 13 projects are being funded, 4 of which are interdisciplinary in nature.

Maitreyi College also collaborates with THSTI (Translational Health and Scientific Technology Institute) since the last few years under the Science Setu Program. Every year the college sends 4 to 6 students for an internship. The students stay there and learn multiple, different techniques related to their area of interest. This year (2019- 2020) the college had sent 5 third year students from Life Sciences and 1 student from B.A.(H) Maths for special training.

With a vision to use technology to bridge the gap between disciplines, last year the college developed a unique event in the form of 'Avgaaan', a first of its kind interdisciplinary academic fest. This year in 'Avgaaan 2020' all competitions were organised in online mode to maximize student outreach and encourage higher participation of students across the globe. A total of 3366 registrations were received from various universities across the world (61% Maitreyi college, 35% other colleges in Delhi, 3% colleges outside Delhi and 1% international). The competitions held online during both the rounds included poster making, quiz, case studies, coding, slogan, essay, short poem, short story, abstract, paper writing, video reporting.

At Maitreyi, in our efforts to ensure academic excellence and growth, we also constantly strive to enhance the skill set of our students and improve their employability opportunities. As a part of this commitment, we offer Certificate and Diploma courses in French and Spanish and short term courses in Journalism and Web-Designing. During the academic session 2019-20, a total of 14 short term courses were conducted, with the objective of skill enhancement for students. In total, 372 students enrolled for the courses of their choice including Animations, Graphic Design & Digital Photography offered by Adobe, under Digital India, through CSC, (an SPV of Ministry of Electronics & Telecommunications, Government of India). The New Delhi District Legal Services Authority (NDDLSA) conducted the 'Legal Literacy Course' and nearly 56 students attended the eight sessions. The first ever short term online courses were launched this year. The United Nations Centre of the Indian Astrobiology Research Centre (IARC) Mumbai, conducted three courses that communicated the various goals/targets of the United Nations – International Short-Term Certification Course commemorating United Nations International Year of Periodic Table, Water Action Decade and International Climate Action Certification Course. Along with 6 faculty members, 97 students enrolled for the online courses. Additionally, last year the NSS unit of Maitreyi, in collaboration with Sri Satya Sai organization, introduced a short term certificate course on soft skills titled 'Life is a game, play it'. This year also the course was offered free of cost and was successfully completed by 26 students.

The Placement Cell took a huge leap of success in the session 2019-2020 and students witnessed opportunities in Finance, Human resources, Sales, Equity advisory, Web designing, Research analyst among the myriad of profiles offered. In order to enhance the employment opportunities of our students, the Placement Cell organised its

second Internship cum Placement Fair, 'Envision 2020'. The fair enabled students to network with companies, identify potential opportunities and enhance their professional communication skills. 150+ students were offered internship and job opportunities. Over the course of the year, more than 50 companies and NGOs visited the college and conducted recruitment drives. We feel privileged to have had onboard companies like Wipro, PWC, Cvent, Chegg, Ernst & Young and many more as our recruiters. The Highest Package offered was 9.6 LPA and Average Package offered was 3.5 LPA, 51.66% of registered students got placed in their desired companies.

- ◆ Number of On-Campus Drives: 22; Number of Off-Campus Drives: 43; Tier A offers: 10+; Tier B offers: 60+.
- ◆ Internships: Number of Companies: 170+; Total offers: 105+; Highest Stipend offered: 20000 INR per month; Students placed: 250+; Commerce: 43.26%; Arts: 30.49%; Science: 26.25%
- ◆ Apart from internships and jobs, in association with some Universities Specialized Courses and Postgraduate programs were also offered (3 each). Out of 20 enrolments, 6 students cleared IIT Jam exam for M.Sc.
- ◆ Career Counselling sessions (5) and Seminars, workshops (9) and Webinars (16) were also organized.

In order to provide a learning platform to budding women entrepreneurs of our college, Meraki, the Entrepreneurship Cell was established in 2019. A total of 9 seminars were organized by E-cell, on topics ranging from entrepreneurship, personality development, natural farming etc. and approximately 70 students attended each seminar. Under the flagship of Meraki, a workshop on 'Empowering Women through Entrepreneurship' was organized by National Commission of Women and was attended by 30 student and 2 faculty members. Meraki organized 3 intra college competitions - Masterchef Maitreyi, Scrapreneur and Business Plan offered by IE Business School in collaboration with Mentormind and Riya Gupta's business plan was successfully accepted in the All India competition held in Mumbai.

As an organisation, we are equally committed to fulfilling our social responsibility towards our community and environment. The NSS wing has 81 active volunteers who conducted many dynamic activities. A kids carnival 'Navoudit' was organized by NSS, in collaboration with Youth for Seva, which witnessed the participation of 1500 slum children from all over Delhi NCR. As a part of the initiative 'Swachata hi Sewa Hai' by the Government of India, NSS volunteers conducted swachhta rallies, cleaned the campus premises and areas around the college. It also organised slum internship for education of lesser privileged students and to re-develop slum areas. Volunteers motivated and encouraged parents to send their children to school and make people aware of the value of education. NSS volunteers helped visually challenged children in exam writing, as scribes. To promote consciousness of legal culture, 'Short Term Literary Course' was conducted. A total of 200 students were acquainted with the cyber laws, women's law and taught how to file an FIR.

The Enabling Unit organized a one-week workshop on 'ICT Tool in Teaching & Learning Indian Languages'. The country's first Sashakt Nodal Sports Centre for PwDs (Persons with Disabilities) has been running at Maitreyi College, in which national and international level Paralympic & basketball players practice in the synthetic basketball court in the college premises.

The team of Enactus also contributed to the societal cause by organizing various campaigns such as 'Denim Collection Drive'. During Diwali vacation, the entire team took an initiative to light up the lives of those in need and played a part to promote mutual happiness by sharing supper with the deprived communities. Enactus has also initiated project 'Misbah' in which they have collaborated with rescued sex workers to produce scented, eco-friendly candles.

As part of outreach activity, Maitreyi College has collaborated with Sanskriti School with an objective to provide life skill training and hands on learning opportunities to the children with special needs of Sanskriti school, wherein they put up a food stall in our college once a month.

