

## **ORIENTATION PROGRAM**

**Organised by Department of Zoology**

**Maitreyi College, University of Delhi**

**Convenor : Dr. Jaspreet Kaur**

**Co-convenor : Dr. Shweta Malhotra, Dr. Mamta Pandey**

**Number of participants:** 36 students+ teachers+ Lab staff

**Date:** August 29, 2024

**Time:** 12:00 PM - 1:30 PM

The Orientation program was held on 29th August 2024, in Room No. 79, running from 12:00 noon to 1:30 pm. The session began with an address by Dr. Jaspreet Kaur, the Teacher In-Charge for the 2024-2025 academic session. She warmly welcomed both students and parents, introducing the faculty and non-teaching staff, and highlighted their achievements, research projects, and student enrichment programs, particularly those under the UGCF-NEP. Dr. Kaur guided the students through the new course structure in line with the updated education policy and spoke about the infrastructure and curriculum framework as per NEP guidelines for the Zoology Hons. First year students. She informed the students about various Skill Enhancement Courses (SEC) and Value-Added Courses (VAC) offered by Zoology department as well as the University guidelines for Internal assessment and continuous evaluation for theory and practical.

She also discussed about achievements of the students of Zoology department and the Zoological society 'Chrysalis' and "Iridescence," the department's annual e-magazine. She concluded her address with a heartfelt, self-written poem, welcoming the freshers and congratulating them on the start of their academic journey.

Following this, a video presentation by Lyra Singh, a second-year B.Sc. (Hons.) Zoology student, provided an engaging glimpse into the department's activities, which the students found both insightful and enjoyable. The orientation then moved on to the introduction of "Chrysalis," the Zoology Society, where its team members encouraged the new students to join.

Dr. Brototi Roy and Dr. Meena Yadav discussed the significance of research, the summer internship program, and the annual research projects conducted under the Centre for Research (CFR) at Maitreyi College, University of Delhi.

The departmental orientation was followed by another event titled "Know My Department" segment, in which students were introduced to the various SEC courses available through different college departments. Teachers from these departments visited the Department of Zoology to orient the students about their respective courses.

Additionally, first-year students participated in an inspiring conversation with Ms. Srishti, an alumna of the Zoology Department who is currently pursuing a Master's in Science from a reputed university.

The event concluded with a vote of thanks, leaving the freshers excited and motivated for the year ahead.

### **Report of the event**

Report on the Seminar "Happiness is a Choice" by Chrysalis, Zoological Society of Maitreyi College

Chrysalis, the Zoological Society of Maitreyi College, hosted an insightful seminar titled "Happiness is a Choice" at the NSB Auditorium, held from 12:00 pm to 1:30 pm. The seminar was conducted by Ms. Divya Shah from Happify U, who took the audience on an energetic and reflective journey toward understanding happiness.

Ms. Shah presented a practical five-step roadmap to happiness, emphasizing the importance of:

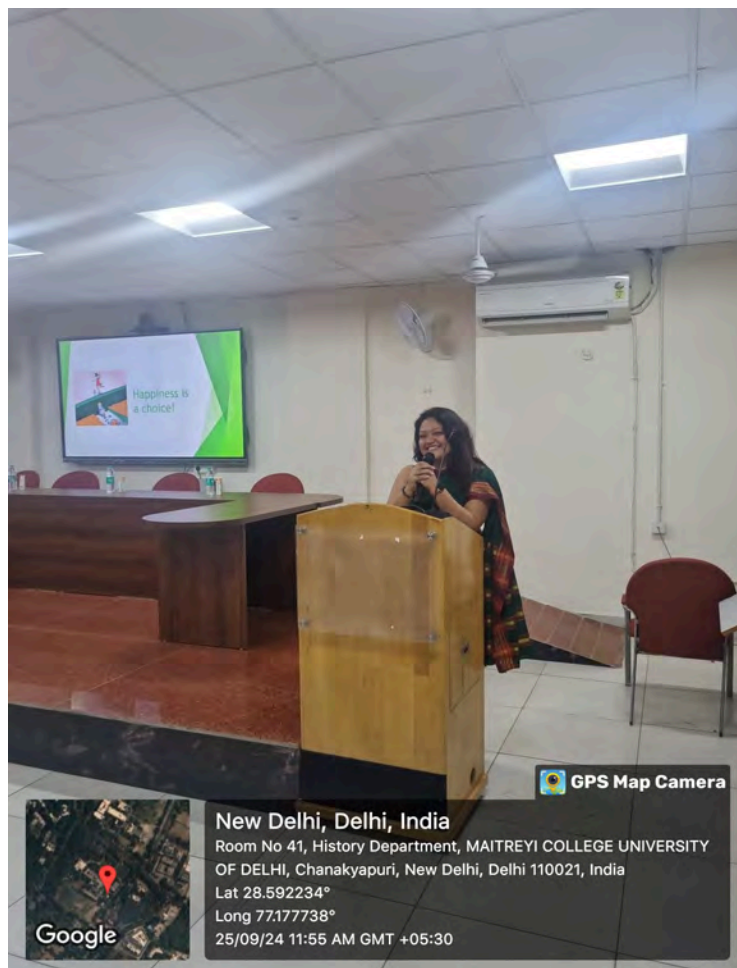

- Having a purpose in life,
- Expressing gratitude regularly,
- Building meaningful connections, and
- Recognizing the vital role that friends play in enhancing our well-being.

