

# **Swaach Bharat Summer Internships**

The NSS wing of Maitreyi College is organizing the Swacch Bharat Summer Internship, a program designed by the MHRoD. The internship commenced on **7 June 2018** under the guidance of **Dr. Smriti Singh** as the Nodal Officer. A team of 30 student volunteers have adopted Devli village near Saket, New Delhi. Additionally, outstation students have adopted other villages in Northeast India, UP and Uttarakhand. As a part of the internship, students undertake several activities like wall paintings, rallies, meant to raise awareness about government schemes among villagers.