Maitreyi College also organised its first ever TEDx event on 24th October, 2019 with the theme 'A Proposal Towards Humanity'. It was organised by a team of 25 students of the college and led by Ms. Sanya Sethi and Ms. Shruti Badoni of Eco (H) III. There were two sessions of 90 minutes each, hosting 6 speakers and 100 attendees. The event hosted talks by 6 extremely talented, up-skilled, and paramount speakers of national and international repute. The organisers were able to arrange 12 sponsorships in a short period of 2 months for this event. The first edition of TEDx Maitreyi College was a great success. All the videos of the speakers were uploaded on TED's YouTube channel under the name of 'TEDx Maitreyi College' by VISTA – the photography society of Maitreyi College.

Our students have enthusiastically endeavoured into publication too. A total of 7 magazines were released this year. Samvedana, initiated last year by the Internal Committee for Complaints, is bilingual e-magazine with articles, poems and research papers contributed by teachers, students and scholars from national and international horizons. Neeti, also a National level publication and the annual magazine of the Economics Department was launched last year. Similarly, students from the Departments of English, Hindi, Sociology and Maths showcased their creative and research skills in their respective department magazines/ newsletters titled Dialectic, Maitreyi Kriti, Sociologue: Aao Baat Karein and Convergence respectively. The Placement Cell also brought out its Annual Magazine 'The Chronicle'.

To promote learning outside the classroom, the college initiated the practice of conducting one day educational excursions. During the mid-semester break, approximately 1500 students benefited from these excursions as they learnt industrial practices and witnessed the application of their respective educational curricula in their environment.

The academic achievements of our students are well complimented by their exceptional accomplishments in cultural and extra-curricular fields. This year, the annual cultural festival Rhapsody was again a resounding success and witnessed widespread participation from colleges across Delhi.

- ◆ *Abhivyakti*, the Theatre Society of the college, had two annual productions 'Fake Kafe Error 404', a stage production, and 'Takota' a street production. The team secured multiple prizes in many inter-university competitions.
- ◆ *Galore*, the Fashion Society of the college, performed at various platforms with the theme 'Balancing of Energy' and secured 1st position in 9 competitions.
- ◆ *Nrityakriti*, the Indian Dance Society of the college, bagged 5 first positions in group performances and 6 first positions in solo performances.
- ◆ *Riyaz*, the Indian Music Society of the college, won 2 first prizes.
- ◆ *Vaachik*, the newly formed Hindi Debate Society of the college, won a first prize.
- ◆ *Trenchant*, the English Debate Society of the college, won many prizes including best adjudicator in Parliamentary Debate, 4 best speaker awards and 1 best interjector award in Conventional Debate, best delegate award at the International Hindu Model United Nations debate, and 1st prize in creative writing in an international competition called Mini Tales.
- ◆ *Zeal*, the Western Dance Society of the college, also won first prizes.
- ◆ *Vista*, the Photography Society of the college, held an exhibition during Rhapsody that displayed the creativity and skill of their photographers. Vista students also covered various events throughout the year in the college.

- ◆ *Artisto*, the Fine Arts Society of the college, exhibited paintings and art works made by their members and also received prizes for the same. All paintings given as welcome gifts to our guests are made by the very talented students of *Artisto*.
- ◆ The *Alumni association* organized a diverse array of events which included a career counseling session, a lecture titled, 'Going Green: Maitreyi's Initiative to Calculate, Analyze and Reduce Carbon Footprint'. It also conducted a panel discussion involving alumni from varied fields through the event, 'Sannidhy- The Annual Alumni Meet' organized as a webinar.

Strenuous exercise and interest in games is a healthy outlet for the vigor of youth. Ample opportunities are provided to our students to play and prove their mettle in various sports and games at college, regional and national level competitions. Our girls have done extremely well in Softball, Boxing, Power lifting, Taekwondo, Basketball, Netball, Football and Volleyball and made us proud by bringing laurels to the college with their achievements.

Maitreyi College is proud to announce that it has established a Sports Centre & Facility, which aims at dedicated efforts and facilities to promote Netball among the young and enthusiastic girls of our country. This facility is named as 'Pragati' and strives to impart physical ability training as well as techniques for playing netball in India. It will also provide training to the players for participation in national, central, zonal and university Netball Championship tournaments.

To recognize and reward student achievements, college has this year initiated All Rounder Student Achiever Award from each course. A fee waiver of Rs. 3000 is given to 21 students under the Prof BL Verma Memorial Scholarship instituted last year by his daughter Ms Rashmi Verma Retd. Faculty member from English department.

It is a matter of great pride that the college gardens won 18 prizes this year viz., the Persian Cup for the Best Garden; Deshbandhu Cup for the Best Lawn; Dr. Janaki Amma Cup for Best Border of Mixed Flowers; 2nd prize for Greenery and Cleanliness of the Campus; 2nd prize for Herbal Garden; 3rd prize for Rock Garden; 3rd prize for Rose Garden; and 11 prizes for floral decoration and cut flower categories. Also, Mr. Shankar Lal received the Best Maali award.

In addition to beautiful gardens, we also strive towards adopting sustainable and self-sufficient means. Besides maintaining a herbal garden, we have also developed vermicomposting facilities wherein bio-waste from the canteen is used to produce manure. We have also collaborated with an NGO for recycling of paper. The plants that are used to felicitate our guests are grown in our very own gardens.

As we all know that the current times have been tough and challenging for all of us due to the COVID-19 pandemic, I would like to thank as well as congratulate all teaching and non-teaching staff for adapting to the need of the hour and maintaining continuity of the teaching - learning process through online boarding of both curriculum classes as well as other integral functioning of the college. To apprise everyone, we not only conducted regular classes and uploaded e-content for all papers across disciplines on the college website, so as to enable students to complete the syllabus, but also successfully conducted 16 webinars, both national as well as international. These webinars were conducted on important issues and relevant matters pertaining to the challenging conditions of present day, with the aim to keep our fraternity and students well informed about our environment as well as to provide solutions to address the psychological apprehensions and problems of our faculty as well as students. All the faculty members participated in more than 200 webinars and enhanced and broadened their perspective and understanding in various fields. We are also the first college to successfully conduct online Students Union elections and we also made a humble attempt to bid farewell to our final year students through online farewells. I am proud to say that the Maitreyi Kutumbh continues to sail successfully through the given times with their determination and the positive passion to learn and adapt.