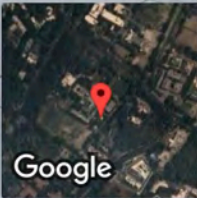

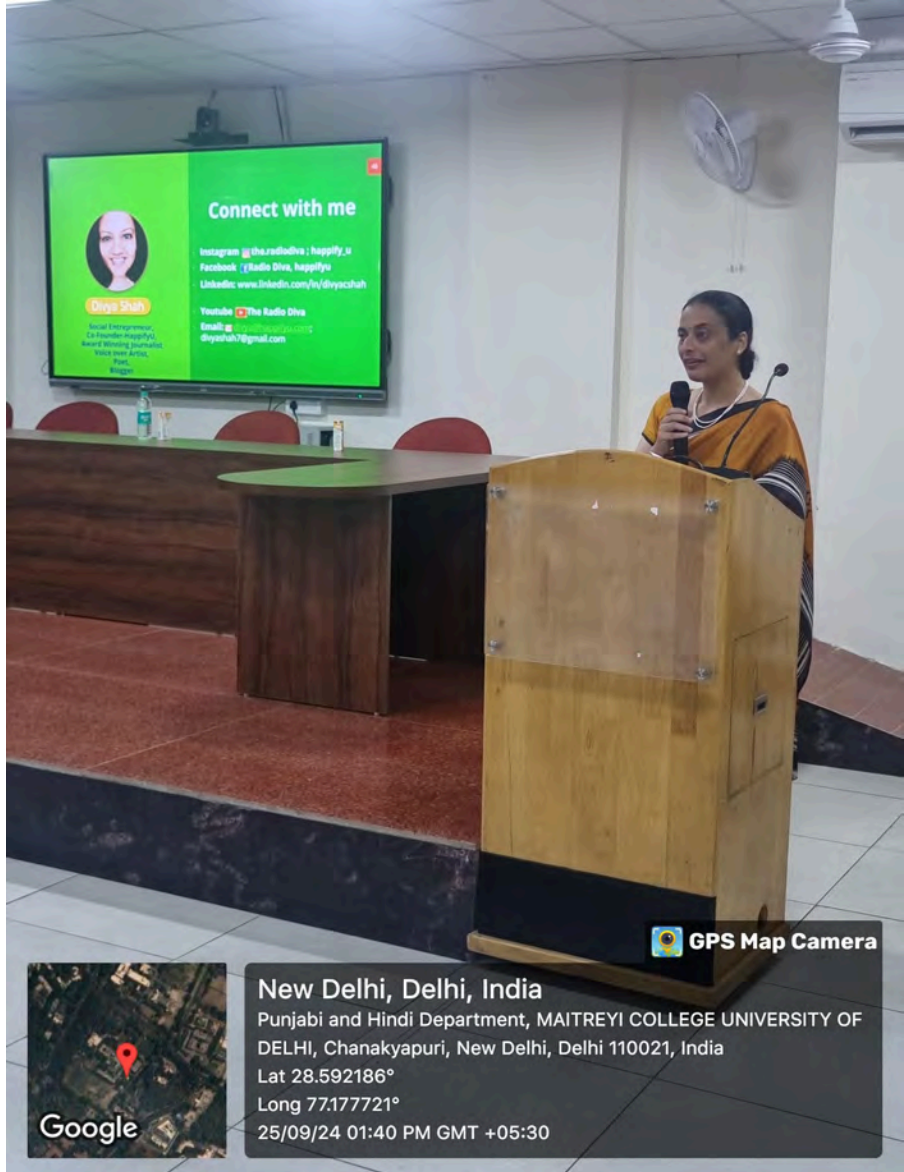

She underscored that happiness is a personal and internal state—something we must consciously choose each day, despite life's hustle and bustle. Drawing from her personal experiences, Ms. Shah spoke candidly about how pursuing ambitions or competing with others doesn't lead to genuine happiness. Instead, she emphasized the importance of serving a greater purpose and aligning one's actions with that purpose.

In a heartfelt discussion, she also shared her struggles with phobias and highlighted the transformative power of self-acceptance in achieving happiness. The seminar concluded with an engaging Q&A session, where students eagerly interacted with the speaker, seeking further insights. Dr. Jaspreet Kaur delivered the vote of thanks, and it was clear from the smiles on everyone's faces that the seminar had left a lasting impact.

Overall, it was a highly reflective and empowering session that reminded all attendees of the importance of prioritizing happiness in their daily lives.

## Feedback Analysis

The seminar received highly positive feedback, with attendees praising Ms. Divya Shah's relatable and practical insights on choosing happiness daily. The five-step roadmap and personal stories deeply resonated, making the session both engaging and impactful. The interactive Q&A was appreciated, leaving participants feeling motivated and uplifted. Overall, the seminar was seen as a refreshing reminder to prioritize happiness.

