National Level
**Webinar on - "CAREER UNVEILED"**
Date: 10 July 2021
Organized by: Department of Computer Science
Resource Person: Mr Sudeep Agrawal, VP & Head IT Renew Power Pvt Ltd
Number of Participants: 65
Number of Participants from Maitreyi: 53

Ilustrado, the Computer Science Society of Maitreyi College successfully organized an interactive webinar on Career Opportunities by Mr. Sudeep Agrawal, VP & Head IT Renew Power Pvt Ltd and expert in all emerging technologies, cloud and business transformation.

It was a very informative webinar as Mr. Sudeep enlightened the audience with a wide range of topics such as Internet of Things, AI automation, cyber security, mixed reality etc. The webinar began with a word of appreciation by the respected Teacher In-charge , Dr. Veena Ghuriani. The session saw an overwhelming response from multiple board students. A total of 126 registrations took place for a one day event.
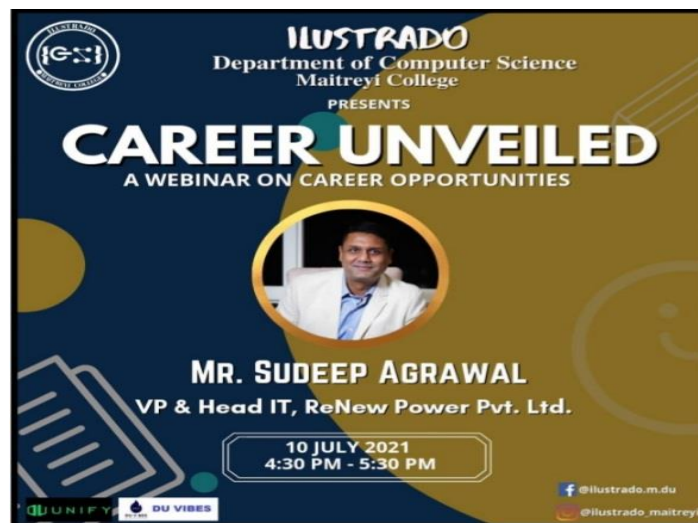

A lot more has changed this year due to the pandemic, making professionals realize that their role will not stay the same in the contactless world tomorrow. The webinar was aimed at gaining insight into the latest technology trends and related career opportunities.

Mr Sudeep Agrawal, VP & Head of IT at ReNew Power. With 19+ years' of experience, he held pivotal roles with massive players such as Whirlpool Corporation, Accenture, IBM & DCM Shriram.

Over the years, Mr Sudeep has gained, honed and leveraged his skills in IT budgeting and building partnerships while perfecting the art of IT growth and innovation directed at high-level performance optimization. Coming with hands-on experience in IoT, SAP HANA, digitalization,

advance analytics using AI and ML, e-commerce, agile methodologies, mobility, cloud migration and CRM among several others. Mr Sudeep has been a role model, mentor and guide to several newcomers in the industry.

The speaker started the session by providing an insight about some key statistics concerned with the IT industry and major technology trends that have took the world by storm in the year 2021. Main areas which were emphasized upon include - advanced analytics, IoT, AI, robotics, VR and AR, mixed reality.
Furthermore, the students learned about the vast number of careers opportunities in these fields. A few of them are: data scientist, data analyst, cloud architect, full stack developer, product manager and cyber security specialist.

Mr. Sudeep Agrawal guided the audience with his knowledge in the field of technology and instructed students in how they can build a successful career by exploring the fields which are highly popular among tech enthusiasts.

National Level
Webinar on "TAMING ANGER THROUGH MEDITATION"
(POWER SESSION ON MEDITATION BENEFITS)
Date: 24 July 2021
Organized by: Department of Computer Science in association with Science of Spirituality
Resource Person: Dr. Usha Udaar
Number of Participants: 60
Number of Participants from Maitreyi: Not disclosed by the organization

Ilustrado, Department of Computer Science, Maitreyi College successfully organized an online interactive power session on benefits of mediation in anger management by Science of Spirituality. The speaker for the session was Dr. Usha Udaar. Associate Professor at IIT, Kanpur. She holds a doctorate degree in Linguistics from IIT Delhi.