The College bid farewell to Ms Manjula Saxena (Sociology), Dr Lata Nohria (Chemistry), Dr Raj Lakshmi (Political Science), Dr Nita Aeron (Zoology), Ms Elizabeth Michael (Mathematics) and Dr Rina Mazumdar (Botany). They superannuated after successfully completing their teaching tenure.

I would specially like to mention our non-teaching faculty and commend them for their tireless efforts and services that enable the college to function smoothly. We proudly look at all of you as the supporting pillars of our organisation. From non-teaching staff, Sh Balam Singh and Sh Ranjit Singh superannuated after successfully completing their service tenure.

I would like to extend my warm gratitude to our Chief Guest Prof. Balaganapathi Devarakonda, Chairperson, Governing Body for gracing today's occasion and giving us his valuable time.

I also thank my teaching and non-teaching staff and students, for their cooperation and support in organizing this function.

Let us all pledge to continue our dedicated efforts and valuable contributions to take Maitreyi college to even greater academic, social and cultural heights and distinctions.

**PRESENTATIONS IN CONFERENCE/ SYMPOSIUM/ SEMINAR/ WORKSHOP**

Faculty (Department)	Title of Presentation (Oral/ Poster/ Resource Person)	Conference/ Symposium/ Seminar/ Workshop
Dr. Sushil Kumari Mr. Jalaj Kumar (Sanskrit)	Bhartiya Navvarsha Abhinandan Samaaroh	Resource person in College level Seminar 'Bhartiya Navvarsha Abhinandan Samaaroh' organized by Satyakam Bhawan, Arts Faculty, University of Delhi held on April 5, 2019.
Dr. Gopi Devdutt Tripathy (Sociology)	Amrita Pritam: author and the person	Presented paper in National seminar on 'Amrita Pritam - Kalam de Naksh' organized by Punjabi Department, University of Delhi held on April 11-12, 2019.

Mr. Jalaj Kumar (Sanskrit)	तत्कालीन दार्शनिक चिन्तन के परिप्रेक्ष्य में जैन दर्शन का वैशिष्ट्य	Resource person in Regional Symposium 'तत्कालीन दार्शनिक चिन्तन के परिप्रेक्ष्य में जैन दर्शन का वैशिष्ट्य' organized by Seminar Hall, Arts Faculty, University of Delhi held on April 24, 2019.
Dr. Sushil Kumari (Sanskrit)	Sanskrit vangmaye strinam Adhikarah (संस्कृत वाङ्मये स्त्रीणामधिकाराः)	Presented paper in state level Seminar 'Delhi Prantiya Sanskrit Vidushi Sammelanam' organized by Sanskrit Sabhagar, Shri Lal Bahadur Rashtriya Sanskrit Vidyapeetham, Delhi held on May 19, 2019.
Dr. Rekha Kumari (Sanskrit)	Dharmshastreshu Sanskrit Vidushinaam Bhumika (Aacharo Parmo Dharma)	
Dr. Manju Bhardwaj Dr. Veena Ghuriani Ms. Shikha Badhani Ms. Rupali Ahuja (Computer Science)	Spreadsheet Handling	Resource person in Regional workshop 'Computer Workshop on Spreadsheet handling' organized by Maitreyi College, University of Delhi, held on May 22-24, 2019
Dr. Jyoti Singh Dr. Luni Dr. Rakhi Gupta Dr. Jaspreet Kaur (Zoology)	Usage and handling of laboratory equipment	Resource person in Regional workshop 'Interdisciplinary Workshop for Laboratory Staff' organized by Maitreyi College, University of Delhi held on June 17-19, 2019.
Dr. Anshu Arora Anand (Zoology)	Chemical Preparations	
Dr. Archana Aggarwal (Zoology)	Computer knowledge; Microtomy	
Dr. Neetu Arneja (Mathematics)	Meditation-the master key to happiness	Presented talk in the workshop 'Enlightened living workshop' organized by National Institute of Health and Family Welfare (NIHFW), Delhi held on June 21, 2019.
Dr. Anamika Singh (Botany)	<i>Tisopora cordifolia</i> Phytochemicals insilco interaction studies with Gehrlin Receptor	Presented poster in International conference on 'Ageing, health and rejuvenation' organized by Nature Conference, Erasmus MC. Rotterdam held on June 23-26, 2019.
Jyotsna Talreja Wassan (Computer Science)	Preparing to Submit Your Thesis	Attended International workshop on 'Research development program' organized by Ulster University, United Kingdom held on June 25, 2019.
Dr. Rashi Bhargava (Sociology)	Standing Up- The Comic Public Sphere	Presented paper in International conference on 'Humour and the Performance of Power in South Asia: Anxieties, Laughter and Politics in Unstable Times' organized by International Centre for Ethnic Studies, Colombo, Sri Lanka held on June 27-28, 2019.
Dr. Pradeep Kumar (Library)	Applications of IT in Libraries	Resource person in the two weeks computer training programme for Semi-Professional Assistants of various Colleges on organized by Central Library, University of Delhi on August 2, 2019.
Ms. Suman (Political Science)	Advertisement- Consumerist Culture and Women	Presented paper in National seminar 'Interrogating Gender: Literature, Law and Society in India' organized by Shyama Prasad Mukherjee College (For Women), University of Delhi held on August 9-10, 2019.
Dr. Ankita Sehrawat (Botany)	Protein structure analysis	Resource person in National Conference on 'Biotechnology in Present Era: Impact on Human Life and Environment' organized by Maitreyi College In collaboration with DBT (under DBT-CTET Programme), University of Delhi held on August 23, 2019.