### **Report of the event**

Chrysalis, the Zoological Society of Maitreyi College, organized an engaging and interactive session with Vedanti Garg, a Life Science graduate from the 2020-23 batch. Vedanti shared her experiences as a recent graduate, offering valuable guidance to the current second and third-year students of Life Sciences and Zoology. Vedanti reflected on the unique challenges she faced while completing her degree during the pandemic and provided practical advice on managing academics and staying motivated. She emphasized the importance of participating in internships and research projects, highlighting how these opportunities helped her develop essential skills for her career.

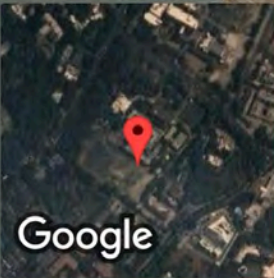

The session was highly interactive, with students asking insightful questions about career options, further studies, and skill development. Vedanti offered helpful tips on networking, building a strong academic profile, and balancing various aspects of college life. Her openness and approachable nature made the session feel more like a friendly conversation than a formal talk, allowing students to connect with her on a personal level. Vedanti's advice on staying curious and being adaptable in the face of challenges deeply resonated with the attendees.

The event, organized by Chrysalis, concluded with students expressing their gratitude for Vedanti's guidance, leaving them feeling inspired and motivated to take charge of their academic and professional journeys.

Dr. Jaspreet Kaur  
Teacher-In-Charge  
Zoology Department  
Maitreyi College

## **INFORMATICS- BASED HEALTHCARE IN THE ERA OF FIFTH PARADIGM**

**Category(Soft Skills/Academic/Excursion/Cultural etc.)- academic**

**National/International/Inter-University/State Level/College Level- National level**

**Date- (09-10-2024)**

**Name of the organising Department/Society- Chrysalis The Zoological Society**

**Name of the convenor/coordinator of the event- Dr. Jaspreet kaur**

**Faculty co-advisor: Dr. Shweta Malhotra, Dr. Parul Puri, Dr. Mamta Pandey.**

**Speaker for the event- Prof. Gajendra P.S Raghava sir**

**Number of the participants/beneficiaries from college- 159 students + 8 teachers**

### **Report of the event**

The seminar held on 9th October 2024, organised by Chrysalis, the Zoological Society of Maitreyi College, in the NSB Seminar Hall, was both insightful and inspiring. The speaker began by sharing how he initially disliked biology but eventually grew to love it through curiosity and persistence. He emphasised that a true scientist is defined by their contributions and that an idea is the key to making an impact. The speaker also highlighted the importance of learning together, the significance of big data mining, and the role of programming languages like Python and C in scientific research. He discussed India's commendable third-place ranking in the global database commons and introduced the use of SQL software for data organisation. His down-to-earth approach and focus on collaboration and generosity in research deeply resonated with the audience. Students were inspired by his advice on searching for information and how it could aid them in research. The event concluded with a vote of thanks by Dr. Jaspreet Kour, and a potted plant was presented to the speaker by Prof. Jyoti and Prof. Brototi.

### **Poster of the event**

**CHRYSLIS  
THE ZOOLOGICAL SOCIETY**  
**MAITREYI COLLEGE**  
(NAAC Accredited A++ Grade)  
UNIVERSITY OF DELHI

## **DEPARTMENT OF ZOOLOGY**

under the aegis of IQAC

presents

# **NATIONAL SEMINAR ON Informatics-based Healthcare in the Era of Fifth Paradigm**

### **GUEST SPEAKER**

**PROF. GAJENDRA  
P.S. RAGHAVA**  
Professor at Department of  
Computational Biology,  
IIIT Delhi

### **ABOUT**

- Postdoctoral fellow at Oxford university, UK
- Bioinformatics specialist at UAMS, USA
- Visiting professor at POSTECH, South Korea
- 30 years experience in the field of bioinformatics at CSIR-Institute of Microbial Technology, Chandigarh
- Published more than 350 research papers in reputed journals
- Developed more than 300 Insilco products which is highest contribution by a single group in the world
- Received Shanti Swarup Bhatnagar Award (2008) by CSIR, National Bioscience Award (2006) by DBT, J. C. Bose national fellowship (2010-2020) by DST
- Fellow of all major scientific Academies (FNASc, FASc, FNA)

 **DATE: 9<sup>th</sup> October, 2024**

 **TIME: 12 PM - 1:00 PM**

 **VENUE: NSB Seminar Hall**

 [chrysalismaitreyi](https://www.instagram.com/chrysalismaitreyi)

