

# Let Me Be Myself!

**Pooja Gupta\***

**Let me be myself,  
Because I'm unique!  
Doesn't matter to me what others think,  
I've full right to 'speak'!**

**I'm governed by my own rules,  
I do what I feel is right.  
I'll overcome any obstacle,  
How difficult it might.**

**Others dictate me what to do,  
Ignorant of what I ought to,  
They don't let me be free,  
Which I totally disagree.**

**I've my goals to achieve,  
I'll be successful, I strongly believe!  
Surely, I'll not rest,  
Until I do my best!**

**I also know my limitations,  
And overcome all inhibitions,  
'Sky is the limit for a free bird'  
That's my source of inspiration!**

**I accept I'm not perfect,  
I have some weaknesses too,  
But no one is born perfect,  
Others need to remember too.**

**Don't compare me with others,  
As I'm not they and they are not me,  
I'm what I'm and will be what I want to be,  
So, just let me be myself and may you be thee!**
