Emphasize eco-friendly, handcrafted Rakhis & Bracelets are made from organic materials like seeds, jute, or recycled paper. These Rakhis could turn into plants when sown, promoting a sustainable bond.

Include local startups in curating gift boxes with Rakhis, chocolates, or artisanal products, encouraging collaboration within the Startup Bazaar ecosystem.

Tradition with a Modern Twist

- Chase the vision: "Chase the vision, not the money; the money will end up following you".

ABOUT US

Our Rakhis & Bracelets are handcrafted by me, while the suits are sourced from block prints in Jaipur and Udaipur. We began making Rakhis in 2010 and have gained extensive experience since then.