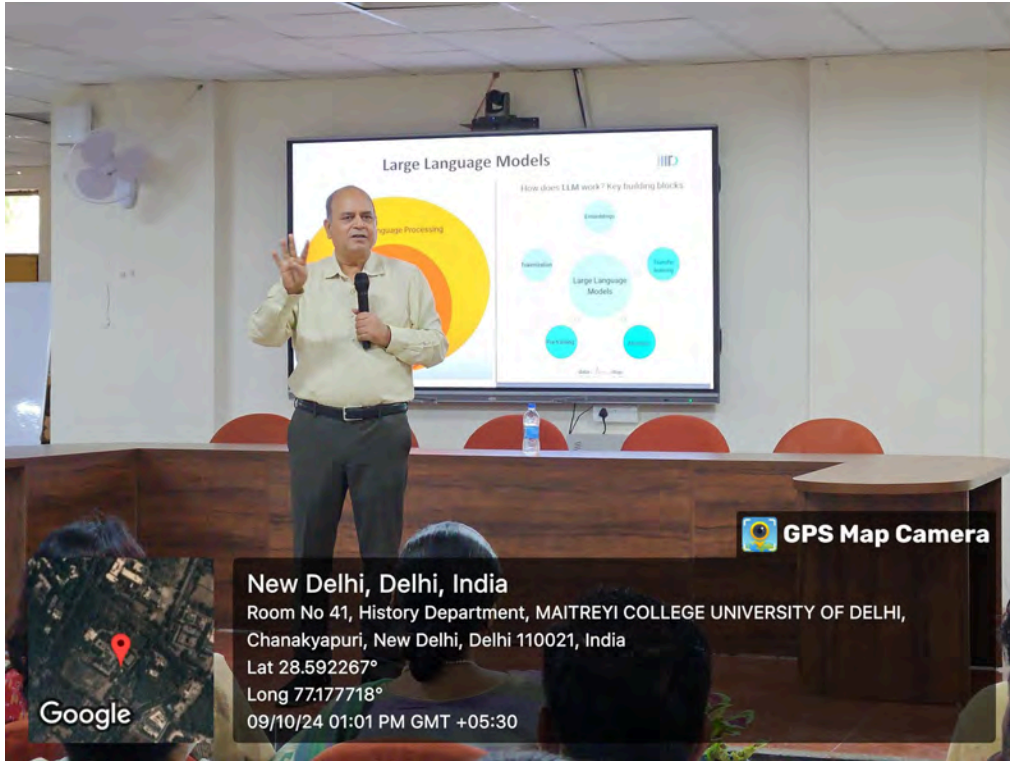

**Patron**  
**Prof. Haritma Chopra**  
(Principal)

**Jagriti Mehta**  
President

**Dr. Jaspreet Kaur**  
Teacher-in-charge

### **Feedback analysis**

All the students really found the seminar to be informative, and they appreciated the fact that the speaker brought out a topic which goes in sync with today's era and more such informative sessions are wanted.