It was an eye opening session for most of us as this aspect of mediation was unknown to most of us. The session began with a warm welcome by our respected teacher-in-charge Dr. Veena Ghuriani. The session was open to all age groups and we received responses widely ranging from students to working professionals.

In these unprecedented times, people often struggle in controlling their anger and stress. As a result they frequently end up yelling, arguing or shouting at their loved ones. Keeping in mind the stressful pandemic situation, we organised this power session. We wanted to help people by arranging a mindful session for them. Meditation is considered as one of the most efficient practices to remain calm. It was successfully conducted on 24th July 2021 at 5.30 PM.

Dr Usha Udaar is working as an Assistant Professor at IIT, Kanpur and holds a Doctorate degree in Linguistics from IIT, Delhi. She is deeply associated with the teachings of Science of Spirituality and believes that Meditation is a key to all the problems of this world.

The speaker touched upon many topics that can add on to our daily lives positively. She introduced us to NDE (Near death experience), how people feel spiritually elated when they're put into NDE. She told us how anger is harmful for both physical and mental health. It affects the stability of the mind and mood of a person. We also had a 10 minutes enlightening meditation session in between and it made us feel calm and composed. The session touched upon Reduced risk of stress-related illnesses, Decreased heart rate and blood pressure, Enhanced immunity, Finding one's purpose and meaning of life, Finding inner and outer peace, Connect with internal bliss and joy, Enhanced concentration and focus, Increased productivity at work, home or school, improvement in relationships, Experience Meditation from a Spiritual Expert ,Get inspired by his motivational talks, Receive guidance to practice meditation, Deepen your meditation practice. It was a wholesome session and the speaker ended the session via Q and A session.

Mind Martians Quiz 2021
Date: 14 August 2021
Organized by: Department of Computer Science under Azadi ka Amrut Mahotsav
Convener: Dr Manju Bhardwaj
Number of Participants: 91
Number of Participants from Maitreyi: 47

Ilustrado, the Department of Computer Science of Maitreyi College, University of Delhi, organized an Inter College Competition on the occasion of **75th Independence day** of India, under the banner of *Azadi ke amrut mahotsav.* The competition was conducted on 14th August, 2021.

The objective of competition was to remember the contributions of Prime Ministers and Presidents of free India in the wholesome growth of India. The event was opened to all the students from pan-India. We are overwhelmed to share that we received a total of *258 registrations in the quiz and 91 responses in the quiz.*

The Quiz consisted of 25 questions which participants were supposed to complete in 10 minutes. The study material for the participants which was shared with them on 10th August, 2021.

Link to study material-
https://docs.google.com/document/d/1OxjktcQxsi6zXxXfrsEMmLOawzzu8ewQmfRU8h0f3sA/edit?usp=sharing

Conduction and criteria of Winners-

The competition was smoothly conducted with the collective efforts of our team. The winners were selected on criteria of maximum correct responses in least time. For the 1st position, there was a tie between 2 participants, for 2nd position between 3 participants. Winners were shortlisted on the basis of least time taken amongst them.

Winners-

1st position was acquired by Pranjal Gautam with 24 correct answers.

2nd position was acquired by Shiwani with 23 correct answers.

3rd position was acquired by Shivanand Jha with 22 correct answers.

Event heads of Ilustrado congratulated the winners and the winners were given a shoutout on Ilustrado's official Instagram handle.

Winners and Participants having 18 or more than 18 correct answers were provided with E-certificates on their registered email id.

Responses of the quiz-

We received 91 responses in the quiz.

National Level
National Webinar on"Machine Learning and it's Applications"
Date: 21 August 2021
Organized by: Department of Computer Science
Convener: Dr Veena Ghuriani
Resource Person: Prof R.K.Agrawal
Number of Participants: 63
Number of Participants from Maitreyi: 18

The department of Computer Science organized a National Webinar on "Machine Learning and it's Applications" on 21st August 2021. Dr. Veena Ghuriani was the convener, Ms. Rupali Ahuja was the Coordinator and Dr. Manju Bhardwaj, Dr. Shikha Badhani, Dr. Jyotsna Talreja Wassan and Dr. Shweta Sankhwar were on the organizing committee. Prof. R.K.Agrawal, School of Computer and System Sciences, Jawaharlal Nehru University, New Delhi was the speaker in the webinar.