Dr. P. Kavita (Botany)	Sustainable Agriculture Through Biofertilizers: Present Status	Presented poster in National Conference on 'Biotechnology in Present Era: Impact on Human Life and Environment' organized by Maitreyi College In collaboration with DBT (under DBT-CTET Programme), University of Delhi held on August 23, 2019.
Dr. Anamika Singh (Botany)	Plastic Degrading Microbes: will Nature Heal the Planet? Our vaccine against all diseases are not always best	
Jyotsna Talreja Wassan (Computer Science)	Improving your academic writing and presenting in Computing	Attended International workshop on 'Research development program' organized by Ulster University, United Kingdom held on August 26, 2019.
Dr. Kiran Soni (Chemistry)	L-alanyl-4,6-O-ethylidene- $\beta$ -D-glucopyranosylamine derived glycoconjugates and its application in metal interactions and amino acid interaction	Presented paper in International Conference on 'Physical and Theoretical Chemistry' organized by Zurich, Switzerland held on September 2-3, 2019.
Dr. Pushpa Gupta (Hindi)	Kinnar vimarsh aur zindagi 50-50	Presented paper in a National Seminar 'Ikisvin Sadi Ka Hindi Katha Sahitya: Chintan Ki Vividh Dishayen' organized by Kamla Nehru College, University of Delhi held on September 5-6, 2019.
Dr. Pradeep Kumar (Librarian)	Digital Transformation: A Cognitive Learning towards Artificial Intelligence	Resource Person in 2nd International Conference on 'Digital Transformation: A Cognitive Learning towards Artificial Intelligence (ICDT 2019)' at Rajiv Gandhi National University of Law, Punjab Campus, Patiala on September 6-8, 2019.
Ms. Shipra Verma (Physical Education)	Inclusive Physical Education Learning need for Special Student	Presented paper on 'International Conference on early childhood development for children with intellectual disability organized by Special Olympic Bharat at Amity University, Noida, (U.P) on September 12-13, 2019.
Dr. Atika Chandra Dr. Pooja Baweja (Botany)	Climate Change & Epigenetic Variation: Assessing Environment	Presented poster in International Seminar 'Science, Environment & Spirituality (ISSES 2019)' organized by Shivaji College, University of Delhi held on September 13, 2019.
Dr. Pradeep Kumar (Librarian)	Relevance of Five Laws of Library Science	Resource Person in One Day National Seminar on 'Relevance of Five Laws of Library Science in Digital Era' organized by Indian Library Association during on September 14, 2019 at Pragati Maidan, New Delhi.
Dr. Sarita Dubey (Sanskrit)	Ramanujacharya ki Samajik manyatayen	Delivered oral presentation in National Seminar 'Ramanujacharya ki Samajik Evam Darshanik manyatayen' organized by Hindu College, University of Delhi, Delhi held on September 19-20, 2019.
Dr. Mamta Dhawan (Hindi)	Costume Designer of the era of Mahatma Gandhi	Resource Person in a play 'BAPU AB BHI ZINDA HAI' presented by ISPAT Mantralaya, Bharat Sarkar Evam Mahatma Gandhi Vichar Anubhuti Manch Bharat' held on September 20-October 2, 2019.
Mr. Jalaj Kumar (Sanskrit)	Vedic Age in the light of Recent Researches	Resource person in National Seminar 'Vedic Age in the light of Recent Researches' organized by Arts Faculty, University of Delhi held on September 24, 2019.
Richa Chilana (English) Dr. Rashi Bhargava (Sociology)	Home-ing the World and Worlding the Home: An Understanding of Singlehood, Rental Housing and Neighborliness	Presented paper in a International Seminar 'Locating Neighborhoods in the Global South' organized by Department of Sociology, Tezpur University, Tezpur held on September 25-26, 2019.

Dr. Mala Kapur Shankardass	Voices and Concerns of the Elderly	Resource person in National Conclave on '2nd Annual Senior Care Conclave' organized by Helpage India at New Delhi held on October 1, 2019.
Ms. Kanchan Kumari (Political Science)	Private, Civil and Public Sexualities	Presented paper in an International conference 'Private, Civil and Public Sexualities: XI International Academic Conference' organized by Institute of Sociology, Czech Academy of Sciences, Prague, Czech Republic held on October 2-4, 2019.
Mr. Jalaj Kumar (Sanskrit)	Gandhi and the temporary issues: old theory. New perspective	Participated in National Seminar 'Gandhi and the Temporary Issues: Old Theory. New perspective' organized by University of Delhi held on October 10, 2019.
Dr. Anamika Singh (Botany)	Molecular Docking studies of <i>Tinospora Cordifolia</i> Phytochemical with cancer receptors	Presented poster in National conference 'Intellectual Property Rights (IPR): Challenges and Prospects' organized by Botany Department, Maitreyi College, University of Delhi on October 22-23, 2019.
Dr. Sarita Kumari (Botany)	IPR: An aspect fostering the Indian Economy	
Dr. Monika Heikrujam (Botany)	IPR: An aspect fostering the Indian Economy	
Dr. Rajni Johar Chatwal (Chemistry)	Study of Anthraquinone Dyes removal by using Chitosan Nanoparticles	Presented paper in International conference on 'Water Pollution, Recycle and Waste Water' organized by London, United Kingdom on October 23-24, 2019.
	Nanochitosans for toxic Metals Adsorption from waste water	
Mr. Jalaj Kumar (Sanskrit)	Vimarsh-2k9	Resource person in National Symposium 'Vimarsh-2k9' organized by University of Delhi held on November 2-4, 2019.
Presented poster in National level Seminar 'Assessment and Accreditation of Best Practices in Higher Education Institution Under NAAC Framework' organized by IQAC, Maitreyi College, University of Delhi held on November 5-6, 2019.

Dr. Ankita Chaudhary (Chemistry)	Task Specific Ionic Liquid Catalyzed One-Pot Three Component Synthesis of SpiroNaphthalene and Spiro Pyrimidine Derivatives	Presented poster in National Conference 'Relationship between Chemical Sciences and Society' organized by Shivaji College, University of Delhi on January 16-17, 2020.
Ms. Priyanka Sahni (Mathematics)	Some Results Related to Fixed Points of F-G-Contraactions on Metric Spaces Equipped with W-Distance	Presented paper in an International Conference on 'Sustainable Computing in Science, Technology and Management' organized by Amity University, Rajasthan held on January 20-22, 2020.
Dr. Pooja Baweja Dr. Sarita Kumari Dr. Monika Heikrujam (Botany)	Unification of Biodiversity Conservation and Water Development: A long Term Solution	Participated in National Conference on 'Water Sustainability: Conservation, Policy, Ethics and science' organized by Zakir Husain Delhi College, University of Delhi, 21 – 22 January, 2020.
Dr. Brototi Roy (Zoology)	Inductive Expression of NOD1 in Fish <i>Channa punctata</i> by Bacterial Infection and Identification of Key Motifs Involved in Ligand Recognition	Presented a poster in International summit on Women in Stem- Visualizing the future: New Skylines ISW 2020 held on January 23-24, 2020.
Dr. Anamika Singh (Botany)	Environment Challenge: Synthetic Drugs Usage at Local, Regional & Global Scale	Presented paper in International conference on 'Environmental Challenges and Solutions' organized by Manav Rachna Institute of research and studies held on January 31- February 2, 2020.
Dr. Rajni Johar Chatwal (Chemistry)	Aerosol Forming Pyrogenic Composition for Class B Fire Fighting Application: A Halon Alternative	