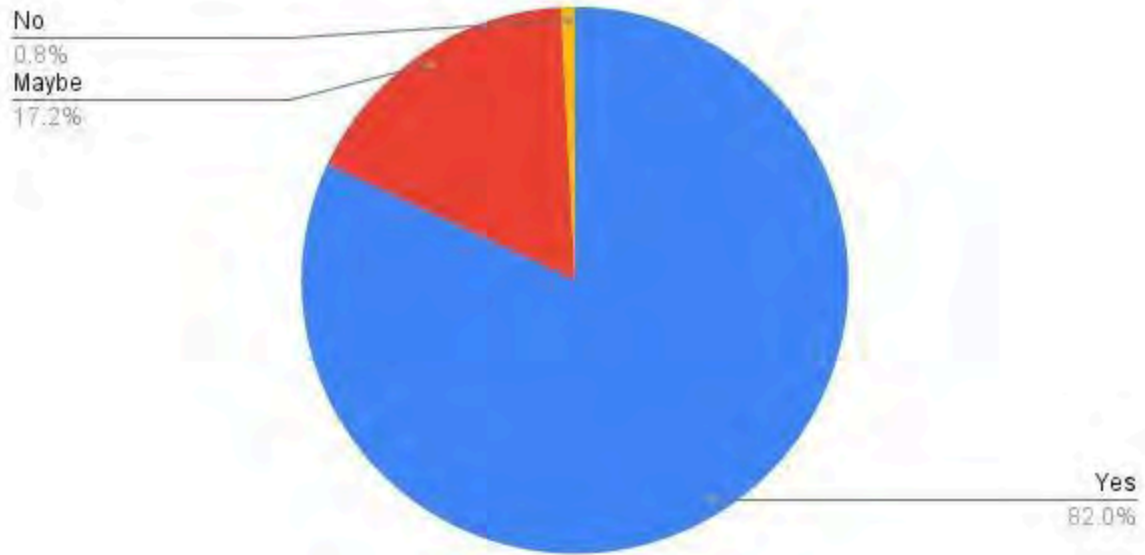

### Did the lecture inspire you with any new thoughts/ideas?

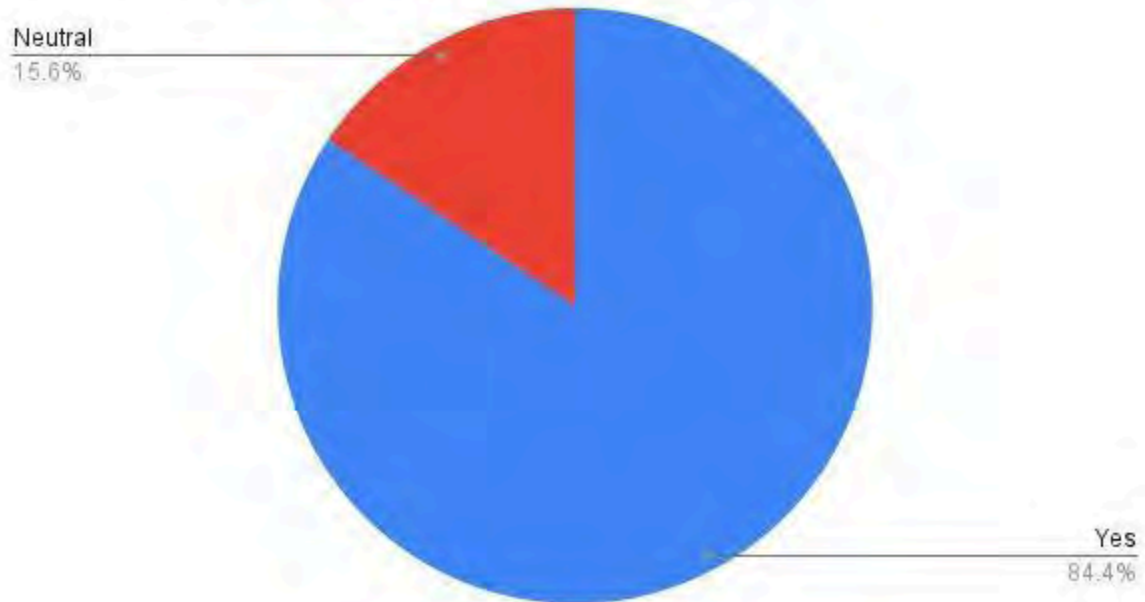

### Count of Was the seminar informative & enhanced your knowledge of the subject?

### Would you like to participate in similar events in the future?

### Was the lecture easy to understand?

**Attendance**

## **HUMAN BRAIN INSIGHTS: Harnessing MiRNA as a Molecular Switch in Stem Cells**

**Category(Soft Skills/Academic/Excursion/Cultural etc.)- Academic**

**National/International/Inter-University/State Level/College Level- National level**

**Date- (23-10-2024)**

**Name of the organising Department/Society- Chrysalis, The Zoological Society**

**Name of the convenor/coordinator of the event- Dr. Jaspreet kaur**

**Faculty co-advisor: Dr. Shweta Malhotra, Dr. Parul Puri, Dr. Mamta Pandey**

**Speaker for the event- Dr. Yogita K. Adlakha**

**Number of the participants/beneficiaries from college- 132 students + 6 teachers**

### **REPORT OF THE EVENT**

The seminar held on 23rd October 2024, organised by Chrysalis, The Zoological Society of Maitreyi College, in the NSB Seminar Hall, was both insightful and inspiring. The speaker was welcomed with a clay pot beautifully decorated by Manya, Vice President of Chrysalis, and a Jamaica pepper plant to symbolise sustainability.

Dr. Adlakha opened the seminar with her academic journey and achievements, including a brief tenure at Maitreyi College, which added a personal touch to her talk. For the audience, including those from non-science backgrounds, she gave a clear introduction to the human brain's structure and function. Her discussion covered key areas like brain development during gestation, neural stem cell processes, signalling pathways, and common neurodevelopmental disorders. She elaborated on how miRNAs act as molecular switches in stem cells, impacting neurodevelopmental pathways. Using 2D and 3D stem cell models, her research work sheds light on how these small RNA molecules can influence brain function and disease.

The talk prompted enthusiastic questions from students, who were curious about her work in neurodevelopmental disorder modelling. Dr. Jaspreet Kaur, teacher in charge of the Zoology Department, concluded the event with a vote of thanks, expressing gratitude to Dr. Adlakha, the organising team, and volunteers for their efforts in making the seminar successful.

**Human Brain Insights: Harnessing**  
**MiRNA as a molecular switch in**  
**Stem Cells**

**GUEST SPEAKER**

**DR. YOGITA  
K. ADLAKHA**

- Currently Associate Professor at Amity Institute of Molecular Medicine and Stem Cell Research, Amity University
- Received prestigious DST INSPIRE Faculty award from National Brain Research Centre (NBRC), Manesar
- Worked as postdoctoral visiting fellow at National Institutes of Health (NIH), MD, USA.
- Worked as Research Scientist Translational Health Science and Technology Institute (THSTI), Faridabad
- Research focus is to deconstruct brain development, disorder and function at molecular level using human stem cell based 2D and 3D models

**ABOUT THE TOPIC**

Discover the fascinating world of MiRNA and its revolutionary role in stem cell research and brain health. This seminar will dive into how MiRNA, a small molecule, can act as a switch to control stem cell behavior, influencing brain development and function. The discussion will cover how MiRNA can turn genes on or off in stem cells, the implications for brain health, potential applications for treating neurodegenerative diseases and brain injuries, and future research directions.

## **FEEDBACK ANALYSIS**

All the students really found the seminar to be informative, and they appreciated the fact that the speaker brought out a topic which goes in sync with today's era and more such informative sessions are wanted.

