24th July 2024

Dear friends,

It gives me immense pleasure to share with you that the University of Delhi has not only excelled in academics in last one Century of its glorious existence but at the same time has shown the world that our students are equally equipped to participate at the highest athletic and sporting events and make us proud while bringing accolades by their achievements at various events of National and International repute.

At this historic juncture, I would like to convey that as many as 09 students of this University belonging to various constituent colleges are representing Bharat and participating at the XXXIII Olympic Games 2024 at Paris, France, which is the highest number when it comes to the number of our students participating in an International event of this magnitude.

I would like to take this opportunity to convey warm greetings and best wishes on behalf of the University fraternity and more particularly on my personal behalf to all the participating athletes belonging to the constituent Colleges of the University of Delhi who have shown excellence in their athletic and sporting skills and qualified for participation at the Paris Olympic Games scheduled to be held with effect from 26.07.2024 to 11.08.2024.

We will be eagerly waiting to observe the glorious performance of Ms. Ramita Jindal (Hansraj College), Ms. Rhythm Sangwan (Lady Shri Ram College for Women), Ms. Manu Bhaker (Lady Shri Ram College for Women), Ms. Maheshwari Chauhan (Lady Shri Ram College for Women), Ms. Rajeshwari Kumari (Sri Venkateswara College), Ms. Shreysi Singh (Hansraj College) in Women's Shooting alongwith Mr. Jaspal Rana, Shooting Coach, Mr. Amoj Jacob in Men's Athletics (Sri Guru Tegh Bahadur Khalsa College) and Ms. Manika Batra in Women's Table Tennis (Jesus & Mary College) when they will be performing at the Olympic Games in Paris in their respective events. I am sure all of them will come out with flying colours with their superior performance and win medals to make our Nation proud.

I would like to take this opportunity to urge you to publicise this extraordinary achievement of our sporting stars to the maximum extent possible which will, in effect, enthuse the existing students to make sports as a way of life and perform better in all their future endeavours.

I sincerely hope that our University will be contributing a greater number of sports personalities who would be representing our great Nation in the 2028 Olympic Games.

with regards

Yours Sincerely,

Yogesh Singh