Prof R.K.Agrawal gave an extensive talk on various techniques used in Supervised Learning and how these techniques can be used in the detection of diseases. The talk was followed by an interactive question and answer session by the participants. The webinar was attended by 63 participants.

The screenshots of the event are given below:
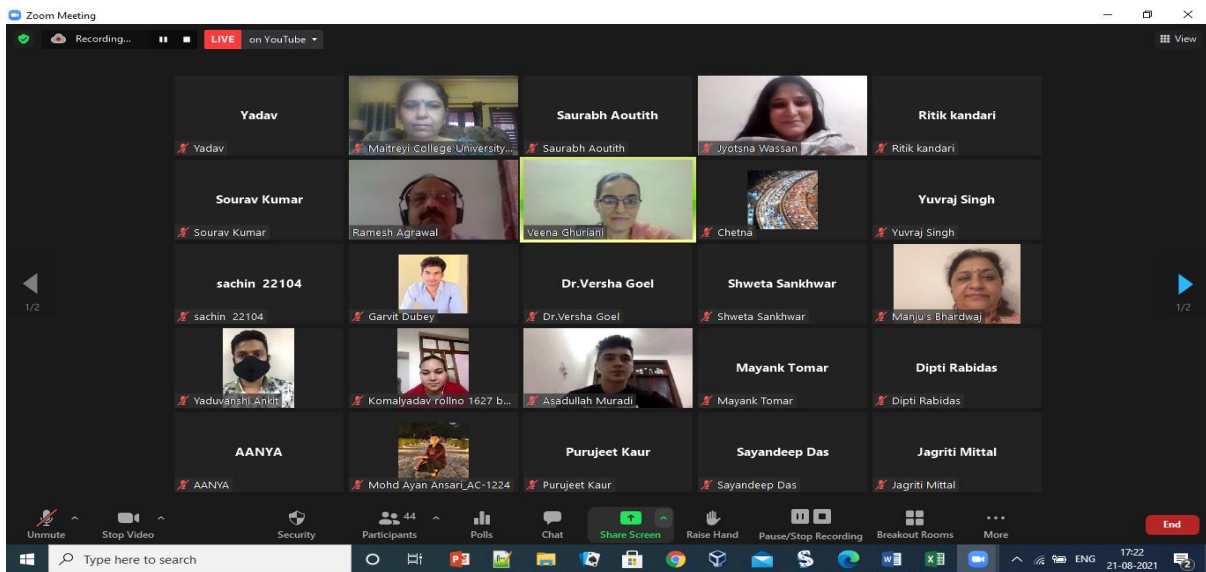