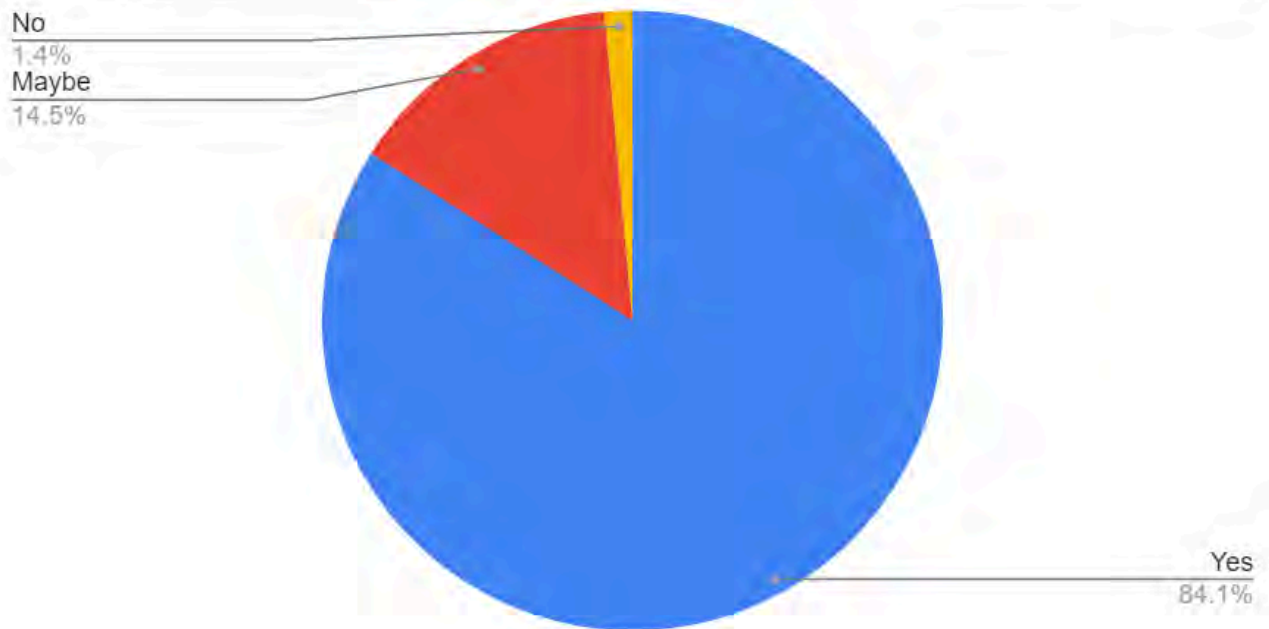

Count of Was the seminar informative & enhanced your knowledge of the subject?

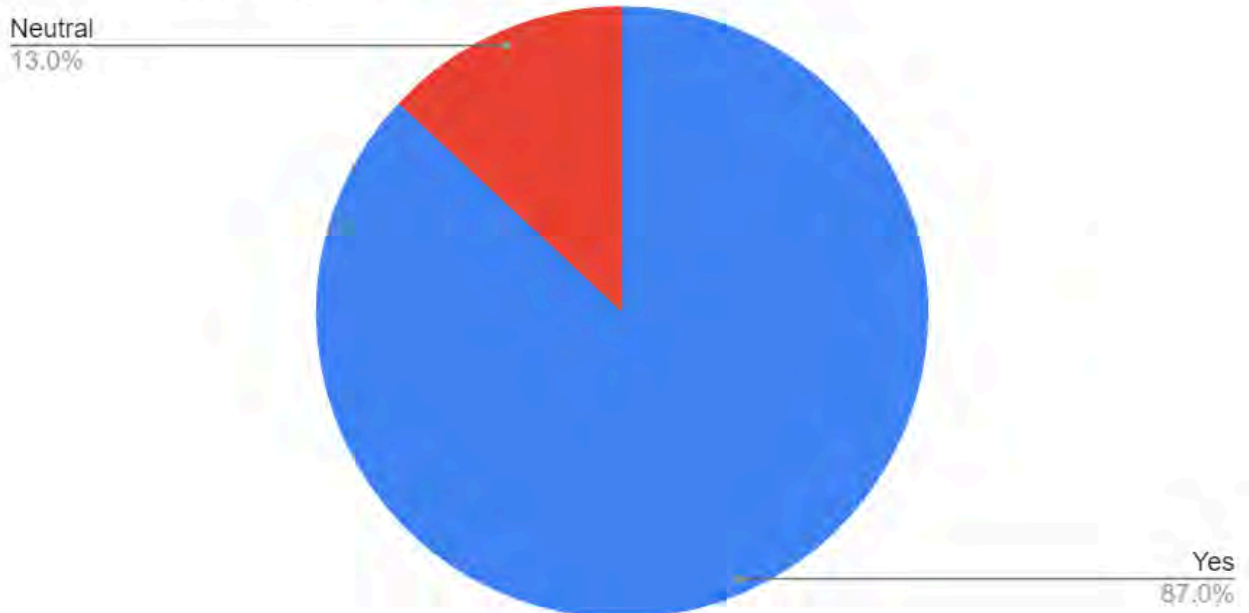

Count of Was the lecture easy to understand?

Count of Would you like to participate in similar events in the future?

Count of Did the lecture inspire you with any new thoughts/ideas?

