## About StayMentor

---

StayMentor is a dedicated initiative founded in 2019 by Jhanvi Sharma, an alumna of Maitreyi College and a student of BA (H) Economics. The primary mission of StayMentor is to assist outstation students and their families in finding safe, reliable, and student-friendly PG accommodations near Maitreyi College. By connecting students with trusted and vetted PG owners, StayMentor ensures that the living spaces meet high standards of quality, comfort, and safety.

Our purpose is to provide outstation students a smooth transition to college life by offering tailored recommendations based on feedback from students and comprehensive surveys. Through personalized assistance, StayMentor helps students focus on their studies without the worry of finding the right accommodation.

## Our Vision

---

StayMentor envisions a world where students can find reliable, safe, and trustworthy accommodations without the stress and uncertainty that often accompany the search for housing. In today's times, where trust can be hard to come by, our vision is to bridge this gap and provide students with living spaces they can depend on, creating peace of mind for both students and their families.

## Our Mission

---

Our mission is to create impactful job opportunities for women, helping them gain financial independence from an early stage in life. By providing women with meaningful roles within StayMentor, we aim to empower them economically while contributing to the broader goal of gender equality and community development.

# Empowering Parents, Securing Futures

---

At StayMentor, we take pride in helping families feel secure about their daughters' accommodations near Maitreyi College. Our efforts have created meaningful connections and real-world impact, ensuring that parents can trust the spaces we recommend.

## Key Achievements

- **85 Happy Parents** - We've helped 85 parents from Maitreyi College find reliable and safe accommodations for their daughters.
- **564 Touchpoints** - Through constant communication and support, we have had 564 interactions with parents and students to ensure seamless and trusted services.
- **Revenue Earned** - Rs. 3 Lakh+ generated through StayMentor's services, which has allowed us to continue building our platform and offering support.
- **Financial Independence for Girls** - Over 5 young women have gained financial independence by earning Rs. 10,000+ each through internship opportunities created by StayMentor.