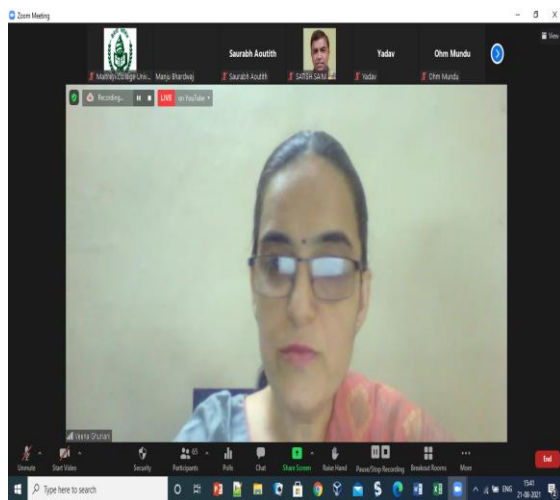

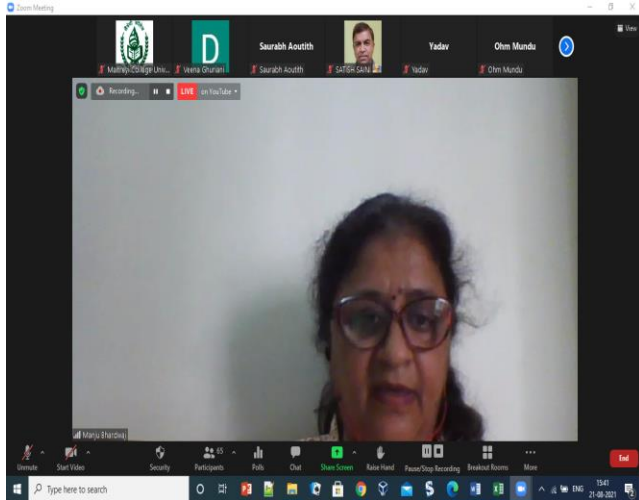

The webinar received a very positive response from the participants. The participants were asked to fill a feedback form, according to it -
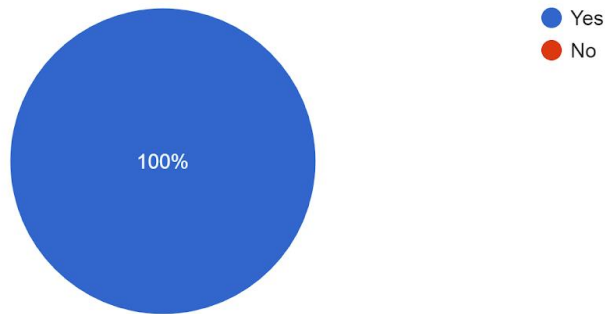

How would you rate the usefulness of the webinar?

COLLEGE LEVEL
CD PAINTING COMPETITION 2021
Date: 12 September 2021
Organized by: Department of Computer Science under 'Azadi ka Amrut Mahotsav'
Convener: Dr Shikha Badhani
Number of Participants: 4
Number of Participants from Maitreyi: 4

Ilustrado, Department of Computer Science of Maitreyi College, University of Delhi, organized an Inter College CD Painting Competition on the occasion of 75th Independence day of India, under the banner of Azadi ka Amrut Mahotsav.

The theme of the competition was Cultural Heritage. The event was opened to all the students from Pan- India. A total of 4 online Registrations took place for the event.

ENTRIES OF THE COMPETITIONS-:

Timestamp	Email	Name	Name of college/Institution	Year	Contact Number
06/09/2021 13:23:02	Nandinigaur8178@gmail.com	Nandini Gaur	Maitreyi college	2	9711382061
12/09/2021 14:31:27	konwarsukanya@gmail.com	Sukanya Konwar	Maitreyi College, University of Delhi	2	7002259625

12/09/2021 16:18:21	albiasiddique@gmail.com	Albia Siddique	Maitreyi College	2	6202988584
12/09/2021 18:23:25	Vermamehak2905@gmail.com	Mehak verma	Maitreyi college	2	7011216077

ENTRIES AND THEIR DESCRIPTION-:

WINNER

The Competition was successfully organized and Ms. Nandini Gaur from Maitreyi College, University of Delhi was declared the winner of the Competition.

All the Participants were given acknowledgement in the form of E- Certificates

DRIVE LINK OF E-CERTIFICATES-:

https://drive.google.com/folderview?id=1hCMMjk8E4W6YOjM5NOsfCYQwDQ59gp2Z

FEEDBACK-:

A very positive feedback was received from all the participants and suggested to conduct more such creative Events.

With that we ended the competition with a great zeal. The team hopes to organize bigger and better events.

Dr. Shikha Badhani

2020-21

National Level
Power Seminar on "Employability Skills for Future"
Date: 18 September 2021
Organized By: Department of Computer Science, Maitreyi College in collaboration with the ICT Academy
Name of the Resource Persons: **Shalu Manan (Vice President, HR Genpact)**
Shailaja Gupta (Analytics Manager, Strides Science Ltd.),
Lovetesh kumar (Project Manager, ICT Academy)
No. of Participants: 69
No. of Participants from Maitreyi: 51

A two-hour online power seminar was organized by the Dept. of Computer Science in collaboration with the ICT academy for the students across the colleges and Universities. The aim was to help students in the enhancement of their Employability skills/Enterprise skills/ Communication skills/ Workplace skills.