### **Report of the event**

On 6th November 2024, Chrysalis, the Zoological Society of Maitreyi College, hosted an insightful seminar titled “Science Storytelling with Multimedia Tools,” presented by Dr. Poorthi Kathpalia. Known for her innovative approach, Dr. Kathpalia captivated the audience with her engaging and interactive session. She skillfully demonstrated how multimedia tools can be leveraged to make scientific concepts more approachable and captivating, opening doors to new storytelling techniques in science education. The seminar was a dynamic blend of fun and learning, offering students an array of creative options to express scientific ideas. Dr. Kathpalia's relatable approach and interactive methods allowed participants to connect deeply with the material, making complex scientific topics both accessible and enjoyable. The event concluded with a Vote of thanks by Dr. Jaspreet Kaur, who shared her appreciation for Dr. Kathpalia's contribution. As a token of gratitude, the guest was presented with a beautiful painting crafted by Parishruti Gogoi, a talented second-year Zoology student. Parishruti's artwork, embodying the theme of growth and balance, was a perfect representation of the seminar's core message. The session was met with enthusiastic feedback, reflecting the profound impact it left on attendees.

Feedback Analysis

The seminar received highly positive feedback, with attendees praising dr poorti kathapalia relatable and practical insights on presenting data in a meaningful yet creative manner . The interactive Q&A was appreciated, leaving participants feeling motivated and uplifted. Overall, the seminar was very informative.