Dr. Princy (Zoology)	Genome Validation and Annotation	Resource person in International pre-Symposium workshop 'Computational Biology for (Meta) Genomics Analysis for Beginners' in Southeast Asian Regional Symposium on Microbial Ecology (SARSME-2020) organized by Tribhuvan University, Nepal under the aegis of International Society for Microbiology Ecology held on February 12, 2020.
Dr. Princy (Zoology)	Comparative Genomic Analyses Reveal Acquisition and Evolution of Symbiosis Island in Native Isolates of <i>Bradyrhizobium sp.</i> from Soybean Nodules	Presented paper in International Symposium 'Southeast Asian Regional Symposium on Microbial Ecology (SARSME-2020)' organized by Tribhuvan University, Nepal under the aegis of International Society for Microbiology Ecology held on February 12-14, 2020.
Dr. Geeta Pandey (Hindi)	Prasad Ke Natak	Presented paper in International Seminar 'Mahakavi Jaishankar Prasad: ek punar paath' organized by Hindi Department, Mumbai University, Mumbai held on February 17-18, 2020.
Dr. Princy (Zoology)	Metagenomics Diversity using MetaPhlan	Resource person in Regional workshop 'Computational Biology Workshop for (Meta) Genomics Analysis for Beginners' under INSA Delhi Local Chapter held on February 19, 2020.
Dr. P. Kavita (Botany)	Role of Plants in Reproductive Health	Presented a poster in International Conference on 'World Congress on Reproductive Health with Emphasis on Reproductive Cancers, Infertility and Assisted Reproduction' organized by Shri Mata Vaishno Devi University (SMVDU) Katra in association with Indian Society for the Study of Reproduction and Fertility (ISSRF) held on February 14-16, 2020.
Dr. Anamika Singh (Botany)	Molecular Docking Studies of <i>Tinospora cordifolia</i> Phytochemical with Cancer Receptors	
Dr. P. Kavita (Botany)	Role of CRISPR-Cas9 System in Crop Improvement	Presented a paper in National conference on CRISPR-Cas as an 'Emerging Tool for Genome Editing' organized by IMS Ghaziabad held at February 22, 2020.
Dr. Anamika Singh (Botany)	CRISPR-CAS: Important Tool for Crop Improvement	
Dr. Princy (Zoology)	Core-Pan Genomics	Resource person in Regional workshop 'Computational Biology for Meta Genomics Analysis' under INSA Delhi Local Chapter held on February 24-26, 2020.
Dr. Jyoti Singh Dr. Brototi Roy (Zoology)	Study of effect of Insulin Sensitizers Thiazolidinediones on Pancreas of Alloxan Induced Diabetic Rats	Presented Poster in International Conference on 'Natural Products and Human Health-2020' organized by Deshbandhu College, University of Delhi held on February 27-29, 2020.
	Diabetes Management in India: Conventional medication, Traditional or Complimentary approach	
Dr. Jyoti Singh Dr. Meena Yadav (Zoology)	Knowledge and Status about Childhood Immunization among Mothers in Delhi-NCR	
Dr. Meena Yadav (Zoology)	Influence of Homeopathic Medicine <i>Arsenicum Album</i> on Selected Biochemical Parameters of Blood in Vitro	
Dr. Madan Yadav (Political Science)	Ganga To Volga: Connecting Eurasia	Presented paper in International conference 'Ganga to Volga' organized by Jawahar Lal Nehru University, Delhi held on March 1, 2020

Dr. Meena Yadav (Zoology)	Online learning during COVID-19: Challenges and Opportunities	Presented paper in 'Two-day International Online Conference on Teaching- Learning in the time of Pandemic: Role of Online Learning' on April 21-22, 2020, Organized by KKHSOU, Guwahati, Assam in collaboration with Commonwealth Education Media Centre for Asia (CEMCA).
	Status of COVID-19 in India: Impact of lockdown	Presented paper in International e-conference on 'Sustainable development after COVID-19: Environmental Issues and Challenges' organized by D.N. College, Meerut and Department of Toxicology, C.C.S. University, Meerut on June 1-2, 2020.

#### PhD AWARDED

Faculty (Department)	Title of the Thesis	Awarding University	Date of Award
Jyotsna Talreja Wassan (Computer Science)	Integrative Data Analysis for the Prediction of Metagenomic Functions	University of Ulster, United Kingdom	30-March-20
Priti Arora (Economics)	Credit and Housing Prices: Interlinkages and Impact	University of Delhi	4-Nov-19
Pawan Kumar (Mathematics)	Study of Fixed Point Theorems on Metric and Certain Topological Spaces	Dr Abdul Kalam Technical University, Lucknow	5-June-20
Khushboo Bussi (Mathematics)	Cryptographic Hash Function: Design & Analysis	University of Delhi	12-March-20