Zoom Meeting Link:
 https://us06web.zoom.us/j/85846294344?pwd=VlZHb2xXajVTbTZHb3hDMXlCOEFjdz09

The seminar was attended online by 69 participants. The coordinator was Dr. Manju Bhardwaj and the convener was Dr. Shikha Badhani. The inaugural speech was given by Dr. Manju Bhardwaj and the welcome address was given by Dr. Shikha Badhani. The first keynote speaker was Mr. Lovetesh Kumar. Mr. Lovetesh Kumar emphasized digital skills like virtual methods, cognitive skills, social and emotional skills like relationship with fellow members, relationship with clients, understanding, cooperation, etc. He also covered many other topics like employment mindset to entrepreneur and intrapreneur. He ended his session by saying that work like somebody is watching even when nobody is watching. The next keynote speaker was Ms. Shailaja Gupta. She emphasized hard skills as well as soft skills. She said that as a beginner one should have the hard skill as your base and soft skills are needed to move further in your carrier. She talked about key employability skills like digital skills, technical skills, leadership skills, and people's skills; Gig economy; upskills; various carrier options and tools needed as a student to build up their skills. The last keynote speaker was Ms. Shalu Manan. She started her session with a quote from Aristotle "We are, what we repeatedly do, excellence then, is not an act but habit!". She firstly emphasized on hard facts of life one of which was anyone who has never made a mistake has never tried anything new. Then she moved on to 'so, what can we do' where she talked about how to move on with an end in mind, then to ruthlessly prioritize focus on critical few and deliver on commitments every time, to take criticism with grace, and To Learn, Unlearn and Relearn. She ended her session with a quote from Swami Vivekananda, "If you ever feel afraid of anything, turn around and face it. Never think of running away."
Questions were asked by attendees after each session where their queries were talked about and solved briefly until the level of satisfaction. A high level of participants took part in asking their questions after each session. The seminar was highly appreciated by the participants in the feedback form. E- certificates have been provided to each participant who attended the session.
A vote of thanks was given by the teacher-in-charge of the Dept. of Computer Science, Dr. Veena Ghuriani.

Screenshots of the Power Seminar:

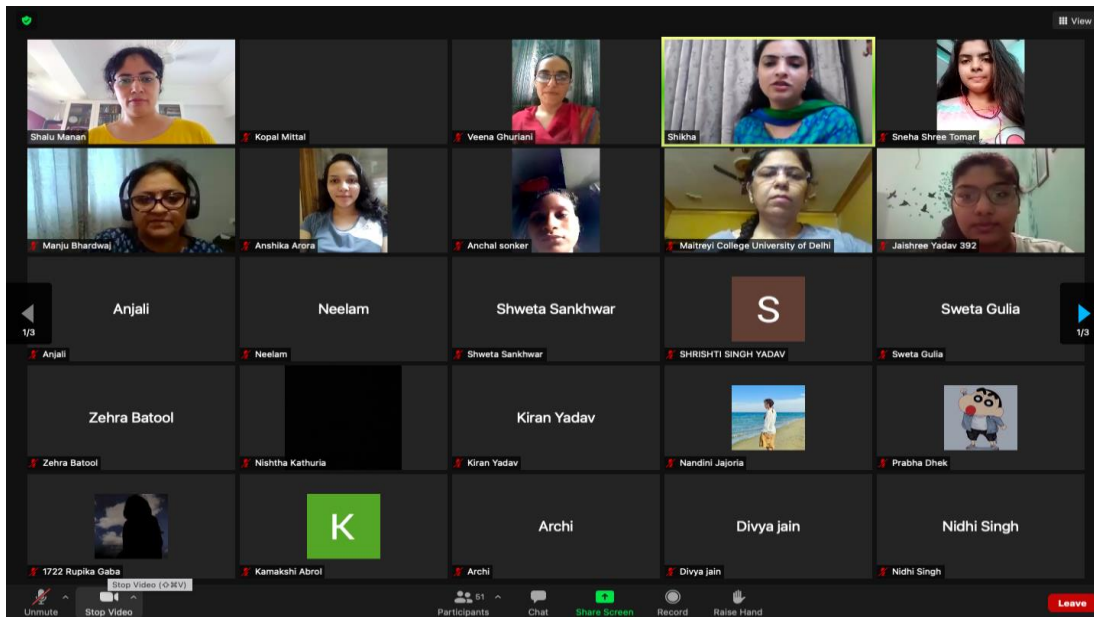

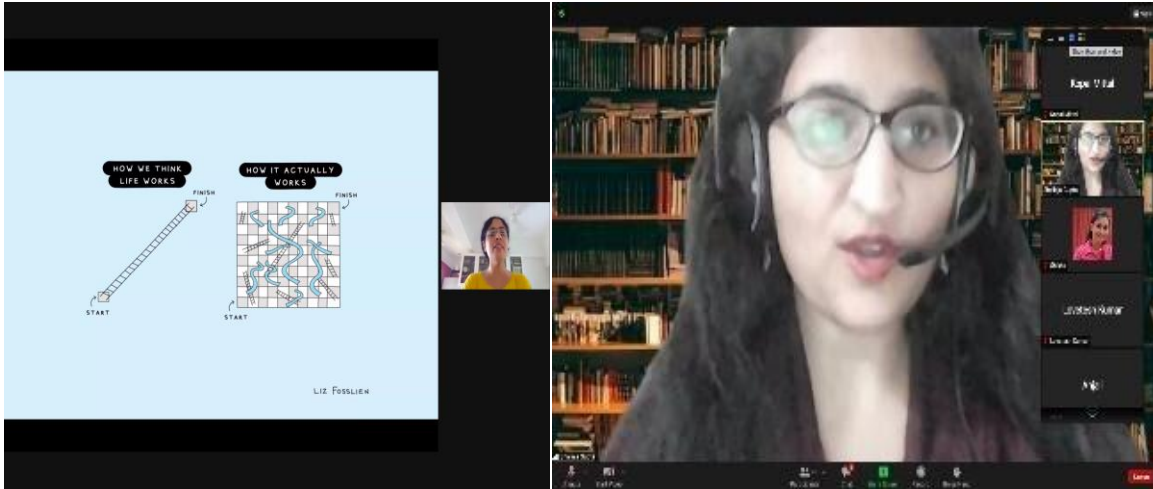

Feedback form analysis:
The attendees were given feedback forms so they could leave individual responses along with their email and contact details if they wanted to hear about future seminars. 69 feedback forms were completed. Direct feedback from participants provided the following responses: -

1. The content of the workshop met the expectations of the participants. All the participants agreed to the usefulness of the content delivered during the workshop with a score of 4 and more (on a scale of 1-5 with 5 being the highest score).

1. All the participants responded that the speakers had a good base of knowledge regarding the topics of the session (score of 4 and more).

How would you rate the content of the session
69 responses
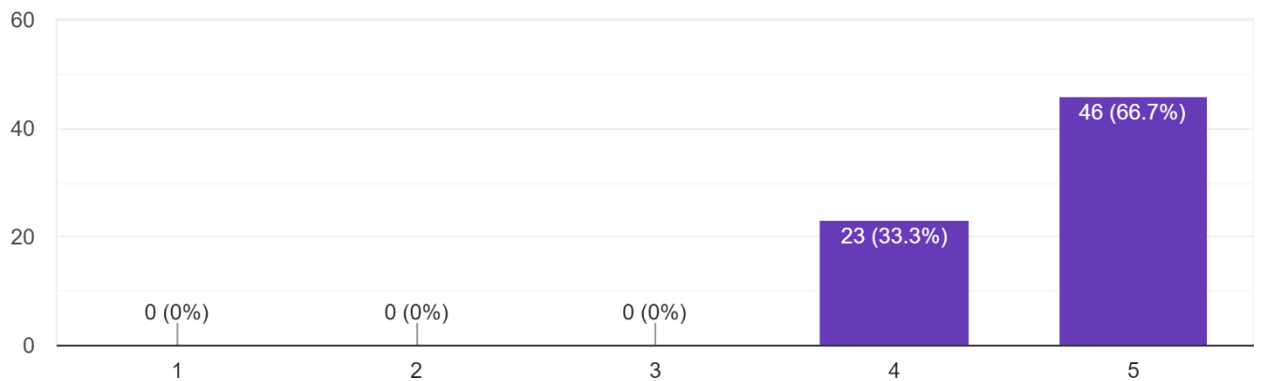

