

FROM DIARY OF SQD. LDR. VEER SAMIR ABROL

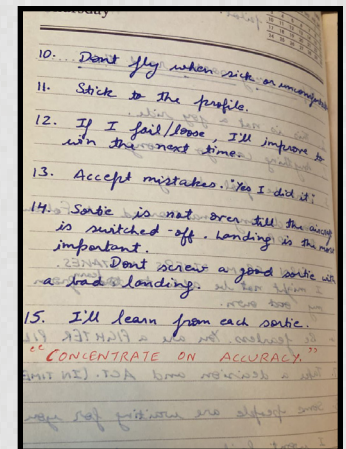

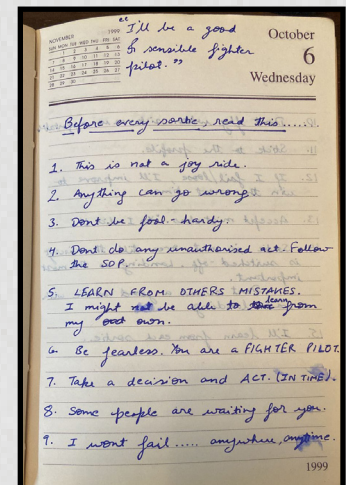

Sushma Abrol*

Handwritten tips by Veer Samir Abrol : these notes were his life guidelines and if followed with dedication one can overcome any barrier and make your vision clear.

'I will be a good & sensible fighter pilot'

Before any sortie read this

1. This is not a joy ride.
2. Anything can go wrong,
3. Don't be fool-hardy.
4. Don't do any unauthorised act. Follow the SOP.
5. Learn from others mistakes, I might not be able learn from my own.
6. Be fearless. You are a fighter pilot.
7. Take a decision and act(In time).
8. Some people are waiting for you.
9. I won't fail.... Anywhere, anytime.
10. Don't fly when sick or uncomfortable.
11. Stick to the profile.
12. If I fail/loose, I'll improve to win the next time.
13. Accept mistakes- 'yes I did it.'
14. Sortie is not over till the aircraft is switched off. Landing is most important.. Don't screw a good sortie with a bad landing.
15. I will learn from each sortie.

"CONCENTRATE ON ACCURACY"

We had covered story of Veer Sqn. Leader Samir Abrol in our July 2022 issue. This piece is shared by his mother Ms. Sushma Abrol. Though these tips are for the co-professionals, but most of his tips are relevant for all irrespective of the profession.