## COLLEGE ACTIVITIES

### BOTANY DEPARTMENT

The Department of Botany had another eventful academic and extra-curricular calendar in 2019-20. The department welcomed the newly admitted students of batch 2019-20 in a well organised Orientation Day Programme. The department shared its vision, curriculum, co-scholastic activities and plethora of opportunities that awaits the students after pursuing the course in plant sciences. The Department of Botany, organised a visit on January 29, 2020 for the students of Botany(H)III to IIT, Delhi for strengthening the practical component in the curriculum of the paper, Industrial and Environmental Microbiology (Discipline Specific Elective paper), especially about the practical knowledge of the subject. The visit was led by Dr. Atika Chandra and Dr. Sarita Kumari. The department has also successfully maintained a compost unit under the supervision of Dr. P. Kavita. The kitchen wastes from college canteen are used to generate the compost and also been tested for its efficiency. The Botanical Society of Maitreyi college BLOSSOM, organized 'Miss Botany Contest' on 28th August, 2019 for the 1st Year students to help nurture their personalities by giving them a platform to showcase their talents. On 2nd March, 2020 Botany department celebrated its Annual Fest IXORA'20. Enthusiastic and avid participation from students of Maitreyi college as well as other DU colleges was seen in all the three competitions (Pot Painting, Boroque, and Panorama). Under the aegis of Ecology club 'Prakriti' two competitions (poster making and extempore) were organized on 2nd March, with themes focusing on environmental issues. The plethora of activities and events establishes the zeal and involvement of teachers and students of the department. Apoorva Dayal from BSc Botany Hons IIIyr and Garima Bora and Gargi Nandi from BSc Life Sciences IIIyr were selected for the All Rounder Student Achiever Award.

### CHEMISTRY DEPARTMENT

The Department of Chemistry undertook three summer projects for the undergraduate students in the month of June and July, 2019. The faculty of the department, namely, Dr. Gita B. Narula, Dr. Ramesh Kumari, Dr. Ritu Gaba, Dr. Ankita Chaudhary, Dr. Kiran Soni, Dr. Rajni Johar, Dr. Lata Vodwal, Dr. Hema Bhandari, and Dr. Gazala Ruhi mentored these projects. 13 students of the department carried out experiments of various types (synthesis of magnetic nanocomposites, green synthesis of metal nanoparticles, soil analysis etc.) under these projects. The project entitled, 'Green synthesis of copper nanoparticles using plant extract for purification of water effluents from laboratories and textile industries' got 3rd prize, among all the projects of science departments. The department bid farewell to Dr. Lata Nohria on 27th September, 2019 and Mr. Ranjit Singh, store incharge on 31st December, 2019. Their hard work and dedication towards their duty was appreciated in their farewell ceremonies. The Department of Chemistry in collaboration with Prakriti, Eco club, organized a talk on 'Holistic Healing - Body and Mind' on 17th September, 2019. The Radha Sairam Chemical Society of the department organized Rafia Memorial Lecture on 27th January, 2020. The talk was delivered on 'Chemistry of Food' by Prof. J. M. Khurana, University of Delhi. The students of Chemistry (Hons.) IInd year visited CSIR-National Physical Laboratory (NPL) on 27th September, 2019 on the occasion of CSIR foundation day. The faculty Dr. Kiran Soni accompanied the students to NPL. Their visit to various labs helped them to get an idea about the latest research work going on in the field of magnetic materials, nano structured materials, advanced carbon composites, research techniques and instrumentation. A departmental excursion trip to the Water Treatment Plant was organized on 4th October, 2019 for the students of I and II year. The Annual Department Fest 'Chemsophy' was organized on 5th March, 2020. Students from different colleges participated in the activities like Lab run, paper presentation, quiz competition, Chem Tik Tok etc., which made this festival a great success. The department also organized online events of Chem Quiz and Case study competition under the Annual Interdisciplinary Academic fest 'Avgaahan' in the month of February 2020. Tanisha Singh of Chemistry (H) IIIyr was selected for All Rounder Student Achiever Award.

### COMMERCE DEPARTMENT

Commerce society, Excelsior, organised several seminars, competitions and other activities during the academic year 2019-20 with a clear cut objective to expose our students to the practical situations in commerce and

industry. Professing it as our best practice, seminars during the year were held on importance of management in one's career by Career Launcher, success in IELTS and opening up a world of possibilities by IDP Institute, NSE courses and how to invest money in stock market, courses available for MBA by IIFM, and Resume building by IOCM. The department arranged campus visit to ISBIF, NDIM and BSE Institute Ltd. A factory visit to Yakult in Sonapat was arranged under educational trip programme. Annual fest COMFESCO 2020 was organised in which a variety of widely attended educational and fun, inter-college competitions named Stock O' Clock, Business Bee, Trick and Trade, Market Turbulence, Dream 11, Brand Hunt etc. were held. Two online competitions were The Artsy Lens and Meme-O-Thon. Two usual events were orientation for the new batch of students admitted in the academic year 2019-20, and Teacher's Day. Vatsala Agnihotri (BCom Hons) and Shiza Praveen (BCom Pass) were selected for All Rounder Student Achiever Award.

### **COMPUTER SCIENCE DEPARTMENT**

The Department of Computer Science conducted a departmental orientation with the first year students on the start of the new academic session to give them a glimpse of the course as well as the college. Ilustrado, the society of department of computer science of Maitreyi college organized 'Best out of waste', an art and craft competition on 5th Sept 2019, to emphasize the importance of recycling E-waste. The society successfully organised their second edition of tech fest - CIENCIA 2020 on 6th March, 2020.

Mrs. (Dr.) Jyotsna Talreja Wassan completed her doctoral research in the area of integrative computational analysis for functional microbial studies at the Ulster University, Northern Ireland, United Kingdom on Research Fund Horizon 2020 scholarship granted by the Ulster University. She rounded off her academic journey further by getting funding from the prestigious Marie Curie fellowship under Research and Innovation Staff Exchange (RISE) Scheme for the MetaPlat project, which focused on analyzing microbial genomes for improving the nutritive value and cattle productivity in European boundaries under European Horizon Commission 2020. ### **POLITICAL SCIENCE DEPARTMENT**

The Political Science Department of Maitreyi College combines studies with practice and tries to train the young minds about how to utilize their thinking in analyzing situation all around them. There is no better gift than a 'questioning mind' and this is what our teachers compel the students to acquire. We also believe in building

strong bonds with our students, the bedrock of which starts with departmental orientation for the newbies that join the department after fresh admission. The academic session of 2019 welcomed 115 students. The orientation that happened on 19th July 2019 is a customary acquaintance of the department with the fresh lot of students where their apprehensions are settled by answering their queries regarding their path towards graduation for the next three years. Students are encouraged in every possible way to participate in activities of the college, intra-college competitions and also internships which brings about personality development in students. Most of the students who opt for political science come with the mindset of becoming future civil servants. This is given direction by constant seminars and talks organized by the department with the help of eminent coaching institutes and first hand interaction with civil servants. This gives the students an opportunity to better understand the field of civil services and also helps them in taking an informed decision about their future.