1. We also asked the participants about their views on the duration of the seminar, so that we could use the information to improve on the time durations set in future seminars. And more than 88% of participants responded that the timings were perfect.

How would you rate the speaker's knowledge of the topic for the session?
69 responses
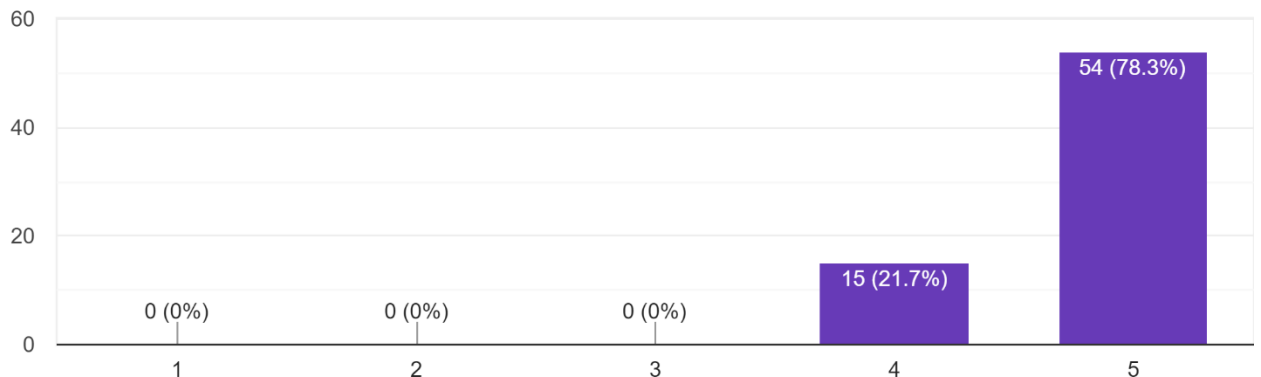

1.   More than 76 % of the participants showed an increase in their knowledge after attending   the   session   as   compared   to   their   knowledge   before   the   session.

How was the time duration of the seminar?
69 responses
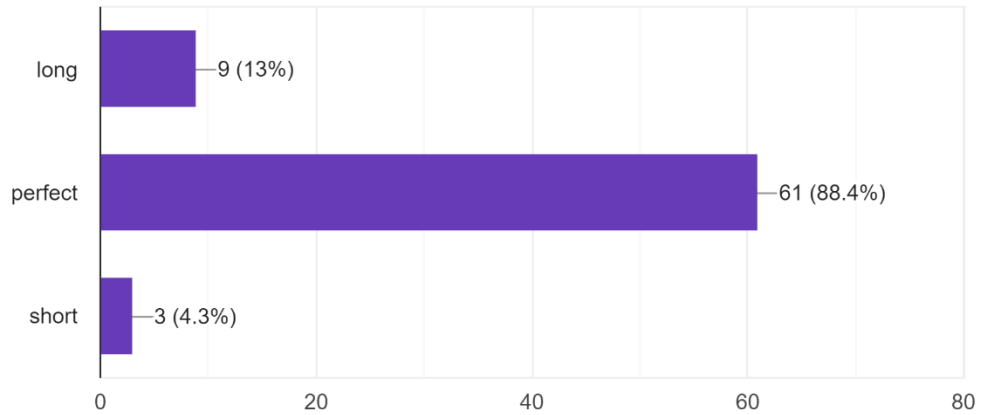

1.   The seminar was able to match and exceed the expectations of most participants.

How did the session compare to your expectations?
69 responses

1. There was seen a high chance of the seminar being recommended to others by the participants.
1.   Overall, the seminar was a success and most of the participants had a great experience.