## **Career Counseling**

**Category(Soft Skills/Academic/Excursion/Cultural etc.)- Academic**

**National/International/Inter-University/State Level/College Level- college level**

**Date- (08-02-2025)**

**Name of the organising Department/Society- Chrysalis The Zoological Society**

**Name of the convenor/coordinator of the event- Dr. Jaspreet kaur**

**Faculty co-advisor: Dr. Shweta Malhotra, Dr. Mamta Pandey**

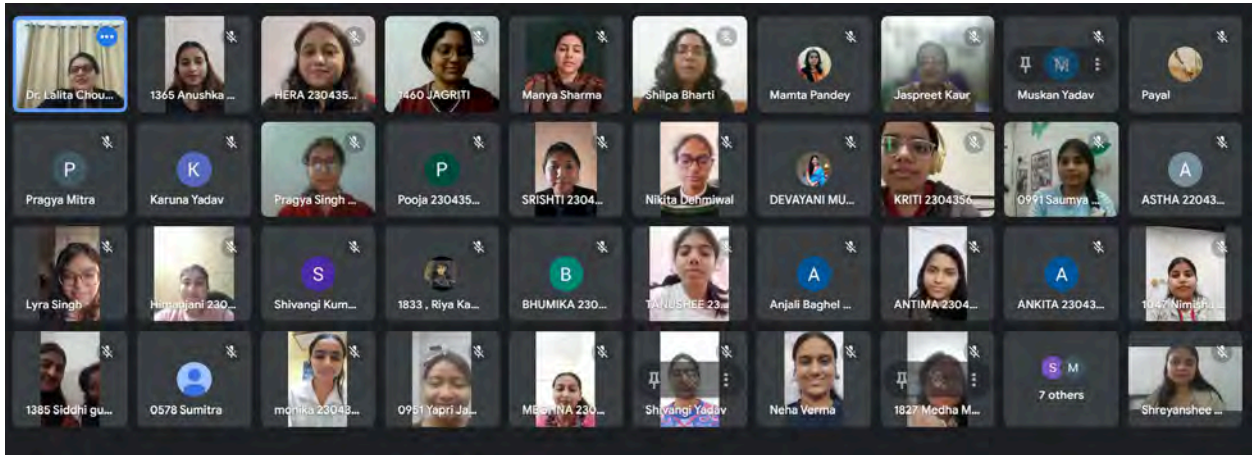

**Speaker for the event- Dr. Lalita Choudhary**

**Number of the participants/beneficiaries from college- 61 students**

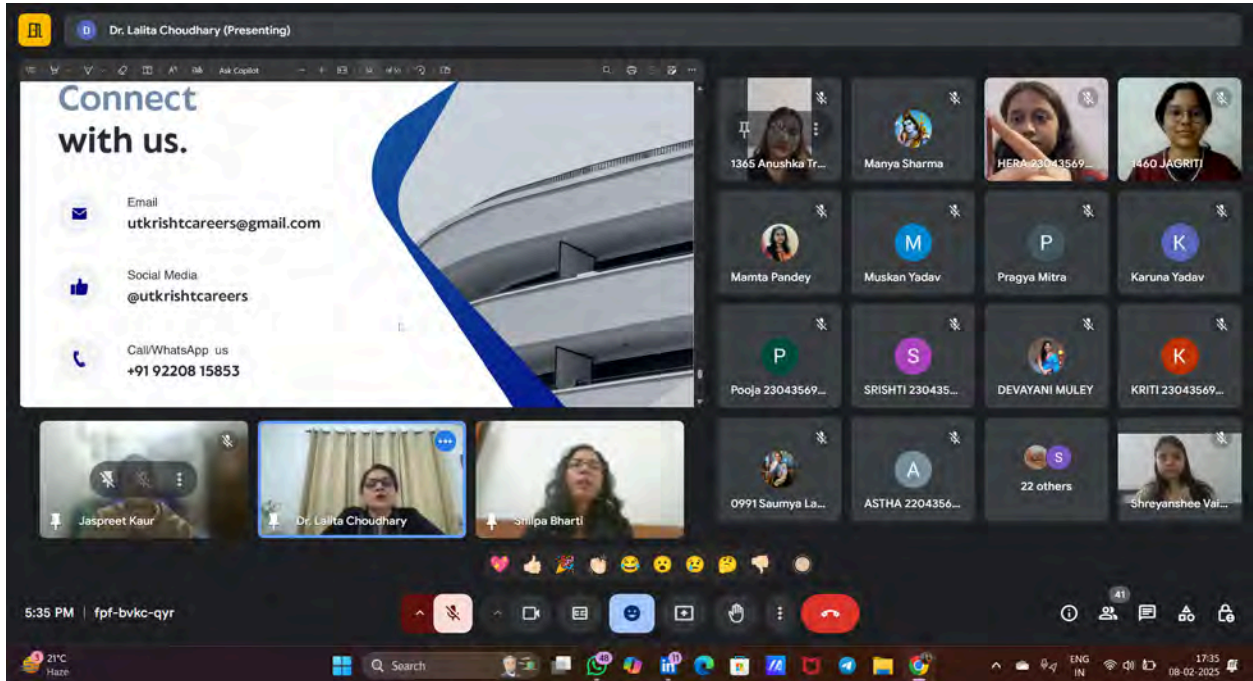

### **Report of the event**

A career counseling session was conducted by Chrysalis, the Zoological Society of Maitreyi College, on 8th February 2025 in online mode. The session was led by Dr. Lalita Choudary, who provided valuable guidance to students of Botany, Zoology, and Life Sciences regarding various career opportunities. During the session, insights were shared on the differences between the three-year and four-year undergraduate programs introduced under the National Education Policy (NEP). The prospects of pursuing higher education abroad were also discussed in detail. Various career pathways were explored, and students were encouraged to make informed decisions based on their interests and aspirations. The session was made highly interactive, and students actively engaged with the speaker. A friendly and lively atmosphere was maintained throughout, ensuring a comfortable space for queries and discussions. The event was well-received, and participants appreciated the informative and engaging nature of the session. Towards the conclusion, a vote of thanks was delivered by Dr. Jaspreet Kour, expressing gratitude to Dr. Lalita Choudary for her insightful talk. The session was considered highly beneficial by attendees, leaving them with a clearer perspective on their academic and professional choices.

## Feedback Analysis

The seminar received highly positive feedback, with attendees praising Dr Lalita Choudhary relatable and practical insights on different career aspects, it was a deep dive into different diverse fields and how one should cater to both interest as well as skills for their future, overall it was an amazing session loved by all.

## Responses from the attendees, and their feedback

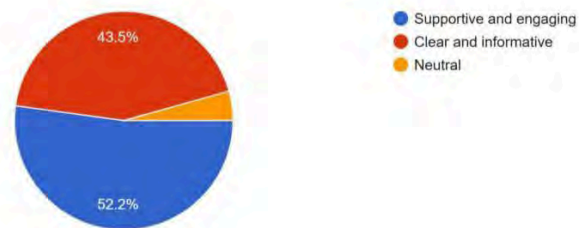

Were there any moments during the session when you felt particularly supported or motivated?

23 responses

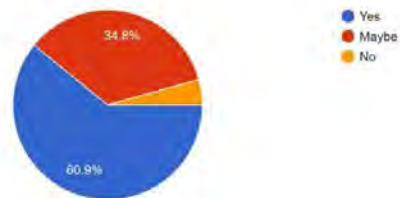

How would you describe the counselor's approach to understanding your career aspirations?

23 responses

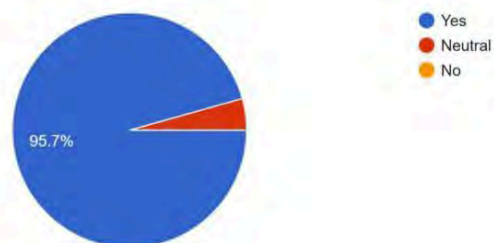

Would you be interested in scheduling a follow-up session to review your progress or discuss further questions?

23 responses

Were there any topics or areas that you felt were effectively covered during the session?

23 responses

## List of participants

The screenshot displays a Google Meet interface. The main window shows a presentation slide titled "M.Sc. After B.Sc.: Expanding Your Career Horizons". The slide lists "M.Sc. Specialisation Options for B.Sc. Botany, Zoology, Life Sciences" and provides a list of 14 M.Sc. specializations:

- M.Sc. Life Sciences
- M.Sc. Biotechnology
- M.Sc. Microbiology
- M.Sc. Biochemistry
- M.Sc. Molecular Biology
- M.Sc. Genetics
- M.Sc. Environmental Science
- M.Sc. Bioinformatics
- M.Sc. Immunology
- M.Sc. Forensic Science
- M.Sc. Ecology
- M.Sc. Microbial Technology
- M.Sc. Toxicology
- M.Sc. Public Health

Below the slide, a grid of participants is visible. The participants shown are:

- Dr. Lalita Choudhary (Presenting)
- HERA 23043569...
- Shilpa Bharti
- Manya Sharma
- Shreyanshee Va...
- Mamta Pandey
- Jaspreet Kaur
- 54 others
- 1460 JAGRITI

The bottom of the screen shows the Google Meet control bar with a timestamp of 4:27 PM, the meeting ID "fpf-bvkc-qyr", and various icons for mute, video, chat, and other functions.
