"Experience the royal touch in every step."

## ABOUT PADUKAYEN

Padukayen, traditional Indian footwear, have been an integral part of Indian culture for centuries. These intricately crafted footwear, often adorned with embellishments like beads, embroidery, and metalwork, were once a symbol of status and social standing. Traditionally made from leather or fabric, padukayen were worn by both men and women, and their designs varied across different regions of India. Today, padukayen have evolved into fashionable accessories, blending traditional craftsmanship with modern aesthetics. They are not only comfortable but also add a touch of Indian heritage to any outfit.