Every year the department with the help of the college organizes an educational trip which gives a firsthand experience to the students of concepts and institutions they study in the discipline of political science. On 27th September, 2019 the trip was taken to a village in Haryana, 'Dhauj' where the accompanying 67 students of the department familiarized themselves with the local self-government institution or the panchayati raj institution. They also learnt about the ecological imbalance created by the illegal mining in that area and the impact of the same on village economy.

Regular knowledge is imparted by the teachers in the field of research as well. Students are introduced to research methodology in social sciences, plagiarism as a crime and proper referencing which helps them in studying in a systematic manner and develop in them research inclinations. Our students won the third position in the summer research internship project conducted by Maitreyi College in 2019. Our students are 'our pride' and Tanushka Saxena (Third Year, Section A) and Famita (Third Year, Section B) were selected for the All Rounder Student Achiever Award. Along with maintaining a good academic record they have immensely contributed to the department and have represented the college at various levels.

Avgaaahan achieved its goal of interdisciplinarity as students cross the boundary of disciplines and participated in events of their interest from other academic streams as well. The event was a huge success.

### **CENTRE FOR RESEARCH**

Since its inception in the year 2018 under the aegis of Maitreyi Research and Incubation Centre, giant strides have been taken by the Centre for Research to achieve its objective of promoting a research friendly environment in the college and to provide opportunities to students and faculty to delve into research questions.

In the academic year 2019-2020, a workshop on 'Formulating Project Proposals' was held which was attended by both students and faculty of our college. Elaborate discussions were held to highlight the salient features of good proposal writing and queries were addressed. Under the Summer Internship Program, 23 research Projects were carried out, 16 from sciences and 7 from, social sciences and humanities. 49 Faculty members and 95 students were involved in the 2 month long Summer Internship Program. The project proposals were screened by external experts

and, after their completion were evaluated by a panel of external jury members. The first prize in the Humanities and Social Science section was awarded to the Project 'Women and Desire: Exploring Female Sexuality'. In Sciences the project entitled 'Identifying pollution scavenging potential in perennials growing in Maitreyi College campus' was judged best and was much appreciated for its extensive study. The students also presented their Summer Internship Project work in different national and international conferences. One of the Summer Internship Project carried out in the last academic year (2017-2018) was also published in a peer reviewed International Journal setting an excellent precedence.

The Centre for Research also funded one-day Education trips for all the Departments. Students and Faculty members took this unique opportunity to explore places of scientific, economic, social and historical interest. Zoology Department visited the Asola Bhati Wildlife Sanctuary, Botany Department visited Aravali Biodiversity park, Commerce Department organized a trip to Yakult Factory whereas Chemistry Department organized a one-day trip to National Physical Laboratory to name a few. It was an excellent learning opportunity for the students and enhanced their practical knowledge.

A new venture, 'Annual Research Projects' was initiated from January, 2020 by the Centre for Research keeping in mind the enthusiasm and zeal shown by faculty and students alike for pursuing research activities throughout the year. This year 13 projects are being funded by the Centre for Research under its 'Annual Research Projects' scheme. Among these, 4 projects are interdisciplinary in nature. The theme of annual projects for 2020 is 'Personal, Environmental and Social Health' and most of the projects fall into the theme.

### **ENACTUS**

Enactus Maitreyi was started in the year 2014 with an aim to uplift the society by following the 17 SDGs set by WHO. Besides its every day pursuits, this year, Enactus Maitreyi took some distinctive initiatives that comprise of a two day Denim Collection Drive which helped us to expand our products range. Time and again, we conducted effective seminars for various departments by collaborating with renowned educational institutions. During Diwali vacation, the entire team took an initiative to light up the lives of those in need and played a part in mutual happiness by sharing supper with the deprived communities. Above all, we have successfully come up with our fourth and most appreciated project 'Misbah' in which we have collaborated with rescued sex workers to produce scented, eco-friendly candles.

We also conduct training and skill development sessions for modernizing the expertise of all our beneficiaries. In future we aim to rise and expand even more than before and make the best use of resources that we have.

### **GARDEN**

The college is proud of its well-maintained, beautiful lush green lawns, trees, plants, Rock Garden, Rose Garden and Herbal garden. To create and nurture a natural, peaceful and fascinating ambience with the natural world is at the centre of the college's garden mission. The college Garden club 'Pristine' was initiated last year. The goal of the club is to connect students with nature and initiate new garden features and environment friendly activities to inspire and strengthen the college's commitment to the environment.

During Diwali mela, a stall was put up by the members of Pristine for potted plants under the scheme 'Gulistaan' which enhanced their creative and management skills. The students of the club played a crucial role in connecting the gardens with the college community by cataloguing and making pictorial display boards. They have successfully embraced the changes needed to respond to the challenges of climate change by means of reusing the waste plastic bottles as planters, waste bins and sitting stools.

The plantation drive near New Science Block and development of new Rock Garden underlines the nature bound prospective approach of the college, which also embraces sustainable trends in garden design and management. Throughout the year potted plants were nurtured by maalis for subsequent use as gifts to chief guests and invited speakers. Fallen leaves and dry plants on the campus were collected in the composting pits in the garden to convert them into manure. More than 90% of the manure used in the college is generated in-house by composting under the scheme 'Urvara'.

The dedicated maalis are essential to achieving our mission and their hard work can be seen by the number of awards the college receives at the Delhi University flower show held annually. This year, the college won laurels with eighteen prizes viz., the Persian Cup, Deshbandhu Cup and Dr Janaki Amma Cup for the Best Garden, Best Lawns and Best Border of Mixed Flowers, Second prizes for Greenery and Cleanliness of the Campus and Herbal

Garden; Third prizes for Rock Garden and Rose Garden; and eleven prizes for floral decoration and cut flower categories. Also, Mr. Shankar Lal received the Best Maali award. Merit award was also conferred on the College Maalis for their devoted efforts. With the motto of 'Cultivate, Educate, Celebrate' we continue to grow our community by connecting people, plants and nature.