Please rate your overall experience:
69 responses

Few comments received from the participants in the feedback form are:

- This is such a great message. It will help a lot and we want more workshops like this. Thanks
- This seminar was a good and very attractive presentation. I liked it so much. I knew the hard facts of life. I felt motivated and so much inspiring about life that's why didn't need any suggestions. thank u so much for organizing the lovely seminar.
- This workshop helps a lot for future reference. It shows me the way. The skills which are really needed at this time. Very essential workshop. It should be organized every year. This will improve our personality. I'm grateful. Thank you all.
- No suggestions. This session was very motivating and informative. Thank you for arranging such a beautiful session.
- I totally loved the Shalu ma'am interacted with the audience. She was full of enthusiasm and I could feel the positive energy transfer I wish she had some more time to interact with us.

National Level
One Month Online Certificate Course in Cyber Security
Date: 3 October - 30 October 2021
Department: Computer Science
Conveners: Dr Veena Ghuriani & Dr Jyotsna Talreja Wassan
Resource Persons: Mr Arun Soni, Col. Sunil Kapila, Mr Pratham Sharma, Mr Mandaar Giri, Mr Parshwa Bhawsar, Mr Anshuman D, Mr Aarvind Chaturvedi
No. of Participants: 268
No. of Participants from Maitreyi: 153

The Department of Computer Science organized a month-long online Certificate Course in Cyber Security (30 hours) from 3 Oct - 30 Oct 2021. The aim of the course was to make the students aware about the various threats of Cyber Crime, prevention of Cyber Crime and safe practices on the use of Cyber Space. As the students are hooked to the cyber world for most of the time, it is the need of the hour to educate them about safe cyber use. Keeping this in mind, the Certificate Course in Cyber Security was launched and it was open to college and school students both. We received an overwhelming response from different schools, colleges and universities. Dr Veena Ghuriani and Dr Jyotsna Talreja Wassan were the Conveners and Ms Ashna Sharma and Ms Sakshi were the Program Heads.The Certificate course was conducted on the video conferencing platform ZOOM on the recurring id:

The Certificate course was launched with the name of "Cyber Security League Program" (CSLP), the sessions were designed to cover all the aspects of Cyber Security - Introduction, Cyber Threats, Cryptography, IT Laws, Ethical Hacking. The course was of **30 hours** duration. Every session was followed by a quiz which the participants had to attempt. There were 5 quizzes in total. The course also had a project assignment. The Certificate of Completion was given to the students who scored 50% or more in the Quizzes and submitted the project assignment. To encourage the school students, certificates of attendance were given after every session attended by them.

The first five sessions were technical sessions. There was a student mentor session in which two young graduates shared their journey into the cyber security field. The "Expresso Yourself" session was an informal session conducted by the Program Heads to discuss their experiences of cyber crime/fraud. The feedback form was floated at the end of every session to get the response of the participants.

The list of school students who were given e-Certificates:

The course was appreciated by the participants and received positive feedback.

The student organizing team involved:
PROGRAM HEADS
1) Ashna Sharma
2) Sakshi
EVENT HEADS
1) Bipasha Banga
2) Khushi Maan
CREATIVE HEADS
1) Mahak Gupta
2) Nidhi Singh
CONTENT HEAD
1) Vanshica Chaddha
EVENT AND CONTENT TEAM
1) Vanshika Agarwal
2) Tannu Dahiya
3) Nancy
4) Mamta
5) Neha
6) Poojitha
CREATIVE TEAM
1) Sweta Gulia
2) Ankita Pant
3) Ankita Yadav
4) Tanvi
5) Pinki Singh
6) Mehak Verma
7) Maulika Sharma
8) Kiran Yadav