### **PRAKRITI - ECO CLUB**

The Eco-club of Maitreyi College 'Prakriti' under the able guidance of Dr. Rina Majumdar organized several activities in the academic session 2019-20. The students were made aware of environmental issues and their responsibilities with the help of visits, workshops, invited talks, competitive events etc.

All the science departments organized various competitive events on environment based themes to celebrate the Eco Club Fest. Students from various courses participated enthusiastically and winners were awarded prizes and certificates. The Department of Botany under the aegis of Eco Club organized competitive events such as poster making and extempore competition. The theme of the poster making competition was 'Sustainable Development in Delhi' with the purpose to spread awareness about sustainable developmental practices in Delhi. Students

presented their ideas about several environment related topics in an impressive manner in the extempore competition.

The Department of Chemistry organized a poster making competition with the theme ‘Single use plastic...use and abuse’. The purpose of organizing the competition was to spread awareness among the students about the dangers of single use plastic for environment.

The Department of Physics organized 2 events under Eco Club - Group Discussion Symposium ‘Charcha Prakriti Par’ and poster making competition. ‘Let’s clear the air’ and ‘Life without plastic’ were two themes for poster making. In the group discussion event the topics of discussion for the preliminary round were ‘Should the manufacturing of nuclear weapons be permitted?’ and ‘Should the developed and underdeveloped countries be equally responsible for combating climate change?’ The final was a Case study round in which ‘Australia Fires’ was the case chosen for discussion. The finalists were judged on the basis of content, body language, voice modulation and adherence to the time limit etc. Students from Maitreyi college and Gargi college participated actively, making the event a great success.

The Department of Zoology organized competitions like ‘Decibels’ and ‘Pixels’ where the general knowledge and scientific temperaments of the students were tested by using various audio-visual means and ‘Pot Your Thought’ which emphasised on how we can make the best out of waste. Winners were given prizes in the form of pen drives, earphones, bag packs and drawing kits.

Faculty members and students of the Department of Botany attended a workshop organized by the Department of Environment & Forests, Government of NCT of Delhi on ‘Implementation of the Noise pollution (Regulation & Control) Rules’ at Delhi Secretariat. This workshop created awareness about the ill effects of noise, the laws to protect against noise pollution and the instrument to detect it.

These events based on various environmental challenges encouraged students to follow eco-friendly practices to make our environment healthy and sustainable for future.

### ALUMNI ASSOCIATION

Maitreyi Alumni Association strives to forge links between past, present and future through its diverse array of events. These links were established through collaborations with our esteemed alumni in the form of lectures, counselling sessions, panel discussions and webinars. On 4th September, 2019 a career counseling session was organized by Ms. Riya Roy, Great Scholarship awardee and M.Sc. student at University of Glasgow, UK. Educational institutions have a responsibility towards not only their pupils but also the society at large. Maitreyi is one of the very few colleges that has taken the initiative to compute the carbon footprint in order to identify key sources of emission of GHG and identify opportunities to reduce those emissions. A lecture titled, 'Going Green: Maitreyi's initiative to Calculate, Analyze and Reduce Carbon Footprint' by Ms. Neha Kaul, was organized on 6th September, 2019. Ms. Kaul is a Consultant and Sustainability Lead at an esteemed environment consulting organization. She is certified on GRI Standards of Sustainability from GRI, Amsterdam. She, along with her colleague, Pooja Goel, a M.Sc. student in GGSIP University along with students and teachers of Maitreyi, Dr. Haritma Chopra, Dr. Pinkey Gandhi, Dr. Veena Ghuriani and Dr. Pooja Baweja worked on this project to calculate, analyze and reduce the carbon footprint of Maitreyi College. Ms. Neha suggested measures such as regular campus audits for emissions, taking electronic notes and assignments and #zero carbon college (organizing events with environment as the theme) to reduce the carbon footprint. The event concluded with a pledge by faculty and students to reduce the usage of plastic straws, bags, bottles and create a greener, cleaner, purer campus.

Maitreyi Alumni Association organized a panel discussion between alumni from varied fields on 16th October, 2019 as part of its earnest attempts to create a platform for various generations of alumni to interact and benefit from each other's experiences. Dr. Latika Nath, hailed as the 'Tiger Princess' (Conservation Ecologist and Photographer) spoke of her unusual career graph and how she was the first Indian to have a doctorate on tigers. Ms. Rajshree Sancheti (Professional Shooter) was also President of the Students' Union in Maitreyi and spoke of the challenges she faced and her dream of participating in the Olympics. Ms. Prerna Khatri (YouTuber), a graduate of sociology from Maitreyi, popular for her YouTube videos on dating and relationships, shared the fundamentals of being a YouTuber in terms of viewership and the association with brands. Dr. Bimlesh (Associate Professor, Shiv Nadar University), Ms. Pooja Gopal (Assistant Professor, Department of Political Science, Maitreyi College) and Ms. Richa Chilana (Assistant Professor, Department of English, Maitreyi College) shared their experiences of being a part of academia as research scholars and teachers. Dr. Bimlesh is currently working on nanoparticles and how they can be used for the treatment of cancer. The panel discussion was followed by an engaging discussion with students who shared their concerns and dreams with the esteemed panelists.

On 26th April, 2020, Maitreyi Alumni Association, organized e- Sannidhy, Annual Alumni Meet in the form of the first international webinar of Maitreyi College on 'Covid-19 and 3Ls: Lives, Livelihood and Lockdown.' The event was graced by the presence of Prof. Balaganapathi Devarakonda (Chairperson, Governing Body) and Prof. Amarjeet Kaur (Treasurer, Governing Body). Prof. Balaganapathi enlightened the participants with his insights on lockdown, isolation and solitude in his keynote address, and Dr. Amarjeet Kaur tied together the various sessions in her concluding remarks. Five alumni from varied fields presented their thoughts on COVID – 19. Dr. Latika Nath, Dr. Bimlesh Lochab, Ms. Siva Kapoor, Dr. Pooja Gopal and Ms. Prerna Khatri touched upon various aspects of COVID-19 such as the impact on wildlife, research, political configurations etc. They also instilled hope by talking of the various ways to boost immunity through essential oils and the things we need to keep in mind during the lockdown. Around 200 alumni, students and faculty members participated in the event and made it a success through their participation in the form of questions and comments.
